Crises of the Republic 1972 in this stimulating collection of studies dr arendt from the standpoint of a political philosopher views the crises of the 1960s and early 70s as challenges to the american form of government the book begins with lying in politics a penetrating analysis of the pentagon papers that deals with the role of image making and public relations in politics civil disobedience examines the various opposition movements from the freedom riders to the war resisters and the segregationists thoughts on politics and revolution cast in the form of an interview contains a commentary to the author s theses in on violence through the connected essays dr arendt examines defines and clarifies the concerns of the american citizen of the time from publisher description

Crises of the Republic 1972 this handbook brings together past and current research on all aspects of lying and deception from the combined perspectives of linguistics philosophy and psychology it will be an essential reference for students and researchers in these fields and will contribute to establishing the vibrant new field of interdisciplinary lying research

The Oxford Handbook of Lying 2019 philosophers have been thinking about lying for several thousand years yet this topic has only recently become a central area of academic interest for philosophers of language epistemologists ethicists and political philosophers lying language knowledge ethics politics provides the first dedicated collection of philosophical essays on the

emerging topic of lying adopting an inter disciplinary approach this volume breaks new methodological ground in exploring the ways that a better understanding of language can inform the study of knowledge ethics or politics and vice versa how can we lie when it is unclear what exactly we believe or when we have contradictory beliefs can corporations lie and if so how is lying always wrong or always at least prima facie wrong what can one learn from a liar can we lie to mindless machines these engaging questions and many more are explored at length in this accessible reference text

Lying 2018-10-18 from lying to friends to lies in politics a wide ranging examination of the forms and ethics of falsehood from popular philosopher lars svendsen this book is a comprehensive investigation of lying in everyday life what exactly is a lie svendsen asks and how does lying differ from related phenomena such as bullshit or being truthful svendsen also investigates the ethics of lying why is lying almost always morally wrong and why is lying to one s friends especially bad the book concludes by looking at lying in politics from plato s theory of the noble lie to the big lie of donald trump as phrases like fake news and alternative facts permeate our feeds svendsen s conclusion is perhaps a surprising one that even though we all occasionally lie we are for the most part trustworthy trusting others makes one vulnerable and we will all be duped from time to time but all things considered svendsen contends truthfulness and vulnerability are

preferable to living in a constant state of distrust

A Philosophy of Lying 2022-05-23 assesses the impact of governmental and presidential lies on american culture revealing how such lies become ever more complex and how such deception creates problems far more serious than those lied about in the beginning

When Presidents Lie 2005-10 how government deception official secrecy and misuse of power have eroded americans confidence in their government

Socrates' Just Lie 2003 lying in early modern english culture is a major study of ideas of truth and falsehood in early modern england from the advent of the reformation to the aftermath of the failed gunpowder plot the period is characterised by panic and chaos when few had any idea how religious cultural and social life would develop after the traumatic division of christendom while many saw the need for a secular power to define the truth others declared that their allegiances belonged elsewhere accordingly there was a constant battle between competing authorities for the right to declare what was the truth and so label opponents as liars issues of truth and lying were therefore a constant feature of everyday life and determined ideas of individual identity politics speech sex marriage and social behaviour as well as philosophy and religion this book is a cultural history of truth and lying from the 1530s to the 1610s showing how lying needs to be understood in action as well as in theory unlike most histories of lying it concentrates on a series of particular

events reading them in terms of academic theories and more popular notions of lying the book covers a wide range of material such as the trials of ann boley and thomas more the divorce of frances howard and the murder of anthony james by annis and george dell works of literature such as othello the faerie queene a mirror for magistrates and the unfortunate traveller works of popular culture such as the herring pamphlet of 1597 and major writings by castiglione montaigne erasmus luther and tyndale

The Politics of Lying: Government Deception, Secrecy, and Power 1973 wherever there is life there are lies slick suited politicians lie on the podium ready to tell voters what they want to hear cheating lovers swindling businessmen double crossing villains all liars but nature lies too the cheetah crouching in the tall grass waiting to pounce its spots and straw coloured fur blending in with its surroundings the chameleon with its adaptable skin the octopus hiding in its cave juan jacinto muñoz rengel uncovers the slippery history of lies some dark and elusive others thunderous and dazzling from primeval forests to modern politics he explores the uncomfortable truths of our white lies fudged facts and blatant deceptions for centuries philosophers writers and poets have grappled with the paradox of what s fact and what s fiction so who can we really believe our friends our partners our leaders can we even trust ourselves truly this is the only book in which the abundance of lies on its pages is a sign of success or maybe it isn t who can

