donna astuta e determinata la stilista a cui dobbiamo il marchio della doppia c che impreziosisce i cappelli i tailleur e i profumi più famosi del mondo ha legato il suo nome a un immaginario fatto di corpi eleganti e sottili passerelle e salotti eppure c'è stato un tempo in cui coco chanel si chiamava solo gabrielle e imparava a cucire nel collegio di notre dame a moulins creando originali copricapo per se stessa e poi per le sue amiche una gabrielle che si innamorava che sognava chanel prima del successo coco prima di chanel con l'irregolare edmonde chales roux racconta soprattutto questa donna che dietro l'immagine ribelle e i capelli corti nasconde una fragilità e una dolcezza insospettabili una biografia imperdibile che rivela in ogni pagina un lavoro accuratissimo di

documentazione ma soprattutto lo sguardo di una scrittrice mai banale insieme tenero e ammirato capace di cogliere e restituire le sfumature di un personaggio che a suo modo è passato alla storia

national bestseller certain lives are at once so exceptional and yet so in step with their historical moments that they illuminate cultural forces far beyond the scope of a single person such is the case with coco chanel whose life offers one of the most fascinating tales of the twentieth century throwing into dramatic relief an era of war fashion ardent nationalism and earth shaking change here brilliantly treated for the first time with wide ranging and incisive historical scrutiny coco chanel transformed forever the way women dressed her influence remains so pervasive that to this day we can see her afterimage a dozen times while just walking down a single street in all the little black dresses flat shoes costume jewelry cardigan sweaters and tortoiseshell eyeglasses on women of every age and background a bottle of chanel no 5 perfume is sold every three seconds arguably no other individual has had a deeper impact on the visual aesthetic of the world but how did a poor orphan become a global icon of both luxury and everyday style how did she develop such vast undying influence and what does our ongoing love of all things chanel tell us about ourselves these are the mysteries that rhonda k garelick unravels in mademoiselle raised in rural

poverty and orphaned early the young chanel supported herself as best she could then as an uneducated nineteen year old café singer she attracted the attention of a wealthy and powerful admirer and parlayed his support into her own hat design business for the rest of chanel s life the professional personal and political were interwoven her lovers included diplomat boy capel composer igor stravinsky romanov heir grand duke dmitri hugh grosvenor the duke of westminster poet pierre reverdy a nazi officer and several women as well for all that she was profoundly alone her romantic life relentlessly plagued by abandonment and tragedy chanel s ambitions and accomplishments were unparalleled her hat shop evolved into a clothing empire she became a noted theatrical and film costume designer collaborating with the likes of pablo picasso jean cocteau and luchino visconti the genius of coco chanel garelick shows lay in the way she absorbed the zeitgeist reflecting it back to the world in her designs and in what garelick calls wearable personality the irresistible and contagious style infused with both world history and chanel s nearly unbelievable life saga by age forty chanel had become a multimillionaire and a household name and her chanel corporation is still the highest earning privately owned luxury goods manufacturer in the world in mademoiselle garelick delivers the most probing well researched and insightful biography to date on this seemingly familiar but endlessly surprising figure a work that is truly both a heady intellectual study and a literary page turner praise for

mademoiselle a detailed wry and nuanced portrait of a complicated woman that leaves the reader in a state of utterly satisfying confusion blissfully mesmerized and confounded by the reality of the human spirit the washington post writing an exhaustive biography of chanel is a challenge comparable to racing a four horse chariot this makes the assured confidence with which garelick tells her story all the more remarkable the new york review of books broadly focused and beautifully written the wall street journal

