## **Restriction of Immigration. Question 1922**

excerpt from imported americans the story of the experiences of a disguised american and his wife studying the immigration question when i was seated and had unfolded my paper the first thing that caught my eye was an article in which a noted sociologist was liberally quoted recommending the total suspension of immigration for three years and then new laws admitting only those who would come with their families and were trained in some work demanding skill the arguments were specious but as i looked over the top of the paper at the poor creatures huddled in the car seats about very thinly dressed for so cold a january day it occurred to me that the true light the revelation of the natural remedies and the only real understanding of the immigrant situation lay in seeing from the underside in getting the immigrants point of view to compare with the public spirited american one about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## **Restriction of Immigration 1922**

the question of integration has become an important concern as many societies are experiencing a growing influx of people from abroad but what does integration really mean what does it take for a person to be integrated in a society through a number of ethnographic case studies this book explores varying meanings and practices of integration in denmark this welfare society characterized by a liberal life style and strong notions of social equality is experiencing an upsurge of nationalist sentiment the authors show that integration is not just a neutral term referring to the incorporation of newcomers into society it is more fundamentally an ideologically loaded concept revolving around the redefining of notions of community and welfare in a society undergoing rapid social and economic changes in the face of globalization the ethnographic analyses are authored by anthropologists who wish to engage as scholars and citizens living and working in denmark in one of the most contentious issues of our time the danish perspectives on integration are discussed from a broader international perspective in three epilogues by non danish anthropologists

## **Immigration Made Simple 2000**

## ***Employer's Complete Guide to Immigration 1987-01-01***

do states have the right to prevent potential immigrants from crossing their borders or should people have the freedom to migrate and settle wherever they wish christopher heath wellman and phillip cole develop and defend opposing answers to this timely and important question appealing to the right to freedom of association wellman contends that legitimate states have broad discretion to exclude potential immigrants even those who desperately seek to enter against this cole argues that the commitment to the moral equality of all human beings which legitimate states can be expected to hold means national borders must be open equal respect requires equal access both to territory and membership and that the idea of open borders is less radical than it seems when we consider how many territorial and community boundaries have this open nature in addition to engaging with each other s arguments wellman and cole address a range of central questions and prominent positions on this topic the authors therefore provide a critical overview of the major contributions to the ethics of migration as well as developing original provocative positions of their own

## Questions and Answers on Immigration in Britain 2013-12-02

all over the world immigration is one of the most urgent political issues creating tensions and unrest as well as questions of justice and fairness academics as well as politicians have been relating to the question of how states should cope with immigrants but 96 of immigrants end up in cities and in europe and the usa two thirds of the immigrants settle in 7 or 8 cities indeed most of us encounter with immigrants as city zens in our everydaylife rather than as citizens of states should cities issue visas to immigrants when the state is reluctant to do so should immigrants vote in local elections before naturalization what can be learnt from cities which successfully integrate immigrants this book addresses the question of migration and integration as a question of urban policies it discusses questions which have been rarely considered in academic literature and it is based on hundreds of interviews with city dwellers around the world

## Imported Americans 2017-09-16

an analysis of the making of immigration policy during the first five years of the civil administration this book examines the various bodies and individuals who took part in the creation of immigration policy and the nature of such policy making under the rule of sir herbert samuel

## Immigration Made Simple 1992

you ve seen the headlines you ve watched the tv footage people around the world are in dire situations and on the move current estimates suggest over 100 million people are forcibly displaced from their homes and seeking refuge in other countries it seems as if everyone wants to come to the u s and if we re honest that gives many of us pause as christians we re supposed to love our neighbor as ourselves but we can t stop wondering if we showed welcome to the world would it change our culture would it make us less safe would it be a drain on our taxes and local communities whether we realize it or not our fears have trumped our faith we fear those who seek a new life in our midst so does the bible have anything to say about immigration or is it just a political issue is it a pro life issue where does this all fit in my faith and worldview you have questions you have fears but you also have compassion so let s start there let s have the conversation you ve always wanted to have about immigration let s ask hard questions and detangle from the easy talking points that still leave us curious about our calling let s attach confidence to your compassion get ready to dive into the whole of scripture to better understand what god calls us to do concerning immigrants and refugees it s a journey and i m here to take it with you in start with welcome bri stensrud reveals that something is stirring in the american church something much bigger than platforms politics and pundits something that could literally change the world it all starts with one word welcome

## The Question of Oriental Immigration 1908

this incisive book provides a succinct overview of the new academic field of citizenship and immigration as well as presenting a fresh and original argument about changing citizenship in our contemporary human rights era instead of being nationally resilient or in postnational decline citizenship in western states has continued to evolve converging on a liberal model of inclusive citizenship with diminished rights implications and increasingly universalistic identities this convergence is demonstrated through a sustained comparison of developments in north america western europe and australia topics covered in the book include recent trends in nationality laws what ethnic diversity does to the welfare state the decline of multiculturalism accompanied by the continuing rise of antidiscrimination policies and the new state campaigns to upgrade citizenship in the post 2001 period sophisticated and informative and written in a lively and accessible style this book will appeal to upper level students and scholars in sociology

political science and immigration and citizenship studies
