in the books of the gods part one fred saberhagen put his own inventive spin on the classic tales of greek mythology this book collects two more books in the series thrilling adventures that revisit the gods and heroes of ancient greece and then turn northward to explore an entirely different pantheon the fearsome deities of valhalla new york times best seller from the author that brought you 6 new york times best selling books including the harbinger the book of mysteries the oracle and the harbinger ii is it possible that behind what is taking place in america and the world lies a mystery that goes back to the gods of the ancient world and that they now have returned the return of the gods is the most explosive book jonathan cahn has ever written it is so explosive and so revealing that no description here could do it justice jonathan cahn is known for revealing the stunning mysteries many from ancient times that lie behind and are playing out in the events of our times but with the return of the gods cahn takes this to an entirely new level and dimension the return of the gods cahn takes the reader on a journey from an ancient parable the ancient inscriptions in sumer assyria and babylonia that become the puzzle pieces behind what is taking place in our world to this day specifically in america the mystery involves the gods who are they what are they and is it possible that these beings whose origins are from ancient times are the unseen catalysts of modern culture is it possible that these gods lie behind the most pivotal events forces and movements taking place in our nation and around the world at this very moment are the gods at this very moment transforming our culture our children our lives and america itself could this mystery have even determined the exact days on which supreme court decisions had to be handed down what is the dark trinity is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming who is the possessor the enchanter the destroyer and the sorceress could a sign that has appeared all over america and the world be linked to the gods of mesopotamia and if so what does it actually mean could the gods have returned to new york city and an ancient mythology played out on the streets in real time is it possible that the gods lie behind everything from what appears on our computer monitors our televisions and movie screens to the lessons given in our classrooms to the breakdown of the family to wokism to the occult to our addictions to the supreme court to cancel culture to children s cartoons to every force and factor that has transformed the parameters of gender to that which appears in our stores on our t shirts and on our coffee mugs to that which is at this very moment transforming america and much of the world is it possible that behind all these things are ancient mysteries that go back to the middle east and ancient mesopotamia this and so much more most of which we can't even reveal in this description will be uncovered is it possible that the gods are even affecting your life right now how can you recognize it and what can you do about it the return of the gods is not only one of the most explosive books you'll ever read but also one of the most profound it will reveal the most stunning secrets and truths behind what is happening before your eyes in america and the nations you will see things even in your world in a whole new light with such chapters as the house of spirits the avatar the masters the deep magic and the day of the goddess the return of the gods will take readers on a fascinating unforgettable and mind blowing journey that will leave them stunned and with the ability to
