winner of the 2015 jozef ijsewijn prize for best first book on a neo latin topic early modern commentaries on stadius thebaid have been little studied even that by barth 1664 5 which holds a conspicuous place among them has only been taken into account now and then and often in a rather superficial way the present book which makes use of unpublished archival material offers a comprehensive overview of these works contexts contents interconnections it is particularly interested in 16th 17th commentators and strives to give barth s achievement the attention it deserves by closely looking at the various ways in which the commentaries respond to stadius poem but also at the various kinds of discourse they present it casts a new light on the reception of the thebaid and on the early modern practice of commentary writing les anciens commentaires imprimés de la thébaïde de stace ont été peu étudiés même celui de barth 1664 5 qui occupe parmi eux une place éminente n a été pris en compte que de manière ponctuelle et souvent superficielle le présent ouvrage étayé par des documents d archives inédits offre un examen général de ces travaux contextes contenus filiations il s intéresse particulièrement aux commentateurs des 16e 17e s et s efforce d accorder à barth l attention qu il mérite en se penchant sur les différentes façons dont les exégèses répondent au poème de stace mais aussi sur les différents types de discours qu elles présentent il apporte un éclairage nouveau sur la réception de la thébaïde et sur la pratique du commentaire au début de l époque moderne
