The Wreck of the Titan, Or, Futility 1995 the wreck of the titan redirects here for the doctor who audio drama see the wreck of the titan audio drama the wreck of the titan or futility originally called futility is an 1898 novella written by morgan robertson the story features the fictional ocean liner titan which sinks in the north atlantic after striking an iceberg the titan and its sinking have been noted to be very similar to the real life passenger ship rms titanic which sank fourteen years later following the sinking of the titanic the novel was reissued with some changes particularly in the ship s gross tonnage 1 the first half of futility introduces the hero john rowland rowland is a disgraced former us navy officer now an alcoholic fallen to the lowest levels of society he has been dismissed from the navy and works as a deckhand on the titan one april night the ship hits an iceberg sinking somewhat before the halfway point of the novel the second half follows rowland he saves the young daughter of a former lover by jumping onto the iceberg with her the pair find a lifeboat washed up on the iceberg and are eventually rescued by a passing ship but the girl is recovered by her mother and rowland is arrested for her kidnapping a sympathetic magistrate discharges him and rebukes the mother for being unsympathetic to her daughter s savior rowland disappears from the world

The Wreck of the Titan by Morgan Robertson 2017-11-24 we are delighted to publish this classic book as part of our extensive classic library collection many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public the aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades in its original form the contents of the vast majority of titles in the classic library have been scanned from the original works to ensure a high quality product each title has been meticulously hand curated by our staff our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work we hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The Wreck of the Titan 2020-03-12 the wreck of the titan or futility originally called futility was written by morgan robertson in 1898 the novella centers around the fictional passenger ship titan and the events that unfold after it strikes an iceberg and sinks in the north atlantic futility became a cultural phenomenon after the real world sinking of the rms titanic in 1912 due to the many similarities between the fictional sinking and the real world events that developed 14 years after the book was first published this book is a must read for titanic fans it serves as much as an omen today as it did 100 years ago this reprint of morgan s masterpiece remains true to the original text and has been painstakingly transcribed to preserve the author s original formatting nuances this edition also includes the following short stories where angels fear to tread the brain of the battleship the wigwag message the trade wind between the millstones the battle of the monsters from the royal yard down needs must when the devil drives and primordial

Wreck of the Titan 2020-08-03 in 1898 morgan robertson penned the wreck of the titan a love story set aboard the titan the most advanced steamship of the age when the unsinkable passenger liner hit an iceberg nearly all its passengers perished at sea

The Wreck of the Titan 2020-12-17 once seen as a prediction of the sinking of the titanic this novella was written 14 years before that ill fated event of 1912 those striking similarities can be examined again in this new edition john rowland a disgraced former royal navy lieutenant has taken employment as a lowly deck hand aboard the largest ship ever to have sailed the titan one night in deep fog the ship strikes a gigantic iceberg and sinks almost immediately hailed in equal measures as a prophetic work and the work of pure coincidence certainly the similarities are striking two unsinkable

ships steam ahead in treacherous conditions carrying privileged passengers with insufficient lifeboats aboard

The Wreck of the Titan 2020-01-15 the titanic sank 100 years ago we are now publishing one of those curious books that have attracted many readers throughout the 20th century since it was written fourteen years before the famous shipwreck and tells a practically identical story an ocean liner called titan sinks in the waters of the atlantic ocean at the collide with an iceberg the titanic bewilderingly resembles the titan that robertson created in fiction they even match in weight length and passenger capacity also in that the titan was an excessively luxurious ship that carried an insufficient number of lifeboats some believe that it is a mere chance and others that the author wrote a premonitory book of what would happen years later which gives the text a clear historical interest morgan robertson was a visionary

Wreck of the Titan Or, Futility and Morgan Robertson the Man 2013-05-01 this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book the below data was compiled from various identification fields in the bibliographic record of this title this data is provided as an additional tool in helping to ensure edition identification the wreck of the titan or futility reprint morgan robertson mcclure s magazine and metropolitan magazine 1912 fiction visionary metaphysical fiction visionary metaphysical sea stories american shipwrecks

