## **The English Monster**

2012-03-01

in the east end of regency london two families lie butchered residents of the notorious ratcliff highway the victims bear the mark of unprecedented brutality panic sweeps the country as its public cries for justice but these murders stem from an older horror its source a sea voyage two centuries old in a ship owned by queen elizabeth herself a young man embarks on england s first venture into a new trade human souls as a nation s sins ripen and bloom to be harvested in a bloody frenzy on the twisted streets of regency wapping an english monster is born a story as rich in ideas as it is in intrigue independent on sunday brilliantly imagined evokes such creations as shardlake and jonathan strange mr norrell sun

## **The English Monster**

2012-05-29

thames river police office magistrate john harriott must rely on a senior officer to solve two brutal killings while in mid sixteenth century plymouth a young man dreams of a better life only to fall victim to the brutal slave trade

## **Savage Magic**

2014-08-28

from the author of the english monster comes savage magic a brilliant new historical thriller a riveting tale of villainy madness and murder covent garden 1814 the winding city streets are a centre of vice to which rich and poor alike are drawn by the promise of gin ale and other carnal diversions in opulent private rooms several fashionable young men have been found murdered each wearing a satyr s mask each behind a locked door constable charles horton of the river police office is called in to investigate using his startling new detection methods and soon finds himself at thorpe lee house in surrey where accusations of witchcraft have swept through the village what connects these london aristocrats turned savage in the pursuit of pleasure and a country backwater suddenly awash with folklore and talk of burning witches in this strange and captivating world it is a savage magic indeed that holds its victims in its thrall wonderful clever lyrical atmospheric and tells a damn fine story joanne harris a superbly creepy supernatural thriller shepherd has a talent for creating atmospheres that chill the spine perfect reading for a cold night the times splendid entertainment delivered despite the echoes of dickens and wilkie collins with a crisp modern flourish independent on sunday

## **London's Lost Power Stations and Gasworks**

2013-04-01

many of london s original power stations have either been demolished converted for other use or stand derelict awaiting redevelopment that is seemingly always just out of reach however in their prime these mighty cathedrals of power played a vital role in london s journey towards becoming the world s most important city gasworks also played a key role built in the victorian era to manufacture gas for industry and the people before later falling out of favour once natural gas was discovered in the north sea london s lost power stations and gasworks looks at the history of these great places famous sites that are still standing today such as those at battersea and bankside now the tate modern gallery are covered in detail but so are the previously untold stories of long demolished and forgotten sites appealing to anyone with even the slightest interest in london derelict buildings or urban exploring this book uses london s power supply as the starting point for a fascinating hidden history of britain s capital and of the more general development of cities from the era of industrialisation to the present day

## ***The Poisoned Island***

2013-02-28

author of the english monster takes us on another voyage of discovery from kew gardens to the island of otahete by way of a murder investigation london 1812 for forty years britain has dreamed of the pacific island of tahiti a dark paradise of bloody cults and beautiful natives now decades after the first voyage of captain cook a new ship returns to london crammed with botanical specimens and it seems the mysteries of tahiti when days after the solander s arrival some of its crew are found dead and their sea chests ransacked their throats slashed faces frozen into terrible smiles john harriott magistrate of the thames river police puts constable charles horton in charge of the investigation but what connects the crewmen s dying dreams with the ambitions of the ship s principal backer sir joseph banks of the royal society and how can britain s new science possibly explain the strangeness of tahiti s floral riches now growing at kew horton must employ his singular methods to uncover a chain of conspiracy stretching all the way back to the foot of the great dead volcano tahiti nui beneath the hungry eyes of ancient gods i loved it very stylish very ingenious and very well written joanne harris shepherd adroitly blurs fact and fiction with a hint of the fantastic creating his own superior blend of historical crime fiction financial times georgian london is vividly brought to life a gutsy involving yarn guardian

## **Lloyd's Encyclopædic dictionary**

1895

despite the port s prominence in maritime history its cultural significance has long been neglected in favour of its role within economic and imperial networks defined by their intersection of maritime and urban space port towns were sites of complex cultural exchanges this book the product of international scholarship offers innovative and challenging perspectives on

the cultural histories of ports ranging from eighteenth century africa to twentieth century australasia and europe the essays in this important collection explore two key themes the nature and character of sailortown culture and port town life and the representations of port towns that were forged both within and beyond urban maritime communities the book s exploration of port town identities and cultures and its use of a rich array of methodological approaches and cultural artefacts will make it of great interest to both urban and maritime historians it also represents a major contribution to the emerging interdisciplinary field of coastal studies

