

# Reading free Chapter 25 section 5 china the new imperialism (PDF)

on october 14 2020 the secretary of state submitted a report to congress pursuant to section 5 a of the hong kong autonomy act hkaa which listed 10 foreign persons that the secretary of state in consultation with the secretary of the treasury determined are materially contributing to have materially contributed to or attempted to mate pursuant to section 5 a of the hong kong autonomy act hkaa or act p l 116 149 not later than 90 days after the date of the enactment of the hkaa if the secretary of state in consultation with the secretary of the treasury determines that a foreign person is materially contributing to has materially contributed to or under section 5 g of the act a foreign person materially contributes to the failure of the government of china to meet its obligations under the joint declaration or basic law if the person 1 took action that resulted in the inability of the people of hong kong a to enjoy freedom of assembly speech press or independent rule of law o following an in depth review by the united states trade representative president biden is taking action to protect american workers and american companies from china s unfair trade practices the biden harris administration recognizes growing concerns that unfair chinese trade practices including flooding the market with below market cost steel are distorting the global shipbuilding the directors of the uk military intelligence section 5 mi5 and the us federal bureau of investigation on wednesday shared a public platform for the first time and warned of china s increased espionage activity on uk and us intellectual property the five year plans chinese 五 年 计 划 pinyin wǔnián jìhuà are a series of social and economic development initiatives issued by the chinese communist party ccp since 1953 in the people s republic of china since 1949 the ccp has shaped the chinese economy through the plenums of its central committee and national party congresses section 5 suspension of sentence article 72 where a convict sentenced to criminal detention or imprisonment of not more than 3 years meets the following conditions a probation may be announced and a probation shall be announced if he is under the age of 18 is pregnant or attains the age of 75 1 the circumstances of the crime are minor the constitution of the people s republic of china is the supreme law of the people s republic of china it was adopted by the 5th national people s congress on december 4 1982 with further revisions about every five years the biden administration has delayed punitive economic measures against china and played down beijing s intensifying intelligence gathering to avoid jeopardizing its efforts to revive diplomatic section 5 china s threat to freedom of expression in the united states the trump administration s task has become more urgent because china s human rights abuses do not only affect the people of china but now also present a challenge to freedom of expression in the united states section 5 governmental attitude regarding international and nongovernmental investigation of alleged abuses of human rights the government sought to maintain control over civil society groups halt the emergence of independent ngos and hinder activities of civil society and human rights groups to contend with the attendant national security and economic risks whether real or perceived congress recently took decisive action via the annual defense authorization process to prohibit federal procurement of electronic parts products or services that include certain chinese semiconductors as well as federal contracting with an entity section 5 china s evolving north korea strategy key findings china considers the disposition of north korea to be vital to its national security interests despite a complicated and often antagonistic history between the two countries biden administration announced its review of china s trade practices under trade act section 301 to maintain current tariffs on chinese imports and impose new tariffs on chinese products this section examines china s tightening domestic information controls including the implications for u s companies ability to effectively conduct business china s new social credit system which will leverage vast data collection capabilities to incentivize thought and behavior that is approved by the chinese government in 2002 he retired but stayed active behind the scenes he and the new president hu jinto supported china s move to a market economy study with quizlet and memorize flashcards containing terms like china legacy of mao cultural revolution 1966 1976 and more open door policy policy to keep chinese trade open to everyone on an equal basis that imperial powers accepted guang xu young emperor launched the hundred days of reform new laws set out to modernize the civil service exams streamline government and encourage new industries section 5 governmental posture towards international and nongovernmental monitoring and investigation of alleged abuses of human rights the government sought to maintain control over civil society groups halt the emergence of independent ngos and hinder activities of civil society and human rights groups chapter 19

section 5 china reform and reaction i legacy of mao mao s legacy was based on the lives of the peasant peasant equality revolutionary spirit and hard work were the cornerstones of how china would survive in the world however mao s cultural revolution caused many problems and had to be restrained and changed
