Where Do We Live Now?

2021-07

gerry sloan s poetry orchestrates a life of observation and attention of figurative ideas captured in verse and of love for the things of this world it is divided into suites linked thematically and delicately by family politics history music love and loss i think about the crazy creatures we ve become our constant contradictions predilection for metaphor towns named after conditions for the lives we share and are gerry sloan s command of metaphor tone and rhythm together with his keen eye for the contradictions of everyday life make for a powerful volume quote by zohreh t sullivan gerry sloan is a professor of music at the university of arkansas in fayetteville and his poetry has appeared in such journals as yarrow negative capability the nebraska review north dakota quarterly the christian science monitor and the anthology of magazine verse yearbook of american poetry

Paper Illuminated

2001

a new collection of short stories by a master of the form with a common focus on the turmoils of romantic love ready aim on command the firing squad aims at the man backed against a full length mirror the mirror once hung in a bedroom but now it s cracked and propped against a dumpster in an alley the condemned man has refused the customary last cigarette but accepted as a hood the black slip that was carelessly tossed over a corner of the mirror s frame the slip still smells faintly of a familiar fragrance so begins toscia the first in this vivid collection of stuart dybek s love stories operatically dramatic and intimately lyrical grittily urban and impressionistically natural the varied fictions in paper lantern all focus on the turmoil of love as only dybek can portray it an execution triggers the recollection of a theatrical romance then a social worker falls for his own client and lovers part as giddily perhaps as hopelessly as a kid trying to hang on to a boisterous kite a flaming laboratory evokes a steamy midnight drive across terrain both familiar and strange and an eerily ringing phone becomes the telltale signature of a dark betrayal each story is marked with contagious desire spontaneous revelation and ultimately resigned courage as one woman whispers when she sets a notebook filled with her sketches drifting out to sea someone will find you some of dybek s characters recur in these stories while others appear only briefly throughout they and we are confronted with vaguely familiar scents and images reminiscent of love but strangely disconcerting so that we might wonder whether we are looking in a mirror or down the barrel of a gun after the ragged discharge dybek writes when the smoke has cleared who will be left standing and who will be shattered into shards paper lantern brims with the intoxicating elixirs known to every love struck lovelorn heart and it marks the magnificent return of one of america s most important fiction writers at the height of his powers

The Paper Lanterns

1980

have you ever observed a paper lantern gliding across the night sky i am sure you have it has become a popular part of our festivals we often enjoy releasing the steamed up paper up in the sky and cheer when it rises but as it plummets down we lose interest strangely my attention piques when the lantern starts descending the fire doesn t completely burn

out some sparks re ignite as if it s trying hard to stay alive its defiance gives me hope strength and courage to keep going paper lantern is an accumulation of such poems encapsulating the conflicts of human lives their experiences and predicaments their grit to survive and their helplessness to give up their search for light and their walking into darkness

Japanese Lantern

1967

when future generations come to ask themselves when england lost it and what it lost they will pick up the paper lantern michael hofmann tils a remarkable achievement in a book that feels at once timely and deeply considered irish times a book that speaks powerfully about what it is to be english and about the impact of coronavirus on our national psyche observer will burns is the new defoe adelle stripe set in a shuttered pub the paper lantern in a village in the very middle of the country adjacent to the prime minister s chequers estate an unnamed narrator embarks on a series of walks in the chiltern hills as he charts and interrogates the shifts in mood and understanding that have defined a transformative period in his own history and that of the surrounding area he reveals a past scarred with trauma and a present lacking compass traversing local raves in secret valleys to climate change and capitalism the paper lantern creates a tangible lived in complicated rendering of a place at the moment when the very sense of place itself is being questioned

Playing with Lanterns

2021-12-07

we all have a darkness within us that we must never let out an unsettling presence has taken to stalking gunter s family in japan and is intent on drawing that darkness out into the open old friends become rivals hidden desire claws its way to the surface and loss hangs heavy and oppressive the only way to right the wrongs is to walk a dangerous path paved with pain and blood the third book in the hollow sun series paper lanterns pecks away at the crumbling illusion of reality seeking to sort the truth from the lies

A Paper Lantern for Puseyites

1850

to the japanese paper is far more than the material medium used by westerners for them its purity symbolises the religious offering and respect for gods and men cut out or folded it extends the code of speech and gesture paper also plays a purely utilitarian role in the form of lanterns parasols fans wrapping paper or playthings such kites dolls and origami

A paper lantern for Puseyites. By 'Will o'the wisp'.

1843

ritual is too often equated with unvarying or repetitive behavior this impression is encouraged by the ethnographic tendency toward an overly narrow time frame which highlights current relationships and conditions rather than long term developments the

rousing drum takes a different view it adopts a historical perspective encompassing several hundred years in exploring the role of ritual as an effective medium for negotiating sociopolitical and economic change the setting is furukawa a town located in japan s mountainous interior every spring the local shinto shrine festival provides an opportunity for enacting social relationships and attitudes by day a portable shrine containing the spirit of the guardian deity is escorted through town in a stately procession at night however a different scenario unfolds a barrel shaped drum is borne through the nighttime streets on a massive grid like platform prominent members of the community are obliged to ride upon the platform while teams of young adults rush out and attack it as it passes through their respective neighborhoods the action can become quite unruly and random fights and injuries are accepted as inevitable correlates in analyzing the festival over time schnell reveals a dramatic transformation the drum ritual which originated as a minor preliminary to the other events emerged during the late 1800s as an occasion for airing hostilities and settling scores as japan s modernization progressed the ritual performance came to embody a symbolic challenge to institutionalized authority and occasionally escalated into politically motivated violence while the religious ceremonies observed during the day were appropriated by local power holders the nighttime drum ritual represented a folk response to the officially sanctioned liturgy the festival as a whole thus represented the clash of competing ideologies within the context of a single public forum today s ritual rather tame by comparison is being transformed into a tourist attraction aligned with the town s economic development objectives schnell s careful examination of the ethnohistorical data offers a valuable new perspective on japanese festivals as well as the events and conditions that influence their development his innovative look at ritual behavior over time persuades us that we can grasp the underlying significance of such activities only if we consider them within the context of larger historical patterns