really tell

The Republic of Plato 1891 this book develops a sociological account of lie detection practices and uses this to think about lying more generally bringing together insights from sociology social history socio legal studies and science and technology studies sts it explores how torture and technology have been used to try to discern the truth it examines a variety of socio legal practices including trial by ordeal in europe the american criminal jury trial police interrogations using the polygraph machine and the post conviction management of sex offenders in the usa and the uk moving across these different contexts it articulates how uncertainties in the use of lie detection technologies are managed and the complex roles they play in legal spaces alongside this story the book surveys some of the different ways in which lying is understood in philosophy law and social order lie detection and the law will be of interest to sts researchers socio legal scholars criminologists and sociologists as well as others working at the intersections of law and science

Lying in Early Modern English Culture 2017-09-07 post truth fake news when did it all really start being economical with the truth has become almost a jokey euphemism for the political lie a cosy insider s phrase for the disingenuousness that is now accepted as part and parcel of political life but as we face the third term of a government that has elevated this kind of economics almost to an art form is it now time to question the creeping invasion of falsehood what does the rise of

the political lie say about our society at what point if we have not reached it already will we cease to believe a word politicians say tracing the history of political falsehood back to its earliest days but focusing specifically on the exponential rise of the phenomenon during the major and blair governments peter oborne demonstrates that the truth has become an increasingly slippery concept in recent years from woolly pronouncements that are designed merely to obfuscate to outright and blatant lies whose intention is to deceive the political lie is never far from the surface and its prevalence has led to a catastrophic decline in trust at a time when people are more politicised than ever rigorous riveting and profoundly shocking this is a devastating book about one of the single biggest issues facing us today

A History of Lying 2022-08-31 lying appears to be ubiquitous what franz kafka called a universal principle yet despite a number of recent books on the subject it has been given comparatively little genuinely systematic attention by philosophers social scientists or even literary theorists in the habit of lying john vignaux smyth examines three forms of falsification lying concealment and fiction and makes a strong critique of traditional approaches to each of them and above all to the relations among them with recourse to rene girard paul de man theodor adorno leo strauss and other theoreticians not usually considered together smyth arrives at some surprising conclusions about the connections between lying mimesis sacrifice sadomasochism and the sacred among other

central subjects arguing that the relation between lying and truth-telling has been characterized in the west by sharply sacrificial features he begins with a critique of the philosophies of lying espoused by Kant and Sissela Bok then concludes that the problem of truth and lies leads to the further problem of the relation between law and arbitrariness as well as to the relation between rationality and unanimity constructively criticizing the work of such philosophers as Bertrand Russell Ludwig Wittgenstein Richard Rorty and Nelson Goodman Smyth shows how these problems occur comparably in fiction theory and how Paul de Man's definition of fiction as arbitrariness finds confirmation in analytic philosophy through the novels of Defoe Stendhal and Beckett with topics ranging from Defoe's treatment of lies fiction and obscenity to Beckett's treatment of the anus and the sacred Smyth demonstrates how these texts generalize the issues of mendacity concealment and sacrificial arbitrariness in Girard's sense to almost every aspect of experience fiction theory and cultural life the final section of the book taking its cue from Shakespeare elaborates a sacrificial view of the history of fashion and dress concealment

Lie Detection and the Law 2018-05-23 this definitive history of presidential lying reveals how our standards for truthfulness have eroded and why Trump's lies are especially dangerous if there's one thing we know about Donald Trump it's that he lies but he's by no means the first president to do so in lying in state Eric Alterman asks how we ended up with such a pathologically dishonest

commander in chief showing that from early on the united states has persistently expanded its power and hegemony on the basis of presidential lies he also reveals the cumulative effect of this deception each lie a president tells makes it more acceptable for subsequent presidents to lie and the media s complicity in spreading misinformation donald trump then represents not an aberration but the culmination of an age old trend full of vivid historical examples and trenchant analysis lying in state is essential reading for anyone seeking to understand how we arrived in this age of alternative facts

The Rise of Political Lying 2014-11-06 a suggestive study of an elemental aspect of fiction

The Habit of Lying 2002-03-18 in this volume fatah black untangles the ways in which metropolitan authorities were defied and evaded in the process of making suriname a productive plantation colony between 1650 and 1800

