Romance, She Wrote 2006-01-01

due in large measure to its unique literary genre the song of songs has been interpreted in diverse ways according to andrŽ lacocque this supports the notion that the issue with which any reader of the song must come to grips is first and foremost a hermeneutical one

Mother, She Wrote 2005

in this enjoyable and insightful book yi lin yu takes the heated and ongoing feminist debate over motherhood and maternal subjectivity onto a new plane in search of a new synthesis with its specific focus on the three tiered matrilineal narratives mother she wrote is distinguished by its complex and innovative deployment of psychoanalytic subject relations theories and a meticulous and detailed discussion of various literary texts which calls forth a powerful reformulation of these narratives one of the main strengths of this book is this simultaneous and tactful command of theory and literary practice apart from advocating the burgeoning development of women s writing of matrilineal narratives the author also sheds new light on further research in the area of feminist motherhood and mothering

Mary Poppins, She Wrote 2013-12-03

the story of mary poppins the quintessentially english and utterly magical children s nanny is

remarkable enough she flew into the lives of the unsuspecting Banks family in a children's book that was instantly hailed as a classic then became a household name when Julie Andrews stepped into the starring role in Walt Disney's hugely successful and equally classic film. Now she is a sensation all over again both on Broadway and in Disney's upcoming film *Saving Mr. Banks*. *Saving Mr. Banks* tells many of the stories in Valerie Lawson's biography of Mary Poppins she wrote, including P. L. Travers's move from London to Hollywood and her struggles with Walt Disney as he adapted her novel for the big screen. Travers, whom Disney accused of vanity for thinking she knew more about Mary Poppins than he did, was a poet and world-renowned author as tart and opinionated as Andrews's big-screen Mary Poppins. Was Cheery and porcelain beautiful yet it was a love of mysticism and magic that shaped Travers's life as well as the very character of Mary Poppins, the clipped, strict and ultimately mysterious nanny who emerged from her pen. Was the creation of someone who remained inscrutable and enigmatic to the end of her ninety-six years. Valerie Lawson's illuminating biography provides the first full look at the life of the woman and writer whose personal journey is as intriguing as her beloved characters.

Murder, She Wrote: Domestic Malice 2012-10-02

Homegrown homicide Jessica is volunteering at the Cabot Cove Women's Shelter when a woman walks in bruised physically and mentally. Her husband is a well-respected businessman in town. Could this paragon of virtue be abusing his wife despite Jessica's support and advice? The woman refuses to stay at the shelter, press charges or even report the abuse. But a few days later the entire town is shocked to hear that domestic abuse has turned to murder. Investigating the crime, Jessica soon discovers that the woman's family has secrets and lies that go beyond domestic violence and that the real killer may

be hiding behind a wall of silence that could send the wrong person to prison

Murder She Wrote 1982

this book explores the inter relationships between agatha christie and her works to seek the wholeness in the christie experience the authors perceive an integration in personal experience and moral and aesthetic values between the woman and her art

Monster, She Wrote 2019-09-17

meet the women writers who defied convention to craft some of literature s strangest tales from frankenstein to the haunting of hill house and beyond frankenstein was just the beginning horror stories and other weird fiction wouldn t exist without the women who created it from gothic ghost stories to psychological horror to science fiction women have been primary architects of speculative literature of all sorts and their own life stories are as intriguing as their fiction everyone knows about mary shelley creator of frankenstein who was rumored to keep her late husband s heart in her desk drawer but have you heard of margaret mad madge cavendish who wrote a science fiction epic 150 years earlier and liked to wear topless gowns to the theater if you know the astounding work of shirley jackson whose novel the haunting of hill house was reinvented as a netflix series then try the psychological hauntings of violet paget who was openly involved in long term romantic relationships with women in the victorian era you ll meet celebrated icons ann radcliffe v c andrews forgotten wordsmiths eli colter ruby jean jensen and today s vanguard helen oyeyemi curated reading lists

point you to their most spine chilling tales part biography part reader s guide the engaging write ups and detailed reading lists will introduce you to more than a hundred authors and over two hundred of their mysterious and spooky novels novellas and stories

