to editor atlanta journal constitution i believe your newspaper has been missing something

figures in them but from the picture they naturally give of a simple honest generous high minded character filled from youth to age with love and goodwill to her fellow creatures and a desire for their highest good an admirable collection of miss edgeworth s letters was printed after her death by her stepmother and lifelong friend but only for private circulation as all her generation has long since passed away mr edgeworth of edgeworthstown now permits that these letters should be read beyond the limits of the family circle an editor has had little more to do than to make a selection and to write such a thread of biography as might unite the links of the chain augustus j c hare in the flats of the featureless county of longford stands the large and handsome but unpretentious house of edgeworthstown the scenery here has few natural attractions but the loving care of several generations has gradually beautified the surroundings of the house and few homes have been more valued or more the centre round which a large family circle has gathered in unusual sympathy and love in his memoirs mr edgeworth tells us how his family which had given a name to edgeworth now edgeware near london came to settle in ireland more than three hundred years ago roger edgeworth a monk having taken advantage of the religious changes under henry viii had married and left two sons who about 1583 established themselves in ireland of these edward the elder became bishop of down and connor and died without children but the younger francis became the founder of the family of edgeworthstown always intensely protestant often intensely extravagant each generation of the edgeworth family afterwards had its own picturesque story till richard edgeworth repaired the broken fortunes of his house partly by success as a lawyer partly by his marriage in 1732 with jane lovell daughter of a welsh judge their eldest son richard lovell edgeworth was born in 1744 and educated in his boyhood at drogheda school and dublin university strong handsome clever ingenious and devoted to sports of every kind he was a general favourite but his high spirits often led him into scrapes the most serious of these occurred during the festivities attendant on his eldest sister s marriage with mr fox of fox hall at which he played at being married to a young lady who was present by one of the guests dressed up in a white cloak with a door key for a ring this foolish escapade would not deserve the faintest notice if it had not been seriously treated as an actual marriage by a writer in the quarterly review

1 new york times bestseller from the author of steve jobs and other bestselling biographies this is the astonishingly intimate story of the most fascinating and controversial innovator of our era a rule breaking visionary who helped to lead the world into the era of electric

vehicles private space exploration and artificial intelligence oh and took over twitter when elon musk was a kid in south africa he was regularly beaten by bullies one day a group pushed him down some concrete steps and kicked him until his face was a swollen ball of flesh he was in the hospital for a week but the physical scars were minor compared to the emotional ones inflicted by his father an engineer rogue and charismatic fantasist his father's impact on his psyche would linger he developed into a tough yet vulnerable man child prone to abrupt jekyll and hyde mood swings with an exceedingly high tolerance for risk a craving for drama an epic sense of mission and a maniacal intensity that was callous and at times destructive at the beginning of 2022 after a year marked by spacex launching thirty one rockets into orbit tesla selling a million cars and him becoming the richest man on earth musk spoke ruefully about his compulsion to stir up dramas i need to shift my mindset away from being in crisis mode which it has been for about fourteen years now or arguably most of my life he said it was a wistful comment not a new year's resolution even as he said it he was secretly buying up shares of twitter the world's ultimate playground over the years whenever he was in a dark place his mind went back to being bullied on the playground now he had the chance to own the playground for two years isaacson shadowed musk attended his meetings walked his factories with him and spent hours interviewing him his family friends coworkers and adversaries the result is the revealing inside story filled with amazing tales of triumphs and turmoil that addresses the question are the demons that drive musk also what it takes to drive innovation and progress
