writings of the jazz age a term he coined himself he is widely regarded as one of the greatest american writers of the 20th century in 1900 in china a peasant movement known as the boxers rose up and tried to destroy its western oppressors the culminating event of the boxer rebellion was the siege of the western legations in peking in isolated peking a horde of brightly dressed acrobatic anti western and anti christian boxers surrounded the fortified diplomatic legation compound and rumors about the torture and murder of 900 western diplomats soldiers and missionaries swirled throughout the foreign media scholars agree that animosity toward christian missionaries was a major cause of the boxer rebellion but most accounts neglect the missionaries and emphasize instead the diplomats and soldiers who weathered the siege and defeated the chinese in battle this book gives equivalent attention to the missionaries their work the impact they had on china and the controversies arising in the aftermath of the boxer rebellion it focuses particularly on one of the most distinguished american missionaries william scott ament whose brave and resourceful heroism was tarnished by hubris and looting this carefully crafted ebook the complete novels of f scott fitzgerald contains 5 novels in one volume and is formatted for your ereader with a functional and detailed table of contents table of contents this side of paradise 1920 the beautiful and damned 1922 the great gatsby 1925 tender is the night 1934 the love of the last tycoon 1941 fitzgerald won fame and fortune for his first novel this side of paradise it is an immature work but was the first novel to anticipate the pleasure seeking generation of the roaring twenties a similar novel the beautiful and damned increased his popularity the great gatsby was less popular than fitzgerald's early

works but it was his masterpiece and the first of three successive novels that give him lasting literary importance the lively yet deeply moral novel centers around jay gatsby a wealthy bootlegger it presents a penetrating criticism of the moral emptiness fitzgerald saw in wealthy american society of the 1920 s fitzgerald s next novel tender is the night is a beautifully written but disjointed account of the general decline of a few glamorous americans in europe the book failed because readers during the great depression of the 1930s were not interested in jazz age parties fitzgerald died before he completed the love of the last tycoon a novel about hollywood life critics generally agree that fitzgerald s early success damaged his personal life and marred his literary production this success led to extravagant living and a need for a large income it probably contributed to fitzgerald s alcoholism and the mental breakdown of his wife zelda the success also probably led to his physical and spiritual collapse fitzgerald spent his last years as a scriptwriter in hollywood francis scott key fitzgerald 1896 1940 was an american author of novels and short stories whose works are the paradigmatic writings of the jazz age a term he coined this f scott fitzgerald collection compiles the works on which the fame of one of the most fascinating writers of the twentieth century was built francis scott fitzgerald became a mouthpiece for ideas and expressed the spiritual moods bubbling amongst the young people during the 1920s fitzgerald in the words of amory from this side of paradise 1920 wrote that a generation had grown up to find all god s dead all wars fought all faiths in man shaken fitzgerald was the first to tell the world about the commencement of the jazz age with its carnival approach towards life a lifestyle which he also followed however as a sensitive artist he could not help but notice the dualistic nature of this philosophy fitzgerald s writing demonstrated that a life spent at the carnival would inevitably lead to bankruptcy fitzgerald often worked on multiple short stories simultaneously while writing his novels later these stories were compiled his relationship and love for his wife zelda fueled much of his writing her diagnosis and hospitalization for schizophrenia in 1930 affected him greatly in his later years fitzgerald worked in hollywood on movie scripts his last novel the last tycoon remained unfinished at the time of his death in 1940 and reflected his hollywood experiences the novels this side of paradise the beautiful
