Legends & Lore Along California's Highway 395 2022-01-24

stretching from victorville to carson city highway 395 offers a snapshot of california s diverse landscapes and oddities tales of skinwalkers and sasquatch sightings flourish among the bones of ghost towns and stories of the elusive lone pine mountain devil ignite the curiosity far from fiction the sierra phantom lived among the hills for fifty years and mountaineer norman clyde used his skills to find lost hikers and climbers rumors of the lost cement mine with a rich vein of gold lures people in and the tuttle creek ashram built high above lone pine offers peace author brian clune explores the strange and fascinating side of the majestic mountains and lonely deserts along the el camino sierra

Soul Federation 2010-04-30

the basic topic of this book is to advocate the establishment of a world federation and world government and to consider the philosophy on how we can be happy as for the establishment of a world federation and world government the benefits of a world federation and world government are introduced as for the philosophy on how we can be happy some religious thoughts are introduced for example an idea which improves einsteins theory of relativity is introduced the basic philosophy is that we must do good if we want to be happy our mission from god is to make a world where all people can live happily these thoughts lead to the establishment of world federation and world government

The Legends of Camber of Culdi Trilogy 2016-10-25

three fantasy novels of intrigue betrayal and magic in medieval gwynedd by the new york times bestselling author of the deryni series bonus story also included camber of culdi long before camber was revered as a saint he was a deryni noble one of the most respected of the magical race whose arcane skills set them apart from ordinary humans in the kingdom of gwynedd now the land suffers under the tyranny of king imre whose savage oppression of the human population weighs heavily on camber s heart a heart that is about to be shattered by a tragic loss that will lead him to confront the usurpers whose dark magic haunts the realm saint camber the yoke of tyranny has finally been lifted in gwynedd but camber s job remains unfinished the dangerous remnants of a conquered enemy still mass at the borders and the new ruler is desperately unhappy wearing the crown with the stability of a fragile kingdom at stake its greatest champion must make the ultimate sacrifice camber of culdi must cease to exist camber the heretic the king s heir is a mere boy of twelve and the malevolent regents who will rule until young alroy comes of age are determined to eliminate all deryni suddenly the future of gwynedd hangs in the balance and camber once adored as a saint but now reviled as a heretic must find a way to protect his people before everything and everyone he loves is destroyed in the all consuming flames of intolerance and hate filled with mysticism and magic these sagas reminds us that kurtz s love of history lets her do things with her characters and their world that no non historian could hope to do chicago sun times

Legends In Their Time 2006-02-03

a remarkable cast of past and present young canadians stride across the pages of legends in their time each having a significant role to play in canadian history beginning in the 1500s and moving on into the 20th century each chapter contributes insights into the evolution of canada as a nation author george sherwood s thorough research and his scene setting bring to life the heroic accomplishments and tragic exploits that make canada s story a fascinating and entertaining account included are explorer etienne brule osborne anderson survivor of harper s ferry inventor armand bombardier human rights

activist toy jin jean wong and the heroic terry fox to name but a few of the extraordinary lives that are chronicled complementing the text are historic photographs and original artwork by award winning artist stewart sherwood for those who think canada lacks heroes or canada does not honour its heroes legends in their time is the book for you extensively researched and written in an engaging style it recognizes that heroes and heroines come in many forms as shown in the richness of our history john myers teacher educator oise ut

Tales of Fictional Legends 2023-12-25

this big book of fictional mythological stories is a collection of some of the most fascinating and engrossing mythological tales from around the world compiled from different cultures and traditions these stories offer a unique insight into the diverse range of human beliefs and experiences from the ancient greek and roman pantheons to the norse and egyptian gods from the hindu epics to the folklore of the native american tribes this book offers a rich tapestry of myths and legends that span across time and geography the stories in this book are not mere retellings of the old myths they are fresh and original interpretations that explore the timeless themes and motifs of the mythological genre the author of these stories have taken the familiar characters and events from the myths and breathed new life into them creating narratives that are both faithful to the sources and imaginative in their retelling in this book you will find stories that range from the familiar to the obscure from the tragic to the humorous from the epic to the intimate you will encounter characters like zeus odin vishnu and quetzalcoatl as well as lesser known deities and heroes from different cultures you will witness battles between gods and demons quests for immortality and journeys through the underworld you will also find stories of love betrayal revenge and redemption all told with the richness and depth of mythological storytelling one of the goals of this book is to highlight the universality of mythological storytelling despite the differences in culture and language the themes and motifs of myths and legends are often strikingly similar from the hero s journey to the creation myth from the flood story to the trickster tale these stories reflect the common concerns and aspirations of humanity they remind us that no matter where we come from we share a common heritage of storytelling that has been passed down from generation to generation another aim of this book is to showcase the versatility and adaptability of mythological storytelling the authors of these stories have taken the old myths and infused them with new perspectives voices and themes making them relevant and accessible to contemporary readers he has used the timeless language and imagery of myth to explore modern concerns and issues such as identity gender race and politics he has also challenged the traditional narrative structures and conventions of myth creating stories that are innovative and surprising

Eastern Europe [3 volumes] 2004-12-22

a contemporary analysis of the people cultures and society within the regions that make up eastern europe eastern europe an introduction to the people lands and culture sheds light on modern day life in the 16 nations comprising eastern europe going beyond the history and politics already well documented in other works this unique three volume series explores the social and cultural aspects of a region often ignored in books and curricula on western civilization the volumes are organized by geographic proximity and commonality in historical development allowing the countries to be both studied individually and juxtaposed against others in the region the first volume covers the northern tier of states the second looks at lands that were once part of the hapsburg empire and the third examines the balkan states each chapter profiles a single country its geography history political development economy and culture and gives readers a glimpse of the challenges that lie ahead vignettes on various topics of interest illuminate the unique character of each country

Cycles of Conquest 1962

examines the effects of european expansion on the language social structure economy religion and self image of navajo yaqui papago and other native american communities

Hemispheric Imaginations 2016-12-06

what image of latin america have north american fiction writers created found or echoed and how has the prevailing discourse about the region shaped their work how have their writings contributed to the discursive construction of our southern neighbors and how has the literature undermined this construction and added layers of complexity that subvert any approach based on stereotypes combining american studies canadian studies latin american studies and cultural theory breinig relies on long scholarly experience to answer these and other questions hemispheric imaginations an ambitious interdisciplinary study of literary representations of latin america as encounters with the other is among the most extensive such studies to date it will appeal to a broad range of scholars of american studies

Legends of Surfing 2009

while vampire stories have been part of popular culture since the beginning of the nineteenth century it has been in recent decades that they have become a central part of american culture vampire legends in contemporary american culture looks at how vampire stories from bram stoker s dracula to blacula from bela lugosi s films to love at first bite have become part of our ongoing debate about what it means to be human william patrick day looks at how writers and filmmakers as diverse as anne rice and andy warhol present the vampire as an archetype of human identity as well as how many post modern vampire stories reflect our fear and attraction to stories of addiction and violence he argues that contemporary stories use the character of dracula to explore modern values and that stories of vampire slayers such as the popular television series buffy the vampire slayer integrate current feminist ideas and the image of the vietnam veteran into a new heroic version of the vampire story
