memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles the popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them in the past readers advisors have depended on access by names or dewey classifications and subjects to help readers find autobiographies they will enjoy this guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads life stories a guide to reading interests in memoirs autobiographies and diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books mark twain once said the rumors of my death were greatly exaggerat brains pulled from the grip of mark twain s rotting zombie hands is tom sawyer like you ve never seen him before in a swashbuckling treasure seeking adventure spiked with blood gore and zombie madness in this expanded and illustrated edition of mark twain s beloved tale of boyhood adventures tom s usual mishaps are filled with the macabre and take place in a world overrun by a zombie virus that turns people into something folks call zum the united states is infected with a plague of rotting yet spry zum searching for fresh meat in this world there s no need to whitewash aunt polly s fence instead tom cons his friends into sharpening fence posts to lethal points to repel a zum attack to escape the boredom of civilized life tom and his pal huckleberry finn don t have to fake their deaths just pretend to be zum and instead of playing cowboys and indians tom hones his fighting skills in a bloodthirsty game of us and zum he always wins until he bumps into the real thing when vicious self aware zombies evolve and threaten the town what will tom and huck do to protect their loved ones and will they live to tell the tale with all the comedy romance and adventure that readers expect from mark twain tom sawyer now becomes a new breed of hero for a whole new world a grade a zombie hunter at the publisher s request this title is being sold without digital rights management software drm applied the public library a haven of calm source of information home to the student the geek and the aging librarian or so you might think don borchert s ten years as assistant librarian have taught him that a library is more than just a place to borrow books it s also a place where people hide from the law fall in love fight deal drugs introduce their children to reading look up porn and pursue their dreams borchert s hilarious memoir delves behind the bookshelves as he discovers the weird dangerous and downright dirty world of a public library and the fearless civil servants who patrol its aisles not long ago the public library was a place for the bookish the eggheaded and the studious often seeking refuge from a loud irrational crude outside world today libraries have become free for all entertainment complexes filled with rowdy teens deviants drugs and even sex toys lockdowns and chaperones are often necessary what happened don borchert was a short order cook door to door salesman telemarketer and christmas tree chopper before landing a job in a california library he never could have predicted his encounters with the colorful kooks touching adolescents threatening bullies and tricksters who fill the pages of this hilarious memoir infree for all borchert offers readers a ringside seat for the unlikely spectacle of mayhem and absurdity that is business as usual at the public library you ll see cops bust drug dealers who ve set up shop in the men s restroom witness a burka wearing employee suffer a curse ridden nervous breakdown and meet a lonely neglected kid who grew up in the library and still sends postcards to his surrogate parents the librarians in fact from the first page of this comic debut to the last you ll learn everything about the world of the modern day library that you never expected up to 1988 the december issue contained a cumulative list of decisions reported for the year by act docket numbers arranged in consecutive order and cumulative subject index by act my name is simon i m 10 years old i m a serial killer robert stern a successful defence lawyer doesn t know what lies in store for him when he agrees to meet a new client in a derelict estate on the outskirts of berlin to his astonishment the defendant is a ten year old boy simon a fragile child with a chronic illness who insists that he was a murderer in a former life stern s surprise quickly turns to horror as he searches the cellar simon has directed him to and discovers the skeletal remains of a man the skull split with an axe just as simon told him he would but this is only the beginning as simon tells stern where to find even more victims whose bodies have lain undisturbed for years suddenly the present feels murderously dangerous as well the child is a darkly twisting page turning thriller that will make your heart pound with adrenaline includes beginning sept 15 1954 and on the 15th of each month sept may a special section school library journal issn 0000 0035 called junior libraries 1954 may 1961 also issued separately wolfgang borchert was born in germany in 1921 and died in basel switzerland in 1947 his life effectively paralleled the rise to power of the nazi regime of the third reich in germany borchert wrote directly and indirectly of his experiences during this twelve year time capsule of german history foremost as a sensitive poet but also as a soldier drafted into the german army borchert s life and work offer a chronicle of and protest to german life under this totalitarian rule he describes his society as a prison and his experiences in prison as a self contained social entity he poignantly portrays the fear and anger felt by german soldiers as they simultaneously combat not only the enemy but also their natural surroundings of earth and snow a chronicle of germany s dictatorship and post war collapse borchert s existentially universal themes of confinement alienation psychological and physical trauma transcend the events of mid 20th century germany the author s almost generic descriptions never does he mention germany or nazism in his writings find echoes in the events currently appearing almost daily in the news reports of humans inhumanity to each other this study begins with a brief history of women s softball noting its importance as a precursor to and talent pool for women s professional baseball next the book investigates changing league administration and organization publicity and promotional philosophy and practices receive particular attention later chapters cover team administrative structure team managers and chaperones provided by publisher television critics complain it s unrealistic fbi agents mulder and scully tracking extraterrestrial intelligences loose upon the world followers of the x files tv series can t seem to get enough now author hal schuster offers fans the key to unlocking the x files his latest book unauthorized guide to the x files reveals everything the television network fox doesn t want viewers to know it will help readers unravel the story line episode by episode they ll discover bloopers that were covered up and others that went forgotten they can download inside jokes internet data and scoops about comic book and novel clones this x traordinarily detailed guide provides a probing look at the x file series which has received the golden globe awards and recognition in the emmys from its conception to its fourth year on air readers will discover what inspired chris carter an ex surfer to create the x files how critics the industry and viewers have reacted to the series how similar anderson and duchovny are to the characters mulder and scully how many mistakes appear in an average episode of the x files even tv critics may want to investigate this one unauthorized guide to the x files opens with an analytical look at the latest real life evidence pointing toward outer space intelligence according to schuster tv s most terrifying series may be far closer to reality than fiction it also includes an extensive appendix that lists real life x files and the organizations that investigate them as well as an overview of the federal bureau of investigation readers will find listed hundreds of magazines agencies and on line sites featuringthe sort of topics found on the x files about the author hal schuster is the author of the trekker s guide to voyager and the trekker s guide to the next generation both from prima he lives in bangkok and berkeley california includes section reviews and notices of books