She Wrote Her Blueprint 2006-10

this book is about the turbulent trek of one woman as a toddler teen and a tormented adult who wrote her blueprint and lived her life in order to ultimately learn her lessons but did she having been brought up in a strict catholic environment where physical affection was not shown lee looked for love in all the wrong places at sixteen and a virgin her boyfriend s brother raped her was this the reason she went on to having three marriages two of which could be described as disastrous and four children by four different fathers at twenty years of age she fell in love with a married man and longed for him for almost half her lifetime lee blames no one but herself for the traumas that transpired over her lifetime and thanks god for her life today

Murder, She Wrote: A Fatal Feast 2009-10-06

the bird is the world in the usa today bestselling series jessica fletcher would like to relax as thanksgiving comes to cabot cove but she s hosting a bountiful dinner for an ever growing guest list she couldn t be happier with the results until she stumbles upon a body with a carving knife stuck in its chest

Murder, She Wrote: Murder on Parade 2008-04-01

get ready for some serious fireworks with the newest installment in the usa today bestselling series more than 4 5 million copies in print every fourth of july the town of cabot cove hosts an elaborate celebration and no one is more enthusiastic than the town s newest resident corporate mogul joseph lennon he s desperate to give the town an unwanted 21st century makeover including financing a fireworks extravaganza to rival new york city s but when lennon s lifeless body is found floating in the water outside his office jessica fletcher has no choice but to investigate her fellow cabot cove citizens to find out if one of them is capable of murder

Ayn Rand and the World She Made 2009-10-27

ayn rand is best known as the author of the perennially bestselling novels the fountainhead and atlas shrugged altogether more than 12 million copies of the two novels have been sold in the united states the books have attracted three generations of readers shaped the foundation of the libertarian movement and influenced white house economic policies throughout the reagan years and beyond a passionate advocate of laissez faire capitalism and individual rights rand remains a powerful force in the political perceptions of americans today yet twenty five years after her death her readers know little about her life in this seminal biography anne c heller traces the controversial author s life from her childhood in russia during the bolshevik revolution to her years as a screenwriter in hollywood the publication of her blockbuster novels and the rise and fall of the cult that formed around her in the 1950s and 1960s throughout heller reveals previously unknown facts about rand s history and looks at rand with new research and a fresh perspective based on original research in russia dozens of interviews with rand s acquaintances and former acolytes and previously unexamined archives of tapes and letters ayn rand and the world she made is a comprehensive and eye opening portrait of one of the most significant and improbable figures of the twentieth century

... William Lloyd Garrison, 1805-1879 1885

focuses on nationality s efficacy in much of world affairs and on the background and issues surrounding global crisis

William Lloyd Garrison, 1805-1879: 1805-1835 1885

this book depicts the true story of frederick william miller and john armstrong robison who served the union in the 96th illinois volunteer infantry regiment during the civil war it follows the time they spent from training at camp fuller to being wounded at the battle of chickamauga through their letters and memoirs the two men vividly described the everyday events of a soldier s life the horrors of battle the pain and suffering of being wounded the journey from the battlefield to the hospitals in nashville the experience of amputation and the effects of gangrene on both men at the battle of chickamauga the 96th in the front line of whitaker s brigade marched double quick to the aid of general george thomas john as a member of the color guard was in the very front of their regiment granger s reserves arrived at snodgrass hill just in the nick of time the rock of chickamauga was nearly out of ammunition and in desperate need of reinforcements whitaker s green troops fought bravely that afternoon and by the end of the battle no one doubted that they earned the name iron brigade of chickamauga the story explodes when both are wounded the novel through john s memoirs tells the story of how the federal wounded soldiers of chickamauga traveled from the battlefield in georgia to the hospitals in nashville tennessee john told in his own words the pain and suffering that he and others endured during the week they traveled many on foot to nashville after the battle four days after walking over sixty miles to bridgeport he wrote finally the train was loaded and we started and oh the jar of that old box car was so great i had to sit squatted down on my toeslike and then the pain was so great in my arm that the tears would run from my eyes the novel also tells the fate of the slightly wounded these soldiers stayed with their regiments for a week or more before they received proper treatment which by then for many was too late exemplary of the state of their medical care are charles e belknap s remarks in

the confusion of the retreat primary operations could not be performed to the extent desired thus many cases of injuries of the knee and ankle joints subsequently proved fatal that might have been saved by timely amputations many of these soldiers like frederick died 213 pages 8 5 x 11 soft cover 17 b w photos 40 drawings 1maps 11other