The Sinking of the Titan 2021-09-21 she was the largest fastest and latest thing in seagoing destroyers and though the specifications called for but thirty six knots speed she had made thirty eight on her trial trip and later under careful nursing by her engineers she had increased this to forty knots an hour five knots faster than any craft afloat and with a clean bottom this speed could be depended upon at any time it was needed she carried four twenty one inch torpedo tubes and a battery of six twelve pounder rapid fire guns also she carried two large searchlights and a wireless equipment of

seventy miles reach the aërials of which stretched from the truck of her short signal mast aft to a short pole at the taffrail her crew was not on board however newly scraped and painted in the dry dock she had been hauled out stored and fueled by a navy yard gang and now lay at the dock ready for sea ready for her draft of men in the morning and with no one on board for the night but the executive officer who with something on his mind had elected to remain while the captain and other commissioned officers went ashore for the night

Morgan Robertson 1915 she was the largest craft afloat and the greatest of the works of men in her construction and maintenance were involved every science profession and trade known to civilization unsinkable indestructible she carried as few boats as would satisfy the laws so wrote morgan robertson in 1898 in this novel of extraordinary intensity and uncanny premonition the wreck of the titan tells the story of john rowland a disgraced ex naval officer now working as a deckhand on the mighty passenger liner titan when she crashes into a smaller ship in her path the other vessel is cut in two rowland horrified by what he has seen refuses to be bribed into silence and swears that he will report the captain as soon as they dock in london but they never arrive the titan smashes into an iceberg only two lifeboats make it to safety leaving rowland and his ex lover s tiny daughter trapped on the ice with no food no shelter and a dangerously hungry polar bear

The Wreck of the Titan 2014-01 maritime novel with uncanny foresight on the famous titanic

The Pirates 2015-10-19

Wreck of the Titan 1998-04 crítica muchos habían oído hablar como si de una leyenda urbana se tratase de un relato de apenas cien páginas que narraba el hundimiento del titanic con todo lujo de detalles 14 años antes del suceso pero aunque pocos lo hayan tenido en sus manos el libro existe se llama futilidad o el naufragio del titán y lo escribió morgan robertson escritor y oficial estadounidense de la marina mercante en 1898 ahora en el centenario de la tragedia llega a nosotros de la mano de la editorial nórdica el cultura algunos creen que se trata de una mera casualidad y otros que el autor escribió un libro premonitorio de lo que sucedería años después lo que dota al texto de un claro interés histórico sea lo que fuere el texto de morgan robertson puede leerse en clave de novela de catástrofes o aventuras y deja un poso semejante al de las mejores narraciones de jules verne nordesia es una historia conocida el barco más grande jamás construido apodado el insubmergible por sus propietarios británicos y la prensa choca con un iceberg debido a la falta de botes salvavidas la mayor parte de los pasajeros perece en el atlántico norte una historia idéntica a la del titán salvo que este es un transatlántico de ficción y que su creador publicó el libro catorce años antes del hundimiento del rms titanic the portland press herald una sorprendente novela de anticipación sobre el titanic nordesia sinopsis el titanic se hundió hace 100 años publicamos ahora uno de esos curiosos libros que han atraído a muchos lectores a lo largo del siglo xx ya que fue escrito catorce años antes del famoso naufragio y cuenta una historia prácticamente idéntica un transatlántico llamado titán se hunde en las aguas del océano atlántico al chocar con un iceberg el titánic se parece de manera desconcertante al titán que robertson creó en la ficción coinciden incluso en peso longitud y capacidad de pasajeros también en que el titán era un buque con exceso de lujos que llevaba una cantidad insuficiente de botes salvavidas algunos creen que se trata de una mera casualidad y otros que el autor escribió un libro premonitorio de lo que sucedería años después lo que dota al texto de un claro interés histórico morgan robertson fue un visionario como jules verne a quien sin duda nos recordará estilísticamente esta novela

The Titan and the Titanic 1990 book excerpt there rang out overhead a startling cry from the crow s nest something ahead sir can t make it out the first officer sprang to the engine room telegraph and grasped the lever sing out what you see he roared hard aport sir ship on the starboard tack dead ahead came the cry port your wheel hard over repeated the first officer to the quartermaster at the helm who answered and obeyed nothing as yet could be seen from the bridge the powerful steering engine in the stern ground the rudder over but before three degrees on the compass card were traversed by the lubber s point a seeming thickening of the darkness and fog ahead resolved itself into the square sails of a deep laden ship crossing the titan s bow not half her length away h l and d growled the first officer steady on your course quartermaster he shouted stand from under on deck he turned a lever which closed compartments pushed a button marked captain s room and cread mor
