The Geomantic Year 2011-10-27 kabbalah a guide for the perplexed is a concise and accessible introduction to the major elements of the prevalent metaphysical system of judaism kabbalah the book covers the historical and theoretical essence of kabbalah offering a clear definition of the term and the limitations of what kabbalah is and is not pinchas giller provides an overview of the history of the movement reflecting the sweep of jewish history as a whole and examines its metaphysical system the advanced mythos of early and later luria doctrines of the soul and the mysteries of jewish religious practice and law the book concludes with a summary of the contemporary kabbalistic phenomena particularly in light of the notoriety of some modern purveyors of kabbalah as cogent and objective as possible this is the ideal companion for those wishing to gain a sound understanding of this often perplexing mystical aspect of judaism

Kabbalah: A Guide for the Perplexed 2015-11-08 if you have read the other books in the tapping miracles series you know that i try to provide new ways of applying meridian tapping meridian tapping has been proven to work there is no doubt about that we know that that are several ways meridian tapping can be used we know that there are several ways to approach the life of spirit both spirit and meridian tapping are based on universal principles that i think most if not all of us agree is real and true since both spirit and meridian tapping are so diverse yet universal at the same time i think it is more than appropriate to combine the power of spiritual paths and meridian tapping meridian tapping is like a universal key it can unlock the potential in every

single modality we introduce it to in this book we will apply meridian tapping and the 72 holy names of god that has been gleaned through the sanctified paths of jewish mysticism known as the kabbalah although this book is not specifically about the kabbalah it does have veins of the mystical tradition throughout it this book is a bit longer than the others in this series because we will be going through every single name of god and doing a tapping session with each one once you incorporate the names into your tapping practice a new world of possibilities can open up for you the names themselves are hidden within the bible within the text lies the keys to spiritual and material growth within the names of god resides the secrets of the cosmos within the bible hides the 72 names of god

Meridian Tapping and the 72 Holy Names of God 2011-09-26 the earth is poised to make a great disclosure its a hierophant but whats a hierophant a person who reveals the holy light but it can also be a landscape or a planet and whats the holy light it is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of creation some people call this imminent disclosure the apocalypse and run for cover but that is mistaken apocalypse means the revelation of the divine revelation it means the end of our picture of the world as we know it the world itself will be fine even better than fine splendid illumined the architect of reality lays down his cards face up and you see the whole deck here is the truth of yourself and the earth how will this disclosure work what we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness thats the inner patterning of their design their arrays of light temples and subtle palaces primed for our visionary adventures and edification the earth needs us to have these adventures and visions because thats how we keep the planet healthy hierophantic landscapes visits five landscapes from norway and england to california and mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the earth maybe not such a small band because along the way we encounter angels landscape devas nature spirits and otherworldly mentors and revel in vistas of the ancient past of the earth when that revelation was as fresh as a sunrise as it will soon be again

Hierophantic Landscapes 2013-03-08 using the powerful insights of the kabbalah we can bridge the unfathomable distances between our material world and the divine realms where angels dwell in the kabbalah magic of angels celebrated author migene gonzález wippler presents an in depth look at angels in the context of the kabbalah the comprehensive system underlying western religion and spirituality providing a complete introduction to kabbalistic concepts migene shows how to apply them to our relationships with numerous angels included are ways to contact angels and work with them from simple spells and magical rituals to full kabbalistic evocations you ll discover how to see angels operating in your life and how to visualize them numerous angels are named and fully described so readers will know exactly which angel to work with for any purpose or desire ideal for students of kabbalah and lovers of angels