The National Question and the Question of Crisis 2010-11-12

in this fully revised second edition of the classic young children reinvent arithmetic constance kamii describes and develops an innovative program of teaching arithmetic in the early elementary grades kamii bases her educational strategies on renowned constructivist jean piaget s scientific ideas of how children develop logico mathematical thinking written in collaboration with a classroom teacher and premised upon the conviction that children are capable of much more than teachers and parents generally realize the book provides a rich theoretical foundation and a compelling explanation of educational goals and objectives kamii calls attention to the ways in which traditional textbook based teaching can be harmful to children s development of numerical reasoning and uses extensive research and classroom tested studies to illuminate the efficacy of the approach this book is full of practical suggestions and developmentally appropriate activities that can be used to stimulate numerical thinking among students of varying abilities and learning styles both within and outside of the classroom in this new edition of her important book connie kamii demonstrates scholarship not just in what she has written but in her willingness to incorporate new ideas and findings many people update their books few assiduously revise them confronting what they believe to be past errors or gaps in their thinking such intellectual honesty along with consistent connections between theory and

practice make this book a solid contribution to mathematics education of young children douglas clements state university of new york at buffalo the development of young children s logico mathematical knowledge is at the heart of this text similar to the first edition this revision provides a rich theoretical foundation as well as child centered activities and principles of teaching that support problem solving communicating reasoning making connections and representing mathematical ideas in this great resource for preservice and in service elementary teachers professor kamii continues to help us understand the implications of piagetian theory frances r curcio new york university

Write As Soon As You Git This 2006-08-01

the winner of britain s prestigious whitbread prize and a bestseller there for months this wonderfully readable biography offers a rich rollicking picture of late eighteenth century british aristocracy and the intimate story of a woman who for a time was its undisputed leader lady georgiana spencer was the great great great great aunt of diana princess of wales and was nearly as famous in her day in 1774 at the age of seventeen georgiana achieved immediate celebrity by marrying one of england s richest and most influential aristocrats the duke of devonshire launched into a world of wealth and power she quickly became the queen of fashionable society adored by the prince of wales a dear friend of marie antoinette and leader of the most important salon of her time not content with the role of society hostess she used her connections to enter politics eventually becoming more influential than most of the men who held office her good works and social exploits made her loved by the multitudes but georgiana s public success like diana s concealed a personal life that was fraught with suffering the duke of devonshire was unimpressed by his wife s legendary charms preferring instead

those of her closest friend a woman with whom georgiana herself was rumored to be on intimate terms for over twenty years the three lived together in a jealous and uneasy ménage à trois during which time both women bore the duke s children as well as those of other men foreman s descriptions of georgiana s uncontrollable gambling all night drinking drug taking and love affairs with the leading politicians of the day give us fascinating insight into the lives of the british aristocracy in the era of the madness of king george iii the american and french revolutions and the defeat of napoleon a gifted young historian whom critics are already likening to antonia fraser amanda foreman draws on a wealth of fresh research and writes colorfully and penetratingly about the fascinating georgiana whose struggle against her own weaknesses whose great beauty and flamboyance and whose determination to play a part in the affairs of the world make her a vibrant astonishingly contemporary figure

