my sisters have been in a magical slumber for centuries my mother the last great battle queen is dead leaving me to face the world alone i m the last of my kind a queen not entirely shifter and not entirely witch but a perfect blend of both i ve been living in hiding for over four hundred years avoiding ties with the supernatural community specifically the council and the alpha of all alphas like the plague that is until i find myself challenging for alpha of the new england pack in front of both the shifter and witch communities now i m the leader of both fuck i m the leader of both i ve put myself square in the council s sight my time in hiding forcibly over but the council is the least of my problems malick the oldest archdemon to walk the earth is still alive despite my mother s best efforts his legion growing in number by the day

i may want to keep myself and my new community away from his legion but i know that the only way we ll ever be safe is to kill him countless queens have tried all of them failing even with their alpha dragon mates and supernatural communities i m going to have to work with the alpha caleb and the council if i want to end malick and wipe out his legion for good unfortunately caleb also happens to be my mate as in soulmate together forever never to be parted partners in crime i know that he won t let me go after we ve finished wiping malick from the face of the earth but i refuse to be subject to the council s control i also need to find a way to wake my sisters because what s coming for us is far worse than malick and there are no guarantees there will be any survivors

in the first book length treatment of elizabeth von arnim s fiction isobel maddison examines her work in its historical and intellectual contexts demonstrating that von arnim s fine comic writing and complex and compelling narrative style reward close analysis organised chronologically and thematically maddison s book is informed by unpublished material from the british and huntington libraries including correspondence between von arnim her publishers and prominent contemporaries such as h g wells bertrand russell and her cousin katherine mansfield whose early modernist prose is seen as indebted to von arnim s earlier literary influence maddison s exploration of the novelist s critical reception is situated within recent discussions of the middlebrow and establishes von arnim as a serious author among her intellectual milieu countering the misinformed belief that the author of such novels as elizabeth and her german garden the caravaners the pastor s wife and vera wrote light hearted fiction removed from gritty reality on the contrary various strands of socialist thought and von arnim s wider political beliefs establish her as a significant author of british anti invasion literature while weighty social issues underpin much of her later writing