The Kabbalah & Magic of Angels 2016-10-03 the matrix of wisdom is all about god s ambiance residing in the soul of the individual this volume is about unraveling the deep mysteries of god esoterically codified into the world s sacred scriptures literature artworks monuments and architecture in all times and climes via the esoteric science i e the harmonious integration of the seven liberal arts quadrivium four mathematical sciences and the trivium three grammatical arts that are the foundations of the ancient mystery schools the matrix of wisdom is a 10 x 10 matrix that is the original source material that wrote the sacred scriptures in all religious cultures around the world from the mystical depths of this 10 x 10 matrix china created the i ching and the tao te ching buddhism created their stupas hinduism and christianity builds their temples cathedrals and churches numerous cultures around the world built their pyramids based upon it schematics and the native american indians knew of it astrology and the game of chess were developed from it and pythagoras developed his mathematical theorems from it and freemasonry is founded upon it and the city of washington dc is built on its esoteric design and this latter is provided for in the united states constitution article 1 section 8 however this matrix is never ever discussed explicitly to the general public throughout this volume there will be a continuous tsunami of demonstrable evidence directly and indirectly challenging the status quo of academia and the orthodoxy of all religions around the world the word of god will be discussed mainly from the perspective of the judaeo christian scriptures the secret teachings of the roman catholic church s literature artwork monuments and architecture and freemasonry symbolism designed into the landscape of washington dc the matrix of wisdom spiritual waters of creation i e sum total or all knowledge is inherent in the psyche of every human being the matrix of wisdom is a commentary or the monad which is the soul s raison d être i e god man christ tao krishna buddha horus etc when the soul comes into the world it splits into a two part psyche ego consciousness and the unconscious mind and this knowledge is esoterically codified into the mythoi of the judaeo christian scriptures

heroic leadership best practices from a 450 year old company that changed the world chris lowney (2023)

thus the sacred scriptures of the world are all about explaining to the worthy initiate the dynamics of the soul and its psyche the sacred scriptures are written first and foremost for the born again initiate though the average member of the laity has direct access to both its exoteric writings revealed and its secret esoteric teachings covered the inexplicable word of god hidden however cannot be explained to another in the vernacular the initiate can know of the esoteric science however that does not avail him or her of the true understanding of the word of god only god can communicate that unfathomable and inexplicable knowledge to the individual the esoteric science can somewhat prepare the worthy initiate for the spiritual initiatic visionary experience which is gifted only to those that are worthy and truly desire to know the word of god the sacred scriptures around the world are written to explain the spiritual initiatic visionary experience furthermore the sacred scriptures in their indigenous languages are the most scientific instruments on the face of the earth though modernity will most likely dispute that fact ad nauseam

God's Ambiance 2023-11-02 a mysterious object has been stolen from the british museum a group of religious fanatics intends to use it to give life to an evil creature using an old lost language that of angels adams a young priest together with the old chaplain martin will seek the help of professor thomas dee who knows enochian a language created by his great great grandfather john dee in search of a forbidden book they will begin this adventure that will take them through spain france italy germany greece the united kingdom the czech republic russia turkey mexico and antarctica itself following in the footsteps of lovecraft and his myths they will seek the answer in the necronomicon and other grimoires that will teach them to close the evil portal they will come across characters like nostradamus rasputin alice crowley van gogh and merlin they will also delve into the mysteries of kabbalah and alchemy they will analyze the crusades the holy inquisition the cathars and the essenes only the angels will be able to help them with their difficult mission that will take them through great libraries and unveil the mystery of the great cathedrals

The War of the Angels 1993 the three books of occult philosophy s vast store of magical lore has been so influential that occultists have been drawing upon it for the past five centuries this classic work was first published in 1531 and translated into english in 1651 but it has never since been reprinted in its entirety now for the first time in 500 years editor donald tyson presents these writings as agrippa intended them to appear wholly complete and free from the hundreds of errors made in the original translation the three books of occult philosophy is the most complete repository of pagan and neo platonc magic ever compiled this book is packed with material you will not find elsewhere including copious extracts on magic from obscure or lost works by pythagoras pliny the elder cicero ptolemy plato aristotle and many other authorities donald tyson s detailed annotations clarify difficult references and provide origins of quotations even expanding upon them in many cases in order to make agrippa s work more accessible to the modern reader as well as providing extensive insight into the foundations of the western esoteric tradition the three books of occult philosophy is the ultimate how to for magical workings it describes how to work all manner of divinations and natural and ceremonial magic in such clear and useful detail that it is still the guide for modern techniques and the extensive supplementary material including biographical and geographical disctionaries and appendices provides quick reference to many previously obscure matters in classical magic the three books of occult philosophy is an essential reference tool for all students of the history of ideas and the occult tradition back cover

