Quite a Year for Plums

2008-12-10

anyone who has read the best selling mama makes up her mind or listened to bailey white s commentaries on npr knows that she is a storyteller of inimitable wit and charm now in her stunningly accomplished first novel she introduces us to the peculiar yet lovable people who inhabit a small town in south georgia meet serious studious roger the peanut pathologist and unlikely love object of half the town s women meet roger s ex mother in law louise who teams up with an ardent typographer in an attempt to attract outer space invaders with specific combinations of letters and numbers and meet della the bird artist who captivates roger with the sensible but enigmatic notes she leaves on things she throws away at the dumpster this fan works but makes a clicking sound and will not oscillate heartbreakingly tender often hilarious quite a year for plums is a delectable treat from a writer who has been called a national treasure

Revised Opinions of the Japanese Plums

1896

this special re print edition of liberty hyde bailey s book the cultivated native plums and cherries is a guide to growing cherries and plums written in 1892 this classic text provides insight into the cultivation of cherries and plums native to north america included are insights into their taxonomy native habitat cultivation on farms or in the garden and their uses as crops note this edition is a perfect facsimile of the original edition and is not set in a modern typeface as a result some type characters and images might suffer from slight imperfections or minor shadows in the page background

The Cultivated Native Plums and Cherries
