infectious disease wounded and dying soldiers and a shortage of supplies were the daily realities faced by the nuns who nursed with Florence Nightingale in the Crimean War. This study documents their involvement in the conflict and how the nuns bore witness to the effects of carnage and official indifference in many cases. Traumatized as a result, this book reflects on the initiative and courage shown by the nuns and how their actions can be viewed as part of a wider movement among women in the mid-19th century to find fulfillment and assert control in their own lives. Nightingale's nuns and the Crimean War also sheds light on how critics at the time accused many of the nuns of being secret agents of the Catholic Church who preyed on vulnerable soldier patients. There was a campaign in Parliament to regulate and control convents. Terry Tastard shows how the nuns attempted to neutralize this anti-Catholicism as well as charting the participation of Anglican nuns who had just begun an astonishing project to revive the religious life in the Church of England. Finally, the book reveals new insights into Florence Nightingale's relationships with the nuns who nursed with her in Crimea and how these experiences impacted Nightingale's own perspective.

Report 1906

when the first edition of the glory game was published in 1972 it was instantly hailed as the most insightful book about the life of a football club ever published hunter davies was and still is the only author ever to be allowed into the inner sanctum of a top level football team tottenham hotspur and his pen spared nothing and no one his accuracy is sufficiently uncanny to be embarrassing wrote bob wilson in the new statesman brilliant vicious unmerciful wrote the sun davies spent a whole season with the team training with them visiting the players homes and witnessing the dressing room confrontations in the modern era of painstaking media management and tight security no sportswriter will ever again be granted such unprecedented access while some features of the game have changed beyond all recognition notably the all consuming role that money now plays inside every club the dramas and tensions revealed by davies remain making the book a timeless classic and securing its position as one of the best books about football ever written

in december 1995 the fda approved the release of protease inhibitors the first effective treatment for aids for countless people the drug offered a reprieve from what had been a death sentence for others it was too late in the united states alone over 318 000 people had already died from aids related complications among them the singer michael callen and the poet essex hemphill meticulously researched and evocatively told hold tight gently is the celebrated historian martin duberman s poignant memorial to those lost to aids and to two of the great unsung heroes of the early years of the epidemic callen a white gay midwesterner who had moved to new york became a leading figure in the movement to increase awareness of aids in the face of willful and homophobic denial under the reagan administration hemphill an african american gay man contributed to the black gay and lesbian scene in washington d c with poetry of searing intensity and introspection a profound exploration of the intersection of race sexuality class identity and the politics of aids activism beyond act up hold tight gently captures both a generation struggling to cope with the deadly disease and the extraordinary refusal of two men to give in to despair

Annual Report of the Board of Education 1906

women politics and literary production in early modern england considers the roles women played as literary patrons dedicatees readers and writers in the late sixteenth and early seventeenth centuries and the intimate relationship between these literary activities and what has often been called politically active humanism focusing on the interrelated communities centered on mary sidney herbert countess of pembroke lady margaret hoby lucy harrington russell the countess of bedford and lady mary wroth mediatrix argues that women played integral roles not only in the production of some of the most renowned literary texts in the period including philip sidney s arcadia john donne s poetry and mary wroth s urania but also in wider networks of intellectual religious and political activism each of the communities discussed was concerned with the cause loosely identified as international or militant protestantism and frequently mediated through the circulation of texts of all kinds illuminating women s constitutive involvement in everything from the genres of the texts produced romances verse letters texts of religious controversy to the places in which those texts were produced and circulated the estates of wilton penshurst hackness twickenham and loughton and the conditions and hermeneutics by which they were read mediatrix offers an account of early modern english literary production with women at the center and

political activism as one of its primary rather than merely topical concerns