Three Books of Occult Philosophy 2024-03-13 do you ever think about solid ground the author of this book does a lot providing solid ground for consciousness is the umbilican function he says on january 1 2020 the long awaited golden age began so did intense opposition to it from the shadows it was like a thousand iron heels trying to stamp out spring blossoms the dark forces exerted their manipulations in the outer world the angelic contingent counterpointed in the subtle realm the earth wobbled this is an insider s report from three men who worked alongside the good guys to adjust the planet s light grid to better support the flowering of human consciousness that had been intended for this date and to resist even undermine the infernal opposition these good guy benefactors included angels archangels the great white brotherhood even some of the friendly dead ronald our narrator with joe and mike his dependable pals call themselves geomantic engineers they work on the light grid the subtle energy infrastructure of the earth that supports the material world they re like electric utility pole linemen up there in their extendable buckets but their main tools are clairvoyance and knowledge of the mechanics of the planet s many light temples and systems ronald provides a vivid field account of an astonishing array of geomantic interventions and adjustments made in the last several years to shore up that potentially fabulous golden age despite the dark forces protracted attempts to derail and smash it the struggle reveals an earth like you ve never seen before our planet was designed to keep consciousness aligned with the spiritual world galaxy

and beyond people were supposed to feel firmly anchored in their bodies and planet the earth was meant to be the gate of the gods the original pure meaning of babylon in recent centuries that smooth reciprocal relationship has been upset light forces are trying to uplift awareness dark forces to suppress it jump into ronald s riveting account to see how it all plays out

Umbilicans of Babylon 2010-09 kabbalah the power to change everything portuguese is a progressive manual for daily life to awaken consciousness and create personal and global change yehuda berg examines the problematic areas of politics religion environment and economy and demonstrates how everything no matter how bleak can be transformed by shifting our minds writing in a smart concise and sometimes irreverent manner yehuda urges us to take responsibility because every action we perform in the present creates a quantum effect this book drives home the uncomfortable truth that global challenges are opportunities for individual change change your mind and change our world

The Power of Kabbalah 1994-04-07 why is the number seven lucky even holy in almost every culture why do we speak of the four corners of the earth why do cats have nine lives except in iran where they have seven from literature to folklore to private superstitions numbers play a conspicuous role in our daily lives but in this fascinating book annemarie schimmel shows that numbers have been filled with mystery and meaning since the earliest times and across every society in the mystery of numbers annemarie schimmel conducts an illuminating tour of the mysteries attributed to numbers over the centuries she begins with an informative and often surprising introduction to the origins of number systems pre roman europeans for example may have had one based on twenty not ten as suggested by the english word score and the french word for 80 quatrevingt four times twenty while the mayans had a system more sophisticated than our own schimmel also reveals how our fascination with numbers has led to a rich cross fertilization of mathematical knowledge arabic numerals for instance were picked up by europe from the arabs who had earlier adopted them from indian sources algorithm and algebra are corruptions of the arabic author and title names of a mathematical text prized in medieval europe but the heart of the book is an engrossing guide to the symbolism of numbers number symbolism she shows has deep roots in western culture from the philosophy of the pythagoreans and platonists to the religious mysticism of the cabala and the islamic brethren of purity to kepler s belief that the laws of planetary motion should be mathematically elegant to the unlucky thirteen after exploring the sources of number symbolism schimmel examines individual numbers ranging from one to ten thousand discussing the meanings they have had for judaic christian and islamic traditions with examples from indian chinese and native american cultures as well two for instance has widely been seen as a number of contradiction and polarity a number of discord and antithesis and six according to ancient and neo platonistic thinking is the most perfect number because it is both the sum and the product of its parts 1 2 3 6 and $1 \times 2 \times 3 = 6$ using examples ranging from the bible to the mayans to shakespeare she shows how numbers have been considered feminine and masculine holy and evil lucky and unlucky a highly respected scholar of islamic culture annemarie schimmel draws on her vast knowledge to paint a rich cross cultural portrait of the many meanings of numbers engaging and accessible her account uncovers the roots of a phenomenon we all feel every friday the thirteenth

