excerpt from the institute review for use in county normal
institute and by teachers in reviewing and preparing for an
examination in the following branches orthography reading
penmanship arithmetic language grammar geography physiology
history didactics civil government book keeping rhetoric
elementary science and drawing the method of reviewing should
be to read each statement separately and pause long enough
to consider it as to its meaning and what it includes as to
its position and relation to other parts of the subject and
its relation to the subject as a whole instructors using the
review in institute classes should follow the foregoing
suggestions in assigning the coming lesson teaching should be
done when the lesson is being assigned never say take to para
graph so and so for next lesson but have the class take what
you teach have the lesson read and discussed by sentences
assigning such matters to be looked up as may be necessary
but don't fail to call up the questions assigned about the
publisher forgotten books publishes hundreds of thousands of