## **Port Towns and Urban Cultures**

2016-05-04

eighteenth century london the lives of the sisters fitzgerald constance and verity become entwined with the nearby fowler household charged with providing safe harbour to a mysterious baby from far away camden london 2015 december 17th the lives of the sisters fitzgerald constance and verity are consumed by the wait for this boy who may or may not be dead there is no way of knowing deep within the savage beauty of iceland a hidden pool grants those who drink from it endless life for those that have their secret must remain held close for two hundred years but time is slipping away and malign forces are gathering and for those who have sipped from the pool they discover all too quickly that immortality is no gift because in the absence of death true darkness emerges

## ***The Parentations***

2018-03-29

although many opera dictionaries and encyclopedias are available very few are devoted exclusively to operas in a single language in this revised and expanded edition of operas in english a dictionary margaret ross griffel brings up to date her original work on operas written specifically to an english text including works both originally prepared in english as well as english translations since its original publication in 1999 griffel has added nearly 800 entries to the 4 300 from the original volume covering the world of opera in the english language from 1634 through 2011 listed alphabetically by letter each opera entry includes alternative titles if any a full descriptive title the number of acts the composer s name the librettist s name the original language of the libretto and the original source of the text with the source title the date place and cast of the first performance the date of composition if it occurred substantially earlier than the premiere date similar information for the first u s including colonial and british i e in england scotland or wales performances where applicable a brief plot summary the main characters names and vocal ranges where known some of the especially noteworthy numbers cited by name comments on special musical problems techniques or other significant aspects and other settings of the text including non english ones and or other operas involving the same story or characters cross references are indicated by asterisks entries also include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings griffel also includes four appendixes a selective bibliography and two indexes the first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the a z entries including as well as the date of first performance the city of the premiere the short title of the opera and the composer griffel also include a main character index and an index of singers conductors producers and other key figures

## **Operas in English**

2012-12-21

in contrast to other figures generated within social theory for thinking about outsiders such as rene girard s scapegoat and zygmut bauman s stranger foucault s monsters and the challenge of law suggests that the figure of the monster offers greater analytical precision and explanatory power in relation to understanding the processes whereby outsiders are constituted the book draws on michel foucault s theoretical and historical treatment of the category of the monster in which the monster is regarded as the effect of a double breach of law and nature for foucault the monster does not simply refer to a particular kind of morphological or psychological irregularity for the body or psyche in question must also pose a threat to the categorical structure of law in chronological terms foucault moves from a preoccupation with the bestial human in the middle ages to a concern over siamese or conjoined twins in the renaissance period and ultimately to a focus on the hermaphrodite in the classical age but although foucault s theoretical framework for understanding the monster is affirmed here this book s study of an english legal history of the category monster challenges some of foucault s historical claims in addition to considering this legal history the book also addresses the contemporary relevance of foucault s theoretical framework structured around foucault s archetypes and the category crises they represent admixed embryos conjoined twins and transsexuals the book analyses their challenge to current distinctions between human and animal male and female and the idea of the proper legal subject as a single embodied mind these contemporary figures like the monsters of old are shown to threaten the rigidity and binary structure of a law that still struggles to accommodate them

romanticism was not only heterogeneous and disunited it also had to face the hostile counter movement of the enlightenment and augustan neoclassicism still going strong at the time of and in the decades following the french revolution due to support from the ruling establishment the ancien regime of the crown and church of england neoclassicists regarded romanticism as a heteretical amalgam of dissenting new schools which threatened the monopoly of the classical tradition the acrimonious debates in aesthetics and politics were conducted with the traditional strategies of the classical ars disputandi on both sides under the duress of the heaviest satirical attacks romanticism began gradually to see itself as one movement giving rise to the problematic opposition of classical and romantic the construction of this rough divide however was indispensable for the clarification of different positions in the hubbub of conflicting voices and has also proved critical in literary and cultural studies which cannot do without such subsumptions the classical tradition encompassing christianity emerges as an ongoing event from greek and latin antiquity running through to our time

anti democracy in england 1570 1642 is a detailed study of anti democratic ideas in early modern england by examining the rich variety of debates about democracy that took place between 1570 and 1642 it shows the key importance anti democratic language held in the late tudor and early stuart periods in particular it argues that anti democratic critiques were addressed at popular government as a regime that empowered directly and fully the irrational uneducated dangerous commonalty it explains why and how criticism of democracy was articulated in the contexts here under scrutiny and it demonstrates that the early modern era is far more relevant to the development of democratic concepts and practices than has hitherto been acknowledged the study of anti democracy is carried out through a close textual analysis of sources often neglected in the history of political thought and by way of a contextual approach to elizabethan jacobean and caroline history most importantly the study re evaluates the role of religion and cultural factors in the history of democracy and of political ideas more generally the point of departure is at a time when the establishment and presbyterians were at loggerheads on pivotal politico ecclesiastical and theoretical matters the end coincides with the eruption of the civil wars cesare cuttica not only places the unexplored issue of anti democracy at the centre of historiographical work on early modern england but also offers a novel analysis of a precious portion of western political reflection and an ideal platform to discuss the legacy of principles that are still fundamental today
