during a routine stake out of a major client s former home v i stumbles upon something she didn t expect to find a body the police immediately dismiss the victim as a drunken intruder but v i sees things differently hired by the dead man s family to investigate v i is lead back to the blacklists of the mccarthy era as well as into the murky operations of modern american government stopping at nothing in her quest for justice v i soon discovers the perilous cost of bringing dark secrets to light sara paretsky s groundbreaking mystery series about chicago private investigator v i warshawski debuted in 1982 and is still going strong she is a co founder of sisters in crime worldwide organization supporting women writers a sought after public speaker and the 2015 president of the mystery writers of america this book is the first comprehensive reference work on paretsky providing an overview of the warshawski novels and short stories her other novels a volume of collected essays her anthologies and journalism special attention is paid to the character of warshawski the tough street smart detective who challenges stereotypical representations of women in crime fiction and to the significance of the chicago setting a guide to the scholarly and critical debates is included along with discussion of media adaptations and references to key websites

the detective figure in contemporary american crime fiction increasingly relies on revenge to bring about justice in a society where there has been a sharp decline in moral values this study demonstrates how the notion of the detective as a moral exemplar or heroic ideal breaks down in the works of writers such as james ellroy and sara paretsky v i

written in an accessible narrative style the afterlife of little women speaks to scholars librarians and devoted alcott fans

in the hands of many of the great writers the unravelling of mystery is only one strand within a complex project other things get unravelled too the belief in a rationally explicable world in the beneficent ordering force of culture and civilization constantly the detective story delights in muddying the waters in acknowledging the omnipresent possibilities of anarchy and carnage as a genre it is supremely able to combine popular appeal with the ability to disturb provoke and challenge the reader the essays in this volume all pay tribute to and seek to account for the astonishing durability of the detective story as a narrative genre

they range generously taking a variety of theoretical approaches and including detective fiction in languages other than english but particular attention is paid to the golden age of english detective story writing and to the hard boiled american version of the genre this is a collection that will appeal to the scholar and to the devotee alike to all those in fact who cannot resist the lure of finding out whodunit the celebrity birthday directory provides the birthdays to thousand of film stars rock stars athletes tv personalities authors politicians and other famous people listed in alphabetical order a z international in scope and varied in its theoretical approaches this collection of ten new critical essays examines the prevailing trends in recent crime fiction of particular interest are shifting and increasingly globalized conceptions of crime as well as the genre s response to technological legal and social changes at the end of the 20th century employing critical tools new to crime fiction studies the essays also gesture toward a future for genre scholarship

popular and groundbreaking crime novelist sara paretsky earned a phd in history at the university of chicago in the mid 1970s with a dissertation on moral philosophy and religion in new england in the early and mid nineteenth century this edition of that work analyzes attempts by theologians at the andover seminary to square and secure calvinist religious beliefs with emerging knowledge from history and the sciences as paretsky shows the open minded scholasticism of these theologians paradoxically led to the weakening of their intellectual credibility as conventional religious belief structures became discredited and this failure incited reactionary forces within calvinism leading religious scholar amanda porterfield provides an afterword discussing where paretsky s work fits into the contemporary study of religion paretsky s foreword offers a sobering picture of what it was like to be a female graduate student at the university of chicago in the 1970s this text explores the ways in which crime fiction manipulates cultural constructions such as race and gender to inscribe dominant cultural discourses it notes that even those writers who set out to revise conventions repeatedly produce some of the genre s most conservative elements a companion to crime fiction presents the definitive guide to this popular genre from its origins in the eighteenth century to the present day a collection of forty seven newly commissioned essays from a team of leading scholars across the globe make this companion the definitive guide to crime fiction follows the development of the genre from its origins in the eighteenth century through to its phenomenal present day popularity features full length critical essays on the most significant authors and film makers from arthur conan doyle and dashiell hammett to alfred hitchcock and martin scorsese exploring the ways in which they have shaped and influenced the field includes extensive references to the most up to date scholarship and a comprehensive bibliography locations play an important role in every story but in british and american contemporary crime fiction they are often inextricable from the narrative this work examines the city the countryside and the wilderness as places ripe with literary significance and symbolism using works by authors like

robert galbraith ian rankin denise mina chris brookmyre john knox peter robinson linda barnes dana stabenow nevada barr les roberts philip r craig and others this work offers a fresh assessment of how place and space are employed in contemporary crime fiction highlighted are similarities and differences among the authors approaches to setting and how they relate to the history of crime fiction and to the general literary representation of place going beyond mere literary geography the book engages the sociocultural dimensions of the communities affected by crime chapters also analyze the reader s perception recognition and appreciation of place and community
