the g60 provides advanced communication with
an integrated fully managed ethernet switch
reducing network installation costs while
supporting industry standard communication
protocols key benefits secure high speed
protection elements for complete generator
protection compliant with ieee c37 102
gasoline engine driven 60 80 cfm 100 psig
rotary screw air compressor operator's manual
parts list p n 090071 op r0 effective date
february 2015 g60 family 60a 125v stage pin
wiring instructions use 6 type sc single
conductor cable or use 6 3 or 8 3 type w
multiconductor cable when using type sc cable
use gaffers tape to secure the three wires
together in a bundle where they pass through
the housing at the strain relief 1 jun 17 2008
does anyone know the configuration of the
three coil wires between the pos and neg
terminals on the coil there is a green a red
black and a black wire going to it where do
they go i think green is ground red is black

power and the black goes to the pos also like
