Tony Parsons on Life, Death and Breakfast 2010-09-16 special price for a limited time the bestselling author of man and boy turns his acute eye and pen to the biggest personal issues that face us as well as the annoying grit in the eye of everyday life

The Kids 1976-01-01 harry silver must adjust to his new life as a single father

Man and Boy 2001 it was always expected that lachie sinclair and his brothers would one day take over the family property kamilaroi but when tragedy strikes lachlan blames his father and angrily renounces any future for him at kamilaroi moving to the city lachie joins the police force and quickly rises through the ranks but after being injured in a gunfight he decides to go out on his own as a private investigator when a wealthy society woman asks lachie to lead the search for her missing daughter he reluctantly agrees early indications are that the woman s captors are hiding her in the pilliga region meaning lachie must return to his roots in order to try and save her life

Winners and Losers 1982 an innovative history of british youth culture during the 1970s and 1980s charting the full spectrum of punk s cultural development

Back to the Pilliga 2013-01-29 by the early twenty first century a phenomenon that once was inconceivable had become nearly commonplace in american society the public spiritual teacher who neither belongs to nor is authorized by a major religious tradition from the oprah winfrey endorsed eckhart tolle to figures like gangaji and adhyashanti there are now countless spiritual teachers who claim and teach variants of instant or immediate enlightenment american gurus tells the story of how this phenomenon emerged through an examination of the broader literary and religious context of the subject arthur versluis shows that a characteristic feature of the western esoteric tradition is the claim that every person can achieve spontaneous direct unmediated spiritual insight this claim was articulated with special clarity by the new england transcendentalists bronson alcott and ralph waldo emerson versluis explores transcendentalism walt whitman the beat movement timothy leary and the new age movement to shed light on the emergence of the contemporary american guru this insightful study is the first to show how asian religions and western mysticism converged to produce the phenomenon of spontaneously enlightened american gurus

No Future 2017-09-21 this book provides undergraduates with a step by step guide to successfully carrying out an independent research project or dissertation the book addresses each stage of the project by answering the questions that a student is likely to ask as the work progresses from choosing the subject area and planning the data collection through to producing illustrations and writing the final report most undergraduates in geography and related disciplines are required to undertake individual projects as part of their degree course this book is a source of constructive practical advice this new third edition continues the tradition of friendly well informed but informal support and continues to focus on answering the specific questions that students typically ask at each stage of the project the new edition brings the text completely up to date by taking into account changes within the discipline and changes in the ways that students work new digital media social networking mobile technology e journals anti plagiarism software ethics approval rules and risk assessments are among the issues that this new edition takes into account the new edition also broadens the book s appeal by extending its coverage of the wide range of different approaches to geographical research with expanded coverage of qualitative research geographic information systems and new approaches to research design in both physical and human geographies

1974 analysing political discourse in the british press during a time of crisis and austerity this book examines how the concept of the welfare state has been constructed between 2008 and 2015 at a time when the financial crisis and government policies have put the welfare state under increased pressure a corpus from four british newspapers from across the political spectrum the guardian daily mirror daily mail and daily telegraph is brought together to investigate the political debate on its evaluation and the ambiguity about its exact definition combining two theoretical approaches malgorzata paprota outlines the figurative models and scenarios relevant to this element of the political system the discourse historical approach to discourse analysis is used to establish what the welfare state is tracing the boundaries of the concept and which elements of political reality are explicitly associated with it conceptual metaphor theory is then used to explore the figurative conceptualisations of the welfare state together this book shows the discursive construction and shifting boundaries and metaphors of the welfare state by the british press and its use in current political debates

American Gurus 2014-04-01 providing a step by step guide for students this text looks at each stage of writing a dissertation for geography and related disciplines explaining basic approaches as well as how to collect and analyse data

How To Do Your Dissertation in Geography and Related Disciplines 2015-02-20 in awakening in the paradox of darkness gary tzu illuminates a path from within the dark realms to awakening into non dual being by allowing dreaded experiences such as fear trauma exhaustion abandonment nothingness death and non existence to serve as a portal into non dual transformation we discover the light within the darkness revealing the bedazzling paradoxical mystery of existence in this book gary invites readers on a healing journey into the heart of their darkest experiences for it is there in the midst of their most profound dread that non dual awakening lies

Constructing the Welfare State in the British Press 2020-12-10 this interdisciplinary work is driven by the question what can imaginings of the south reveal about the recent american past in it zachary j lechner bridges the fields of southern studies southern history and post world war ii american cultural and popular culture history in an effort to discern how conceptions of a tradition bound timeless south shaped americans views of themselves and their society and served as a fantasied refuge from the era s political and cultural fragmentations namely the perceived problems associated with urbanization and rootlessness the book demonstrates that we cannot hope to understand recent u s history without exploring how people have conceived the south

How to Do Your Dissertation in Geography and Related Disciplines 2005 first multi year cumulation covers six years 1965 70

Awakening in the Paradox of Darkness 2014-04-15 on saturday june 28 1986 george michael picked up his tasseled leather jacket walked out of london s wembley stadium and cheerfully tore up five years of glittering pop history he d just disposed of wham the band he d formed with school friend andrew ridgeley when they were teenagers and now at 23 he knew he was all grown up he just needed to convince everyone else faith is what happens when you ve outstripped your dreams your peers your friends and your fans and no one s caught up yet it s about pouring all of that confusion insecurity and sizzling ambition into music that comes out confused insecure and ambitious and then selling 25 million copies of it george michael was always preparing for this and in the process he set a template for all disaffected singers making that move this book examines that model and the themes that went into faith from engaging in politics to crossing over to a black audience and writing classic pop songs to endure and speaks to the surviving key players to tell the story of how it was made

The South of the Mind 2018-09-15 celebrity aspiration and contemporary youth uses the lens of celebrity to explore how young people think about their futures under austerity based on an interdisciplinary study the book offers fresh insights into contemporary youth aspirations and inequalities it helps us to understand young people s transitions into adulthood at a time of socio economic crisis drawing on original data the authors examine what it means for young people to be forming their aspirations within the context of austere meritocracy the book addresses three central questions what kinds of futures do young people desire and imagine for themselves what is required of young people in the process of achieving these futures and how are inequalities embedded and reproduced within these using young people s celebrity talk to explore their aspirations the authors challenge stereotypes of young people as a fame hungry get rich quick generation instead they show how young people engage critically with celebrity and its discourses key chapters focus on how young people talk about youth work authenticity success happiness money and fame in relation to their own lives and those of celebrities each of these chapters contains a case study of an international celebrity including beyoncé will smith bill gates prince harry and kim kardashian the authors conclude with possibilities for social change they show that celebrity offers an important way of working with young people to critically explore what futures are possible and for whom
