New York Rangers

2005

using discourses from across the conceptual and geographical board toby miller argues for a different way of understanding violence one that goes beyond supposedly universal human traits to focus instead on the specificities of history place and population as explanations for it violence engages these issues in a wide ranging interdisciplinary form examining definitions and data psychology and ideology gender nation states and the media by covering several foundational questions how has violence been defined historically and geographically has it decreased or increased over time which regions of the world are the most violent does violence correlate with economies political systems

and religions what is the relationship of gender and violence what role do the media play this book is a powerful introduction to the study of violence ideal for students and researchers across the human sciences most notably sociology american and area studies history media and communication studies politics literature and cultural studies

Electronic Government: Concepts, Methodologies, Tools, and Applications

2003

a retired texas ranger recalls a career that took him from shootouts in south texas to film sets in hollywood when his picture appeared on the cover of texas monthly joaquin jackson became the icon of the modern texas rangers nick nolte modeled his character in the movie extreme prejudice on him jackson even had a speaking part of his own in the good old boys with tommy lee jones but the role that jackson has always played the best is that of the man who wears the silver badge cut from a mexican cinco peso coin a working texas ranger legend says that one ranger is all it takes to put down lawlessness and restore the peace one riot one ranger in this adventure filled memoir joaquin jackson recalls what it was like to be the ranger who responded when riots threatened violence erupted and criminals needed to be brought to justice across a wide swath of the texas mexico border from 1966 to 1993 jackson has dramatic stories to tell defying all stereotypes he was the one ranger who ensured a fair election and an overwhelming win for la raza unida party candidates in zavala county in 1972 he followed legendary ranger captain alfred y allee sr into a shootout at the carrizo springs jail that ended a prison revolt and

left him with nightmares he captured the see more kid an elusive horse thief and burglar who left clean dishes and swept floors in the houses he robbed he investigated the 1988 shootings in big bend s colorado canyon and tried to understand the motives of the mexican teenagers who terrorized three river rafters and killed one he even helped train afghan mujahedin warriors to fight the soviet union jackson s tenure in the texas rangers began when older rangers still believed that law need not get in the way of maintaining order and concluded as younger rangers were turning to computer technology to help solve crimes though he insists i am only one ranger there was only one story that belonged to me his story is part of the larger story of the texas rangers becoming a modern law enforcement agency that serves all the people of the state it s a story that s as interesting as any of the legends and yet jackson s story confirms the legends too with just over a hundred texas rangers to cover a state with 267 399 square miles any one may become the one ranger who like joaquin jackson in zavala county in 1972 stops one riot a powerful moving read one ranger is as fascinating as the memoirs of nineteenth century rangers james gillett and george durham and the histories by frederick wilkins and walter prescott webb and equally as important true west a straight shooting book that blow s a few holes in the ranger myth while providing more ammunition for the myth s continuation reads more like a novel than an autobiography austin american statesman

Violence

2002