The Mystery of Numbers 2020-05-04 the god of ancient israel universally referred to in the masculine today was understood by its earliest worshipers to be a dual gendered male female deity so argues mark sameth in the name needless to say this is no small claim half the people on the planet are followers of one of the three abrahamic religions judaism christianity and islam each of which has roots in the ancient cult that worshiped this deity the author s evidence however is compelling and his case meticulously constructed the hebrew name of god yhwh has not been uttered in public for over two thousand years some thought the lost pronunciation was jehovah or yahweh but sameth traces the name to the late bronze age and argues that it was expressed hu hi hebrew for he she among jewish mystics we learn this has long been an open secret what are the implications for us today if he was not god

Words and Places 2022-05-24 ebook edition with colour images description the shards series are a compilation of hundreds of posts and articles i have written during 2022 and 2023 both volumes cover a large selection of topics from alternative biblical exegesis to energy policy criticism to climate deception and to covid idiocy yet the disinformation and gaslighting continues unabated and has even surpassed the peak of just two years ago when will it end i hear you ask only when we stand up to it and call it out in public our new age is not the anthropocene it is actually the deceptocene thus we see clerics only telling their flocks half of the gospel story medics refusing to investigate alternative therapeutics climate scientists amending and cherry picking data the media not investigating alternate facts and data academics jumping on bandwagons for grant funding politicians using cherry picked data

to their advantage these many deceptions can only be the result of intentional deceit not mere incompetence although these deceits are invigorated by bandwagon riders those who seek personal advantage through turning a blind eye to the corruption it is time to stand up to the woke cry bullies and break through the deception v1 9 2024 ebook colour

ILLUMINATI BIBLE: Hidden Wisdom of Alpha & Omega 2017-01-01 its september 29 2033 and the earth and humanity have entered a cathedral of light 1 000 light years tall and wide one saturday morning in june 2040 boston editor edward burbage is visited by an enigmatic traveller calling himself blaise hes been off the planet for 20 years helping to orchestrate a unique event called the theosophon now hes here to tell his story and what happened in 2033 when earth reality changed this blaisehes clearly a human age about 90 yet hes not in a human body anymore at least not a physical one he claims to have spent much of the last 20 years commuting from his home planet in the celaeno system in the pleiades to earth why the pleiades because thats where the prime designers of the earth reside and the theosophon a kind of galactic musical event a song fest of the gods is the next step in the perfection of this design for consciousness the only reason burbage believes him is that he has had a bit of a wild adventure himself copies of his newly published book describing this sit on his coffee table hes seen this intriguing blaise a few times in the past and in fact hes edited two of his posthumous books burbage notes it wasnt that blaise had a mystery to reveal to me he was the mystery everything about him as the narration ripens over the next three years burbage is astonished to learn he was a key participant in the event even though up until this moment he had no memory of it blaise changes all that the theosophon he says was like a subtle slow motion psychic earthquake rumbling just beyond the border of normal perception like a band of angels were shaking the earth it lasted a day in terms of peak intensity but it is still happening years later

Qabalah - the Complete Golden Dawn Initiate 2015-08-20 following fritjof capra s arguments in the tao of physics this book seeks to draw a connection between western mysticism and theoretical physics specifically between string theory and the hebrew esoteric tradition of qabala arguing that the structure of space time is defined by the qabalistic tree of life modern theories developed to combine the incompatible theories of relativity and quantum mechanics nearly always postulate that the universe is defined in more dimensions than we are aware of 10 in the super symmetrical string theories and 11 in m theory and 11d supergravity this implies that in addition to the four dimensions from special relativity there exist six more compactified onto a 6d complex geometry
