Report of the Kansas State Board of Agriculture

1891

the first book to deal with the subject of ezra pound s relationships with japanese literature as a whole this book provides a wealth of new scholarship on this subject including on the 19th century japanese contexts that led to pound s interest in hokku and fenollosa s no translations on which pound based his own significant original research on pound s japanese friendships that enriched his understanding of japanese literature and an examination of all the explicit references to no in the cantos in unprecedented depth it demonstrates that the works for which ezra pound is most famous such as in a station of the metro and his epic poem the cantos were shaped by his lifelong interest in japanese literature

Annual Report of the Illinois State Dairymen's Association

1883

ezra pound was an influential propagandist for british italian and ultimately german fascist movements using long neglected manuscripts and cutting edge approaches to fascism as a political religion feldman argues that pound s case offers a revealing case study of a modernist author turned propagator of the fascist faith