Lying in State 2020-08-11 part coming of age story part psychological thriller part philosophical investigation this unforgettable memoir traces the ramifications of a series of lies that threaten to derail the author s life exploring the line between truth and deception fact and fiction and reality and conspiracy sarah s story begins as she s researching what she believes will be a book about her high school philosophy teacher a charismatic instructor who taught her and her classmates to question everything in the end even the reality of historical atrocities as she digs into the effects

of his teachings her life takes a turn into the fantastical when her wife marta is notified that she has been investigated for sexual misconduct at the university where they both teach based in part on a viral new york times essay to name the bigger lie follows the investigation as it upends sarah's understanding of truth she knows the claims made against marta must be lies and as she uncovers the identity of the person behind them and then tries with increasing desperation to prove their innocence she is drawn back into the questions that her teacher inspired all those years ago about the nature of truth the value of skepticism and the stakes we all have in getting the story right a compelling incisive journey into honesty and betrayal this memoir explores the powerful pull of dangerous conspiracy theories and the pliability of personal narratives in a world dominated by hoaxes and fakes to name the bigger lie reads like the best of psychological thrillers made all the more riveting because it's true

Lying and Poetry from Homer to Pindar 1993 do the nation's highest officers including the president have a right to lie protected by the first amendment if not what can be done to protect the nation under this threat this book explores the various options

White Lies and Black Markets 2015-04-21 a kirkus selection for best teen ya nonfiction 2022 named one of kirkus best books of the year 2022 pw holiday gift guide 2022 in his new book for young readers mark kurlansky's lens is the art of the big lie a term coined by adolf hitler

kurlansky has written big lies from socrates to social media for the next stewards of our world it is not only a history of but a how to manual for seeing through big lies and thinking critically big lies are told by governments politicians and corporations to avoid responsibility cast blame on the innocent win elections disguise intent create chaos and gain power and wealth big lies are as old as civilization they corrupt public understanding and discourse turn science upside down and reinvent history they prevent humanity from addressing critical challenges they perpetuate injustices they destabilize the world the modern age has provided ever more effective ways of spreading lies but it has also given us the scientific method which is the most effective tool for finding what is true in the book s final chapter kurlansky reveals ways to deconstruct an allegation a scientific theory has to be testable and so does an allegation big lies soars across history alighting on the noble lies of socrates and plato nero blaming christians for the burning of rome the great injustices of the middle ages the big lies of stalin and hitler and their terrible consequences the reckless lies of contemporary demagogues which are amplified through social media lies against women and jews are two examples in the long history of othering the vulnerable for personal gain up to the equal opportunity spotlight in america belief is a choice kurlansky writes and honesty begins in each of us a lack of caring what is true or false is the undoing of democracy the alternative to truth is a corrupt state in which the loudest voices and most seductive lies confer

power and wealth on grifters and oligarchs we cannot achieve a healthy planet for all the world's people if we do not keep asking what is true

To Name the Bigger Lie 2023-06-13 pawns are meant to be sacrificed after his victory on new aragon duke aaron sandoval has the embattled republic in his debt but sandoval's hidden agenda has more to do with his own power than any loyalty to the republic of the sphere and he'll spare no expense to achieve his ultimate goal when the duke becomes the target of an assassination attempt he realizes his efforts to build a coalition against the invading house liao are failing many planetary governors prefer capitulation to war what he needs is a new ship and a new approach to launch his campaign sandoval sends his nephew erik fresh from the front lines of the campaign against the encroaching capellan confederation to shensi his job is to convince the governor to join his uncle's alliance instead of making peace with liao although erik is honored to be the duke's strong right hand he's convinced that aaron's arrogance is getting the better of him but what erik doesn't yet realize is that his own uncle will sacrifice anyone to achieve his dreams of glory even a member of his own family

A Right to Lie? 2021-11-30 after his victory at new aragon duke aaron sandoval has the embattled republic in his debt but sandoval's hidden agenda has more to do with his own power than any loyalty he ever had to the republic of the sphere he'll spare no expense to achieve his ultimate

goal when the duke becomes the target of an assassination attempt he realizes that his attempts to build a coalition against the invading house liao are failing many planetary governors prefer capitulation to war what he needs is a new ship and a new approach to launch his new campaign sandoval sends his nephew erik fresh from the frontlines to shensi his job is to convince the governor to join his uncle s alliance instead of making peace with liao although erik is honored to be the duke s strong right hand he s convinced that his uncle s arrogance is getting the better of him but what erik doesn t yet realize is that his uncle will sacrifice anyone to achieve his dreams of glory

