Queens of the Renaissance 2011 the savage and modern self examines the representations of north american indians in novels poetry plays and material culture from eighteenth century britain author robbie richardson argues that depictions of indians in british literature were used to critique and articulate evolving ideas about consumerism colonialism britishness and ultimately the modern self over the course of the century considering the ways in which british writers represented contact between britons and indians both at home and abroad the author shows how these sites of contact moved from a self affirmation of british authority earlier in the century to a mutual corruption to a desire to appropriate perceived traits of indianess looking at texts exclusively produced in britain the savage and modern self reveals that the modern finds definition through imagined scenes of cultural contact by the end of the century richardson concludes

the hybrid indian briton emerging in literature and visual culture exemplifies a form of modern british masculinity

Macroeconomics 2005-01-11 long before the boston tea party where colonists staged a revolutionary act by masquerading as indians people looked to native americans for the symbols imagery and acts that showed what it meant to be american and for just as long observers have largely overlooked the role that native peoples themselves played in creating and enacting the indian performances appropriated by european americans it is precisely this neglected notion of native americans playing indian that native acts explores these essays by historians literary critics anthropologists and folklorists provide the first broadly based chronicle of the performance of indianness by natives in north america from the seventeenth through the early nineteenth century the authors careful and imaginative analysis of historical documents and performative traditions reveals an intricate history of intercultural exchange in sum native acts challenges any simple understanding of cultural authenticity even as it celebrates the dynamic role of performance in the american indian pursuit of self determination in this collection indian peoples emerge as active vocal embodied participants in cultural encounters whose performance powerfully shaped the course of early american history

Resources for Nursing Research 2015 once feared and misunderstood even among the medical community epilepsy has since largely been demystified besides the characteristic seizures various cognitive behavioral and emotional difficulties are recognized as associated with the condition and patients are finding relief in medical management and or surgical intervention not surprisingly neuropsychology has emerged as a major component in treatment planning program development and assessment of surgical candidates geared toward beginning as well as veteran clinicians the handbook on the neuropsychology of epilepsy offers readers a skills based framework for assessment and treatment using current evidence and standardized terminology expert coverage reviews widely used methods for evaluating key aspects of patient functioning mri meg electrocortical mapping the wada test and presents guidelines for psychotherapeutic and cognitive remediation strategies in treating comorbid psychiatric conditions given the diversity of the patient population additional chapters spotlight issues specific to subgroups including high and low functioning as well as geriatric and pediatric patients this integrative hands on approach benefits a range of practitioners across medical and neurological settings topics featured in the handbook neuropsychological assessment across the lifespan evaluating the epilepsy surgical candidate methods and procedures the wada test current perspectives and applications assessing psychiatric and personality disorders in the epilepsy patient evaluation and management of psychogenic non epileptic attacks neuropsychological assessment with culturally diverse patients practical and flexible in its coverage the handbook on the neuropsychology of epilepsy serves not only neuropsychologists and neurologists but also primary care physicians such as internists family physicians and pediatricians

Access to History: War and Peace : International Relations 1890-1945 Fourth Edition 2015-07 the new editions of access to history combine all the strengths of this well loved series with features that allow all students access to the content and study skills needed to achieve exam success this title starts by examining the crucial events of 1944 7 which led to the break down of the second world war alliance between the big three and the onset of the cold war it shows how the cold war shaped post war europe through the creation of two great military and economic blocs key events such as the berlin bockade of 1948 9 the hungarian revolt of 1956 the second berlin crisis of 1958

61 and collapse of communism from 1989 91 in this new edition additional material on détente has been added throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips for each examination board provide the opportunity to develop exam skills

Access to History 1884 reprint of the original first published in 1875

British Museum Catalogue of printed Books 2018-01-01 this book explains how to comply with the federal and states securities regulations when seeking to raise money from private investors for the development production and or distribution of a feature or documentary film drawing from the experience and expertise of a securities and entertainment attorney who has worked with independent filmmakers for 30 plus years this resource explores securities law compliance in order to help readers comply with the law and avoid criminal and civil liability while successfully raising investor funds for their film projects readers will gain an understanding of why the securities laws apply to most investor financing transactions what choices need to be made by the filmmaker what information needs to be disclosed to prospective investors how to comply with the sec s policy regarding financial projections what is the appropriate investment vehicle for various forms of investor financing what limitations are imposed on the use of finders and how to handle the required federal and state notice filings it is an essential resource for any film student taking a film finance course or a production course with a film finance component as well as any independent film producers entertainment securities attorneys and film school instructors who want to be informed about the legal and practical aspects of investor financing of independent films

The Savage and Modern Self 2004 this little book is in no sense intended to be of use to insurance experts it is written by an outsider mainly for the ignorant for the multitude who either wish to insure their lives or to whom the insurance agent is for ever coming with his proposals his promises and blandishments my doctrine is that every man ought to insure his life the moment he arrives at a period or position when his responsibility extends over the lives of others if this duty were regarded as an imperative one by the community at large there would be little or no necessity for the elaborate machinery required by our life offices to induce people to invest in life or other insurance policies but as long as apathy prevails such agencies must be maintained and a ceaseless activity displayed by the offices in tempting investors to enter into policy contracts
