americans have long been enthralled by visions of the apocalypse will the world end through nuclear war environmental degradation and declining biodiversity or perhaps through the second coming of christ rapture of the faithful and arrival of the antichrist a set of beliefs known as dispensationalist premillennialism these seemingly competing apocalyptic fantasies are not as dissimilar as we might think in fact lisa vox argues although these secular and religious visions of the end of the world developed independently they have converged to create the landscape of our current apocalyptic imagination in existential threats vox assembles a wide range of media science fiction movies biblical tractates rapture fiction to develop a critical history of the apocalyptic imagination from the late 1800s to the present apocalypticism was once solely a religious ideology vox contends which has secularized in response to increasing technological and political threats to american safety vox reads texts ranging from christianity today articles on ecology and the atomic bomb to dr strangelove and from mary shelley s the last man to the left behind series by tim lahaye and jerry b jenkins demonstrating along the way that conservative evangelicals have not been as resistant to science as popularly believed and that scientists and science writers have unwittingly reproduced evangelical eschatological themes and scenarios in their own works existential threats argues that american apocalypticism reflects and propagates our ongoing debates over the authority of science the place of religion uses of technology and america s evolving role in global politics

antes de perecer como nación en el antiguo israel se llevaron a cabo una serie de presagios y señales advirtiendo sobre la destrucción que se avecinaba estos nueve presagios se están manifestando en los estados unidos con profundas ramificaciones en su futuro en las profecías de los últimos tiempos y sus implicaciones para el resto del mundo escondidos en un antiguo versículo bíblico del libro de isaías los misterios que se revelan en el presagio son tan precisos que predicen recientes acontecimientos en los ee uu al punto de dar fechas exactas el misterio de 3 000 años de edad manifestó la fecha exacta de la caída del mercado de valores en el 2008 la antigua profecía que se proclamó desde el senado de los ee uu y luego se hizo realidad y más estas revelaciones son tan específicas que hasta a los más escépticos se les hará difícil dejar de leerlo aunque suena como una conspiración de una película de suspenso de hollywood escrito con un fascinante estilo

narrativo comienza con la aparición de un hombre agobiado por una serie de mensajes que recibe en forma de nueve sellos cada sello revela un misterio profético relacionado con el futuro el cual lo llevará en un asombroso viaje que le cambiará para siempre la manera de ver el mundo english description is it possible that there exists an ancient mystery that holds the secret of america s future that this mystery lies behind everything from 9 11 to the collapse of the global economy that ancient harbingers of judgment are now manifesting in america that god is sending america a prophetic message of what is yet to come before its destruction as a nation ancient israel received nine harbingers prophetic omens of warning the same nine harbingers are now manifesting in america with immediate ramifications for end time prophecy hidden in an ancient biblical prophecy from isaiah the mysteries revealed in the harbinger are so precise that they foretold recent american events down to the exact days the revelations are so specific that even the most hardened skeptics will find it hard to dismiss or put down it sounds like the plot of a hollywood thriller with one exception its real the prophetic mysteries are revealed through an intriguing and engaging narrative the reader will find hard to put down the harbinger opens with the appearance of a man burdened with a message he has received from a mysterious figure called the prophet the prophet has given him nine seals each containing a message about america s future as he tells of his encounters with the prophet from a skyscraper in new york city to a rural mountaintop to capitol hill to ground zero the mystery behind each seal is revealed as the story unfolds each revelation becomes a piece in a greater puzzle the ramifications of which will even alter the course of world history

## ***The Truth about The Harbinger***

2012

have you ever asked the question does god exist have you ever wondered about the source of life on earth and in particular human life creationism intelligent design and evolution are three approaches to answering these questions while evolutionists are adamant that their claim has been proven to be a scientific fact it turns out that their so called proof uses an invalid logical argument hence at this point in time evolution is merely a conjecture and not a scientific fact instead of attempting to answer these questions through inductive arguments truth and consequences offers a different logical approach that restates the questions as propositions a proposition is a statement that is either true or false then the consequences of their respective truth values can be analyzed the first proposition is an infinite intelligent entity iie exists if that proposition is true it leads to a second proposition the iie created life on earth and in particular human life if both propositions are true it leads to a third proposition there is life after death if any of these propositions are false the bottom line is that it leads to a dead end ultimately if these foundational propositions are true it leads to a fourth proposition jesus lived some two thousand years ago by continuing to build on these propositions and follow their conclusions we can better discuss not only the existence of god as such but also contemporary issues like modern day threats to christianity in america