BIG LIES: from Socrates to Social Media 2022-09-27 graeco roman literary works historiography and even the reporting of rumours were couched as if they came in response to an insatiable desire by ordinary citizens to know everything about the lives of their leaders and to hold them to account at some level for their abuse of constitutional powers for personal ends ancient writers were equally fascinated with how these same individuals used deceit as a powerful tool to disguise private and public reality the chapters in this collection examine the themes of despotism and deceit from both historical and literary perspectives over a range of historical periods including classical athens the hellenistic kingdoms late republican and early imperial rome late antiquity and byzantium

BattleTech Legends: Fortress of Lies 2021-06-29 defends augustine and aquinas controversial absolute view of lying it is always wrong even when for a good cause

Mechwarrior:Dark Age #8:Fortress of Lies (A Battletech Novel) 2004-02-03 the narrative of facts probably best exemplified in the literature of exploration was an immensely popular genre in mid nineteenth century america in white lies john samson offers full contextual readings of melville s five major narratives of facts typee omoo redburn white jacket and israel potter samson demonstrates that in these novels melville critically rewrote the sources on which he drew in effect making the genre itself a subject of his writing in his introduction samson discusses melville s knowledge of the genre and its ideology he then reads each novel in terms of melville s confrontation with its sources in each samson says an unreliable narrator represents particular ideological tendencies in melville s sources melville heightens and extends these tendencies exposes the contradictions and biases within them and ends by showing the narrator evading or denying experiences that conflict with his ideology according to samson melville sees the concept of historical progress as the basis of these biases and evasions in these five novels melville reveals the conflict between democratic humanitarian and individualistic principles on the one hand and the forces of racial superiority religious bigotry economic determinism and political conservatism on the other taken together samson asserts these novels deconstruct the intellectual foundations of

the form of historical narration endorsed by white patriarchal culture scholars and students of nineteenth century american literature specialists in the novel and other readers of melville will welcome samson s provocative reinterpretation of these key works in american culture

Private and Public Lies 2010 the greatest threat to modern democracy comes from within and it has a name resentment stemming from feelings of inferiority in relation to others resentment is a diffuse and obsessive loathing coupled with delusions of victimhood which clouds one s judgment and perspective so that an individual s capacity to act and heal is paralyzed without the ability to heal resentment can give rise to violent impulses to the rejection of the rule of law the proliferation of conspiracy theories and the urge to use violent means to try to regain control of one s life as individuals and as societies we face the same challenge how to diagnose resentment and its dark forces and how to resist the temptation to allow it to become the motor of our individual and collective histories this bestselling and highly original account of the psychic forces shaping modern societies will be of great interest to anyone concerned about the crisis of democracy today and what we can do to address it

Lying and Christian Ethics 2014-04-28 while lying has been a topic in the philosophy of language there has been a lack of genuine linguistic analysis of lying exploring lying at the semantics pragmatics interface this book takes a contextualist stand by arguing that untruthful implicatures

and presuppositions are part of the total signification of the act of lying

The Conventional Lies of Our Civilization 1887 the pledge of allegiance was the origin of the nazi salute and nazi behavior swastikas were s letters for socialist under the nazis the national socialist german workers party the pledge remains the first bullying that begins each day in government schools socialist schools in police state usa the astonishing discoveries of the historian dr rex curry are reviewed by author ian tinny who then asks the question that must be asked what do americans know about the pledge and if not why don t they know when did they first not know why don t they ask to have the pledge explained to them do they know that they don t understand it americans say repeatedly the pledge is freedom the presstitutes say nothing in response is it because there s a socialist bias in the media i think so and i think their attitude is americans don t know leave those pathetic voters alone they don t know join the pointer instutute and the dead writers club and help provide remedial education stop teachers from drilling children to verbally fellate the flag every morning stop the daily witch hunt stop the lies and the lying liars who tell them remove the pledge from the flag remove flags from schools remove schools from government

White Lies 2020-06-30 unearth the mysteries of those who lie beneath the oldest graveyards in the lone star state texas the second largest state both in land mass and population has more than 50

