martin luther was so angered by the sale of indulgences pardons for sins granted by the pope that in 1517 he nailed ninety five arguments for reform of the roman catholic church to the doors of the church and the castle at wittenberg this act began one of the most momentous periods of change in history the reformation so much has been written on luther that anyone with no prior knowledge wishing to find out about him is bound to be confronted with the question where do i start this book is an introduction succinct and readable but historically sound it covers or summarises luther's major works and the main events of his life it invites the reader to meet him at his study desk in the lecture hall in the pulpit and at the dinner table because it is based on luther's own writings the reader can be sure that this is the real luther the genuine article not an account influenced by the author's own views or bias chronicles the life of the german monk whose writings initiated the protestant reformation luther's works the american edition published by concordia and fortress press between 1955 and 1986 comprises fifty five volumes these are a selection representing only about a third of luther's works in the latin and german of the standard weimar edition not including the german bible when luther was prevailed upon to write a preface to the projected complete edition of his latin writings in 1545 about a year before his death he took the opportunity to review the high points of his career to show that he really never had the time and talent to produce literature worth preserving that in publishing these works he was now merely yielding to his friends argument that his works would be published in any case if not with his cooperation then possibly by men who had no real understanding of them that was one thing but in that preface luther also implored the reader of his latin writings for the sake of our lord jesus christ himself to read those things judiciously yes with great commiseration with luther's lectures on the

epistle to the romans he had a splendid opportunity to share with his students the great find of his life that place in paul which was for me truly the gate of paradise martin luther s basic theological writings has become the gold standard for use in seminary and college environments it not only offers all of luther s most influential noted and important writings in the modern translations but also includes excerpts of his sermons and letters that shed light on luther s own religious and theological development the volume takes the reader straight to luther the man to his controversial reformation insights to his strongest convictions about god and scripture and the life of the church and most valuably to his theology a still exciting encounter with the meaning of jesus christ for each age as part of his efforts at reformation martin luther 1483 1546 wrote these short but inspirational study guides to the bible which summon the reader of the bible to faith in christ this is a wonderful anthology its texts not only span the whole of luther s reforming career but also cover the theological political and social issues that mattered most to him and his age best of all the original integrity of the texts remains perceptible even when abridged this valuable collection will be a great teaching tool and also a most useful resource for anyone interested in luther or the protestant reformation carlos eire yale university author of reformations the early modern world 1450 1650 yale university press contents thematic table of contents general introduction 1 preface to the complete edition of the latin writings 1545 2 disputation on the power of indulgences the ninety five theses 1517 3 sermon on indulgence and grace 1518 4 disputation held at heidelberg 1518 5 to the christian nobility of the german nation 1520 6 the babylonian captivity of the church 1520 7 on the freedom of a christian 1520 8 preface to the new testament 1522 9 preface to the epistle of st paul to the romans 1522 10 on married life 1522 11 on secular authority to what extent it must be obeyed 1523 12 that jesus christ was born a jew 1523 13 against the heavenly prophets concerning images and the sacrament 1525 14 against the robbing and murdering hordes of peasants 1525 15 the bondage of the will 1525 16 the german mass and order of divine service 1526 17 how christians should regard moses 1527 18 concerning rebaptism 1528 19 hymns pre 1529 20 on the war against the turks 1529 21 the small catechism 1529 22 commentary on st paul s epistle to the galatians 1535 23 the schmalkald articles 1537 24 letter to landgrave philipp of hesse 1539 25 on the jews and their lies 1543 suggestions for further reading index dr martin luther s fundamental work a treatise on good works encapsulates the essential principles of the protestant reformation and offers a new viewpoint on the relationship between faith and good acts this version of a treatise on good works is both modern and legible with an eye catching new cover and professionally typeset manuscript some narratives are violent and bizarre while others one sneak up on you and gradually consume you because the title character is so self indulgent readers are forced to keep reading this narrative is full of unexpected twists and turns which will keep the reader engaged the central element of luther s argument is that redemption is obtained via trust in god s compassion rather than through good works or external acts of piety he is a vocal critic of the widely held concept that people can earn their salvation through their actions luther on the other hand argues that true righteousness is born of faith in christ in a treatise on good works luther argues that a life of faith and love should serve as the foundation for all good works he emphasizes that good deeds should flow naturally from a changed heart rather than being done in order to gain salvation or god s favor on the bondage of the will was martin luther s reply to desiderius erasmus work on free will which had appeared in 1524 as erasmus first public attack on luther after erasmus had been wary about the methods of luther for many years at issue was whether human beings after the fall of man are free to choose good or evil erasmus had asserted that all humans possessed free will and that the doctrine of predestination was not in accord with the teachings contained in the bible luther s response was to reason that sin incapacitates human beings from working out their own salvation and that they are completely incapable of bringing themselves to god the debate between luther and erasmus is one of the earliest of the reformation over the issue of free will and predestination in reference to paul s epistle to the romans martin luther penned it is really the chief