African American Achievers, Grades 3 - 5 2006-12-04

this author appreciates writing poetry novels childrens stories the performing arts and music of many genres she was raised on gospel and country music played on an old victrola phonograph with a black and white dog staring into a gramophone on the inside of the cover today this author has become enamored with and is fangirling over country a cappella music which is relatively new curious about the behind the scenes activities of a successful bands life living on the edge of temptations in todays media frenzied world she created a believable group running through life on unbelievable favor spearheaded by love between a wealthy incredibly intelligent and beautiful african american ballerina and a super talented tenor from the deep south and their unique way of overcoming racial issues with love murder sex and drugs fuel the life and romance of these two extraordinary opposite characters living and excelling way above the normal expectations of life hinting into the cosmic pluralism like no one has ever experienced before this author spent thirty five years in the busy topsy turvy support

area of corporate america starting with the fbi and ending in the legal field before being forced to retire on disability this is her first adult romance novel she writes and has published poetry on poetry.com with two poems published in anthologies she was the author and publisher of newsletters for boy scout troop and pack 731 the indian creek district and for newsletters service bulletins and memorial programs for two churches the author is a widow who lives in waldorf maryland with her son daughter law grandson and grandpup toli

Working with Functional Grammar 2013-02-06

contributing to the conversation regarding angela carter s problematic relationship with what she viewed as the interrelated traditions of surrealism and psychoanalysis scott dimovitz explores the intricate connections between carter s private life and her public writing he begins with carter s assertion that it was through her sexual and emotional life that she was radicalized drawing extensively on the british library s recently archived collection of carter s private papers journals and letters to show how that radicalization happened and what it meant both for her worldview and for her writings through close textual analysis and a detailed study of her papers dimovitz analyzes the ways in which this second wave feminist s explorations of sexuality merged with her investigations into surrealism and psychoanalysis an engagement that ultimately led to the explosively surreal allegories of carter s later more complex and more accomplished work his study not only offers a new way to view carter s oeuvre but also makes the case for the importance of angela carter s vision in understanding the transformations in feminist thinking from the postwar to the postfeminist generation

Police Officer Exam For Dummies 2022-02-15

first published in 1957 the english woman in history displays the place women have held and the influence they have exerted within the changing pattern of english society ever since the days of queen elizabeth i the position of women in english society has been a matter of general debate in the seventeenth century many men produced books in praise of women following the example of thomas heywood most of these books were devoted to the praises of individual women but their authors generally produced arguments against subjection of all women to the unthinking dominance of men while married women were still legally subject to their husbands and no women were allowed to take part in public affairs it was impossible to write objectively about women s place in the world the women who at the end of the seventeenth century began to write were generally fired by a sense of injustice and men tended to write condescendingly of charm and beauty which interested them more than intelligence and wit now that women are bearing public responsibilities with success it is possible for historians to look back dispassionately over the centuries and trace the stages by which this position has been won it is a survey of this nature which lady stenton has attempted in this book this is a must read for students and scholars of women s history gender studies and women s movement

The Exhaustive Concordance of the Bible 1894

fascinating kavita puri BBC History Magazine a fierce intense picture of this aspect of the war it will stay with me Elizabeth Buchan author of Two Women in Rome on the evening of 31 March 1916 a 23 year old woman was led from her prison cell in occupied Brussels she wore a long blue coat and walked like a soldier the chaplain asked if she would like a blindfold before her execution I am not afraid of looking into the rifles she replied I have been expecting this for a long time this is not a traditional history of the First World War it is the untold story of the women of the resistance in Belgium and occupied France during that conflict Rick Stroud describes how the actions of eight exceptionally brave women affected the course of the war before the Germans invaded they were

ordinary people some like gabrielle petit were working class some like edith cavell were from the bourgeoisie and some like the princess de croÿ were from the upper echelons of society the youngest was only twenty one the women took enormous risks and produced extraordinary results they established underground networks transmitted coded information carried out sabotage attacks and helped to repatriate allied soldiers what they did was dangerous and exhausting and the penalties were severe three faced the firing squad recounting their heroism and their inevitable tragedies i am not afraid of looking into the rifles is an enthralling story beautifully told in revealing the inspiring work of these remarkable women rick stroud will introduce you to an entirely new version of the war to end all wars

Angela Carter: Surrealist, Psychologist, Moral Pornographer **2016-03-02**