000 cemeteries graveyards and burial grounds as the final resting places of those whose earthly journey has ended they are also repositories of valuable cultural history the pioneer cemeteries those from the 19th century provide a wealth of information on the people who settled texas during its years as a republic 1836 1845 and after it became the 28th state in 1845 in what lies beneath texas pioneer cemeteries and graveyards author cynthia leal massey exhumes the stories of these pioneers revealing the intriguing truth behind the earliest graveyards in the lone star state including some of its most ancient this guide also provides descriptions of headstone features and symbols and demystifies the burial traditions of early texas pioneers and settlers

Here Lies Bitterness 2022-11-11 this is the most comprehensive and up to date investigation of moral and conceptual questions about lying and deception carson argues that there is a moral presumption against lying and deception that causes harm he examines case studies from business politics and history and he offers a qualified defence of the view that honesty is a virtue

Primary Geography 1870 as leia must deal with a new threat to the fragile alliance that binds the new republic lando becomes a prisoner aboard a runaway spacecraft of unknown origin the ship is following an unstoppable path to its homeworld destroyed by imperial forces luke continues his quest to learn more about his mother among the fallanassi where his every belief about the use of the force is about to be challenged and while leia ponders a diplomatic solution to the aggression of

the fierce yevetha race han pilots a spy ship into the heart of yevethan space and finds himself a hostage on one of the vast fleet of warships under the command of a ruthless leader features a bonus section following the novel that includes a primer on the star wars expanded universe and over half a dozen excerpts from some of the most popular star wars books of the last thirty years

Lying at the Semantics-Pragmatics Interface 2014-07-28 going all the way back to the time of george washington much of what we see and hear in the political world consists of lies and deceptions despite assurances to the contrary politics is not about truth justice and principle it is about money power and status as astute political commentator ben ginsberg convincingly demonstrates politicians habitually lie pretending to fight for principles in order to conceal their true selfish motives citizens who need the frequent injunctions to participate in politics and abjure political cynicism are likely to be duped into contributing their tax dollars and even their lives for dubious purposes most individuals gain little from political participation participants are the foot soldiers of political warfare but even if their side is victorious they receive few of the spoils of war thus in this new political season ginsberg encourages citizens to think outside the ballot box finding new ways to act on behalf of their interests and the public good but if they do vote their motto should be when in doubt vote them out the elections of 2008 are a good time to begin

LIES and the LYING LIARS who tell them 2015-07-30 thought about lying and perjury became

increasingly practical from the end of the twelfth century in western europe at this time a distinctive way of thinking about deception and false oaths appeared in the schools of paris and bologna most notably in the summa de sacramentis et animae consiliis of peter the chanter this kind of thought was concerned with moral dilemmas and the application of moral rules in exceptional cases it was a tradition which continued in pastoral writings of the thirteenth century the practical moral questions addressed by theologians in universities in the second half of the thirteenth century and in the summae de casibus conscientiae of the late middle ages lying and perjury in medieval practical thought argues that medieval practical ethics of this sort can usefully be described as casuistry a term for the discipline of moral theology that became famous during the counter reformation this can be seen in the origins of the concept of equivocation an idea that was explored in medieval literature with varying degrees of moral ambiguity from the turn of the thirteenth century the concept was adopted by canon lawyers and theologians as a means of exploring questions about exceptional situations in ethics it has been assumed in the past that equivocation and the casuistry of lying was an academic discourse invented in the sixteenth century in order to evade moral obligations this study reveals that casuistry in the middle ages was developed in ecclesiastical thought as part of an effort to explain how to follow moral rules in ambiguous and perplexing cases

What Lies Beneath 2021-08-01 the lie of the land is a highly engaging study of ireland s fractured and shifting identities by one of its most talented writers from its sometimes confused sense of place caught somewhere between europe and america ireland has redefined itself in the 1990s fintan o toole highlights the contradictions and the mythologies at work in ireland s ever changing idea of itself

Lying and Deception 2010-04-29 boasting equal parts scholarship and style all governments lie is a highly readable groundbreaking and timely look at i f stone one of america s most independent and revered journalists whose work carries the same immediacy it did almost a half century ago highlighting the ever present need for dissenting voices in the world of washington political journalism notorious for trading independence for access i f izzy stone was so unique as to be a genuine wonder always skeptical all governments lie but disaster lies in wait for countries whose officials smoke the same hashish they give out he memorably quipped stone was ahead of the pack on the most pivotal twentieth century trends the rise of hitler and fascism disastrous cold war foreign policies covert actions of the fbi and cia the greatness of the civil rights movement the horror of vietnam the strengths and weaknesses of the antiwar movement the disgrace of iran contra and the class greed of reaganomics his constant barrage against j edgar hoover earned him close monitoring by the fbi from the great depression through the vietnam war and even an

