a classic title in edna o brien s country girls trilogy the second volume from eccentric joanna s boarding house predatory baba roams dublin looking for men to give her a good time and dragging with her a reluctant cait worrying about her figure and wanting to talk about books then she meets dark long faced eugene gaillard a film director and for a while cait s romantic dreams seem to be fulfilled but eugene gaillard is a protestant divorcé and when cait s drunkard father gets to hear of it he summons a lynch mob steering expertly between high romance outright farce and the blend of them that is reality girl with green eyes is an original and joyful story of the gateway to adulthood edna o brien is one of the greatest writers in the english speaking world new york times book review she is one of our bravest and best novelists irish times the most gifted woman now writing fiction in english philip roth

Suspicious Readings of Joyce's "Dubliners"

2010-11-24

because the stories in james joyce s dubliners seem to function as models of fiction they are able to stand in for fiction in general in their ability to make the operation of texts explicit and visible joyce s stories do this by provoking skepticism in the face of their storytelling their narrative unreliabilities produced by strange gaps omitted scenes and misleading narrative prompts arouse suspicion and oblige the reader

to distrust how and why the story is told as a result one is prompted to look into what is concealed omitted or left unspoken a quest that often produces interpretations in conflict with what the narrative surface suggests about characters and events margot norris s strategy in her analysis of the stories in dubliners is to refuse to take the narrative voice for granted and to assume that every authorial decision to include or exclude or to represent in a particular way may be read as motivated suspicious readings of joyce s dubliners examines the text for counterindications and draws on the social context of the writing in order to offer readings from diverse theoretical perspectives suspicious readings of joyce s dubliners devotes a chapter to each of the fifteen stories in dubliners and shows how each confronts the reader with an interpretive challenge and an intellectual adventure its readings of an encounter two gallants a painful case a mother the boarding house and grace reconceive the stories in wholly novel ways ways that reveal joyce s writing to be even more brilliant more exciting and more seriously attuned to moral and political issues than we had thought

Engendered Trope in Joyce's Dubliners

earl g ingersoll convincingly argues that his study is a return to lacan just as lacan himself believed his own work to be a return to freud in this study of trope and gender in dubliners ingersoll follows lacan s example by returning to explore more fully the usefulness of the earlier lacanian insights stressing the importance of language returning to the semiotic as opposed to the more traditional psychoanalytic lacan ingersoll opts for the lacan who follows roman jakobson back to early freud texts in which freud happened upon the major structuring principles of similarity and displacement jakobson interprets these principles as metaphor and metonymy lacan employs these two tropes as the means of representing transformation and desire thus psychic functions meet literary texts in the space of linguistic representation through the signifier metaphor is a signifier for a repressed signified while metonymy is a signifier that displaces another rejecting traditional psychoanalytic readings of dubliners ingersoll s new psychoanalytic criticism embraces shoshana felman s view that psychoanalysis is not a body of truths to be applied to literature but rather a literature in itself to be read intertextually with what we more conventionally consider literary texts in its theoretical framework this study is lacanian not by following lacan as the traditional psychoanalytic critic would follow freud or jung as the master explicator of the literary text but by doing lacan ingersoll credits lacan not as the scientist freud tried and failed to become but as the poet freud was especially in his earlier period basing his idea of the connections between gender and the tropes in the writings of feminist theorists and critics such as luce irigaray jane gallop and barbara johnson ingersoll argues that sex and gender are not necessarily linked in dublin the capital of a patriarchal society joyce reveals the relevance of the opposition between metaphor motion empowerment as the masculine and metonymy confinement vulnerability as the feminine in this context metaphor must be privileged over metonymy as masculinity is privileged over femininity not because what is is right but because joyce is describing a world that readers have always recognized as morally and spiritually deficient

phillip herring distinguishes the solvable problems from the truly insolvable mysteries in joyce studies his unusual and often witty book contains enough background material to appeal to a beginning reader of joyce yet it will be of the utmost importance to the specialist he argues that joyce formulated an uncertainty principle as early as the first dubliners story and that he continued to engineer impossible to resolve mysteries through his creation of literature s most radical experiment einnegans wake originally published in 1987 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

Joyce's Uncertainty Principle

2014-07-14

first published in 1986 dubliners was james joyce s first major publication setting it at the turn of the century joyce claims to hold up a nicely polished looking glass to the native irishman in backgrounds for joyce s dubliners the author examines the national mythic religious and legendary details which joyce builds up to capture a many sided performance and timelessness in irish life acknowledging the serious work done on dubliners as a whole in this study professor torchiana draws upon a wide range of published and unpublished sources to provide a scholarly and satisfying framework for joyce s world of the inept and the lower middle class he combines an understanding of joyce s subtleties with a long standing personal knowledge of dublin this title will make fascinating reading for scholars and students of joyce s writing as well as for those interested in early twentieth century irish social history

georgia center for the book has chosen atlanta noir as one of 2018's books all Georgians should read kenji jasper's a moment of clarity at the waffle house nominated for a 2018 edgar award for best short story atlanta has its share maybe more than its share of prosperity but wealth is no safeguard against peril creepy as well as dark grim in outlook hints of the supernatural may make these tales appealing to lovers of ghost stories kirkus reviews these stories most of them by relative unknowns offer plenty of human interest all the tales have a southern feel publishers weekly jones author of leaving atlanta returns to the south via akashic's ever growing city anthology series the collection features stories from an impressive roster of talent including jim grimsley sheri joseph gillian royes anthony grooms and david james poissant the 14 selections each take place in different atlanta neighborhood atlanta journal constitution now comes atlanta noir an anthology that masterfully blends a chorus of voices both familiar and new from every corner of atlanta the magic of atlanta noir is readily apparent starting with the introduction jones pens it doesn't rest solely upon the breadth of writers but on how their words stories and references are so atlanta so very particular so very familiar and so very readily for those who know the city nostalgic and for those who don't the sense of place it captures

inspires a desire to get to know atlanta and its stories artsatl akashic books continues its award winning series of original noir anthologies launched in 2004 with brooklyn noir each book comprises all new stories each one set in a distinct neighborhood or location within the respective city this much anticipated and long overdue installment in akashic s noir series reveals many sides of atlanta known only to its residents brand new stories by tananarive due kenji jasper tayari jones dallas hudgens jim grimsley brandon massey jennifer harlow sheri joseph alesia parker gillian royes anthony grooms john holman daniel black and david james poissant from the introduction by tayari jones atlanta itself is a crime scene after all georgia was founded as a de facto penal colony and in 1864 sherman burned the city to the ground we might argue about whether the arson was the crime or the response to the crime but this is indisputable atlanta is a city sewn from the ashes and everything that grows here is at once fertilized and corrupted by the past these stories do not necessarily conform to the traditional expectations of noir however they all share the quality of exposing the rot underneath the scent of magnolia and pine noir in my opinion is more a question of tone than content the moral universe of the story is as significant as the physical space noir is a realm where the good guys seldom win perhaps they hardly exist at all few bad deeds go unrewarded and good intentions are not the road to hell but are hell itself welcome to atlanta noir come sit on the veranda or the terrace of a high rise condo pour yourself a glass of sweet tea and fortify it with a slug of bourbon put your feet up enjoy these stories and watch your back