la vida intensa de una mujer que revolucionó la moda y la vida social del siglo xx coco chanel narrar la vida de una persona que ha dejado solo unos pocos testimonios y que se ha preocupado por falsear una y otra vez su propia biografía no es una tarea sencilla la intención de charles roux que escribió este texto a los pocos años de morir la artista es ir más allá de la leyenda y para eso decide aportar minuciosos datos biográficos pero también ahondar en las mentiras y contradicciones de esta gran dama su retrato de chanel muestra el lado más genial y creativo de la diseñadora y a la vez el más cruel oportunista y oscuro plasmada en toda su complejidad y sus contradicciones chanel suscita una mezcla de admiración y rechazo pero nunca indiferencia repleta de anécdotas su biografía se enlaza con la de aquellas figuras que jugaron un papel importante en su vida y su época un retrato cabal de la mujer y de la artista que cambió la historia de la moda y también de la época que le tocó en suerte desde sus inicios como costurera en moulins hasta su fallecimiento en 1971 pasando por su consolidación como coco chanel las relaciones que mantuvo con figuras como picasso cocteau stravinski o collete y la segunda guerra mundial el inicio de un período oscuro en el que participó en una operación de espionaje alemán

from this century in france three names will remain de gaule picasso and chanel andré malraux coco chanel created the look of the modern woman and was the high priestess of couture she believed in simplicity and elegance and freed women from the tyranny of fashion she inspired

women to take off their bone corsets and cut their hair she used ordinary jersey as couture fabric elevated the waistline and created bell bottom trousers trench coats and turtleneck sweaters in the 1920s when chanel employed more than two thousand people in her workrooms she had amassed a personal fortune of 15 million and went on to create an empire jean cocteau once said of chanel that she had the head of a little black swan and added colette the heart of a little black bull at the start of world war ii chanel closed down her couture house and went across the street to live at the hôtel ritz picasso her friend called her one of the most sensible women in europe she remained at the ritz for the duration of the war and after went on to switzerland for more than half a century chanel s life from 1941 to 1954 has been shrouded in vagueness and rumor mystery and myth neither chanel nor her many biographers have ever told the full story of these years now hal vaughan in this explosive narrative part suspense thriller part wartime portrait fully pieces together the hidden years of gabrielle coco chanel s life from the nazi occupation of paris to the aftermath of world war ii vaughan reveals the truth of chanel s long whispered collaboration with hitler s high ranking officials in occupied paris from 1940 to 1944 he writes in detail of her decades long affair with baron hans g nther von dincklage spatz sparrow in english described in most chanel biographies as being an innocuous english speaking tennis player playboy and harmless dupe a loyal german soldier and diplomat serving his mother country and not a member of the

nazi party in vaughan s absorbing meticulously researched book dincklage is revealed to have been a nazi master spy and german military intelligence agent who ran a spy ring in the mediterranean and in paris and reported directly to nazi propaganda minister joseph goebbels right hand to hitler the book pieces together how coco chanel became a german intelligence operative how and why she was enlisted in a number of spy missions how she escaped arrest in france after the war despite her activities being known to the gaullist intelligence network how she fled to switzerland for a nine year exile with her lover dincklage and how despite the french courts opening a case concerning chanel s espionage activities during the war she was able to return to paris at age seventy and triumphantly resurrect and reinvent herself and rebuild what has become the iconic house of chanel

shows how the fashion industry in the mid to late twentieth century created a particular way of seeing religion as fashionable from cross necklaces to fashion designs inspired by nuns habits how have fashion sources interpreted christianity and how in turn have these interpretations shaped conceptions of religion in the united states religion in vogue explores the intertwined history of

christianity and the fashion industry using a diverse range of fashion sources including designs jewelry articles in fashion magazines and advertisements lynn s neal demonstrates how in the second half of the twentieth century the modern fashion industry created an aestheticized christianity transforming it into a consumer product the fashion industry socialized consumers to see religion as fashionable and as a beautiful lifestyle accessory something to be displayed consumed and experienced as an expression of personal identity and taste religion was something to be embraced and shown off by those who were sophisticated and stylish and not solely the domain of the politically conservative neal ultimately concludes that through aestheticizing christianity the fashion industry has offered americans a means of blending traditional elements of religion such as ritual practice miraculous events and theological concepts with modern culture revealing a new dimension to the personal experience of religion