investigation for espionage during the fifties after making his mark on feisty new york dailies and in the nation scoring such scoops as the discovery of american cartels doing business with nazi germany stone became unemployable during the dark days of mccarthyism out of desperation he started his four page i f stone s weekly which ran from 1953 to 1971 the first journalist to label the gulf of tonkin affair a sham excuse to escalate the vietnam war stone garnered worldwide fans was read in the corridors of power and became wealthy later the world s oldest living freshman learned greek to write his bestseller the trial of socrates here for the first time acclaimed journalist and author myra macpherson brings the legendary stone into sharp focus rooted in fifteen years of research this monumental biography includes information from newly declassified international documents and stone s unpublished five thousand page fbi file as well as personal interviews with stone and his wife esther with famed modern thinkers and with the best of today s journalists it illuminates the vast sweep of turbulent twentieth century history as well as stone s complex and colorful life the result is more than a masterful portrait of a remarkable character it s a far reaching assessment of journalism and its role in our culture

Shield of Lies: Star Wars Legends (The Black Fleet Crisis) 2011-06-28 of course everything d souza says here is accurate but it s not going to sit well with people on the american left who of course are portraying themselves as the exact opposite of all of this rush limbaugh the explosive new

book from dinesh d souza author of the 1 new york times bestsellers hillary s america america and obama s america what is the big lie of the democratic party that conservatives and president donald trump in particular are fascists nazis even in a typical comment msnbc host rachel maddow says the trump era is reminiscent of what it was like when hitler first became chancellor but in fact this audacious lie is a complete inversion of the truth yes there is a fascist threat in america but that threat is from the left and the democratic party the democratic left has an ideology virtually identical with fascism and routinely borrows tactics of intimidation and political terror from the nazi brownshirts to cover up their insidious fascist agenda democrats loudly accuse president trump and other republicans of being nazis an obvious lie considering the gop has been fighting the democrats over slavery genocide racism and fascism from the beginning now finally dinesh d souza explodes the left s big lie he expertly exonerates president trump and his supporters then uncovers the democratic left s long cozy relationship with nazism how the racist and genocidal acts of early democrats inspired adolf hitler s campaign of death how fascist philosophers influenced the great 20th century lions of the american left and how today s anti free speech anti capitalist anti religious liberty pro violence democratic party is a frightening simulacrum of the nazi party hitler coined the term the big lie to describe a lie that the great masses of the people will fall for precisely because of how bold and monstrous the lie is in the big lie d souza shows that

the democratic left s orchestrated campaign to paint president trump and conservatives as nazis to cover up its own fascism is in fact the biggest lie of all

The American Lie 2007 for the presentation of some of these essays no explanation need be tendered but others are introduced the themes of which have become trite even to persons of no extraordinary erudition perhaps therefore indulgence should be asked for an apparently reckless augmentation of the mass of polemics already superfluous and tiresome nevertheless such an apology shall not be made the fact that the indicated errors are constantly being advanced despite the multifarious refutations which are at the command of the sincere investigator the fact that these errors too often meet with silence on the part of those whose highest interests demand their exposition iv these strange and saddening considerations justify our action and preclude any fear of its being ascribed to a cacoethes scribendi some lies and errors of history is a collection of essays on historical persons and events aimed at debunking some of the lies commonly held as truth but which author the rev reuben parsons dd insists would be easily discounted if a critical look of them were made some of the events covered include st cyril of alexandria and the murder of hypatia the divorce of napoleon and josephine galileo louis xi the travestied and the real the middle age not a starless night and the man with the iron mask

Lying and Perjury in Medieval Practical Thought 2018-08-30 the socialists take from the rich and

give to the poor and the elites become the masters of our universe the elites are usually very charismatic and successfully influence the masses by giving good speeches they seduce our children into believing there is no god that there is no right or wrong and that everything is grey in this political environment our children do not question president obamas ties to william ayers of the terrorist group the weather underground whom he describes as a mentor or his vote for abortion on demand which was far to the left of hillary clinton nor do they challenge the negative attacks on michelle bachman who raised 23 foster children and yet is described as a bad person together we are on a path to godlessness if no one stops the elites from demeaning christian ministers as old school superstitious dinosaurs who are merely relics from antiquity
