mountain witches is a comprehensive guide to the complex figure of yamauba female yōkai often translated as mountain witches who are commonly described as tall enigmatic women with long hair piercing eyes and large mouths that open from ear to ear and who live in the mountains and the evolution of their roles and significance in japanese culture and society from the premodern era to the present in recent years yamauba have attracted much attention among scholars of women s literature as women unconstrained by conformative norms or social expectations but this is the first book to demonstrate how these figures contribute to folklore japanese studies cultural studies and gender studies situating the yamauba within the construct of yōkai and archetypes noriko t reider investigates the yamauba attributes through the examination of narratives including folktales literary works legends modern fiction manga and anime she traces the

lineage of a yamauba image from the seventh century text kojiki to the streets of shibuya tokyo and explores its emergence as well as its various often conflicting characteristics reider also examines the adaptation and re creation of the prototype in diverse media such as modern fiction film manga anime and fashion in relation to the changing status of women in japanese society offering a comprehensive overview of the development of the yamauba as a literary and mythic trope mountain witches is a study of an archetype that endures in japanese media and folklore it will be valuable to students scholars and the general reader interested in folklore japanese literature demonology history anthropology cultural studies gender studies and the visual and performing arts
