The Statesman's Year-Book 2016-12-14

the colorado women s hall of fame was founded in 1985 by a group of women who were concerned that both historic and contemporary women who shared foresight vision enthusiasm and the power of accomplishment were not receiving appropriate acknowledgment fearful that splendid achievements would be forgotten they wished to honor women who during their lifetime made a significant contribution to colorado as a state or territory it is the hope of the founders that by so honoring colorado s women of consequence their spirits might inspire future generations in the first decade since the founding fifty nine women were selected for induction although historians habitually ignored the vital part that women played in the building of the west in actuality these women s lives contain plots and characters that would enliven the most gripping novels we have saints like frances wisebart jacobs and the theatrical angel helen bonfils activists such as josephine roche and rachel noel a scientific genius in florence sabin and visionaries like dana crawford there are tragedies as with the tabor wives and the lighter hearted tales of mary elitch long and mary coyle chase women of consequence provides a bonanza of role models who opened new frontiers for women in so many fields including business journalism and newspaper publishing science and medicine law politics education charity work botany and even taxidermy these stories are sure to inspire delight and instruct readers throughout colorado from young adults to senior citizens whether they ve lived here all their lives or moved here recently

The Statesman's Year-Book 2016-12-16

this is a classic illuminates the overlooked networks that contribute to the making of literary classics through the voices of multiple translators without whom writers

would have a difficult time reaching a global audience it presents the work of some of today's most accomplished literary translators who translate classics into English or who work closely with translation in the US context and magnifies translators' knowledge, skills, creativity, and relationships with the literary texts they translate the authors whose works they translate and the translations they make the volume presents translators' expertise and insight on how classics get defined according to language pairs and contexts it advocates for careful attention to the role of translation and translators in reading choices and practices especially regarding literary classics

Women of Consequence 1999

for nearly as long as women have been around they have been going through menopause it is a bodily process as old as human birth, death, and of course menstruation like many normal biological events menopause was gradually medicalized and with the rise of pharmaceutical medicine women and their doctors were convinced that it was an estrogen deficiency disease that could be treated by supplementing the body's declining estrogen levels with hormones by 2002 hormone treatment had been on the market for more than fifty years when doctors and women alike were shocked by the results of a massive clinical trial the women's health initiative women taking hormones had more heart attacks, breast cancer, strokes, pulmonary embolisms, and blood clots than women who did not and patients were left scrambling to find new and sometimes difficult answers to their menopause and midlife health questions in the no nonsense guide to menopause Barbara Seaman a legendary figure in the women's health movement and Laura Eldridge have written a comprehensive easy to use resource that will give you all the information you need to make smart and informed decisions that will put you in control during this time of transition medically, psychologically, sexually, and even financially with the latest research on everything from hormone replacement therapy to skin creams to preventing osteoporosis the no nonsense guide to menopause is the definitive manual on this important subject you'll find out which changes are expected and natural and which can be a cause for concern how hormonal shifts can affect your heart, your sex life, and your mood and what you can do to address these issues whether the authors are discussing the risk factors for heart disease, the benefits of lifting weights, or if you should consider a hysterectomy they offer unbiased, straightforward information and advice with a signature blend of wisdom and sensitivity perhaps most important you'll learn how to evaluate what you read in magazines, hear on the news, and are told by your doctor so you can distinguish between solid facts and dubious claims by learning how to read and evaluate scientific studies and becoming familiar with what goes on behind the scenes in research labs, at doctors' offices, and at pharmaceutical companies you will be able to become your own advocate the next time you go to the doctor's office you will know how to make the most of your visit and leave feeling confident, informed, and in command there is no one way to experience menopause and no single way to handle the challenges it can present but as

a no nonsense patient you will have the tools you need to make decisions that are right for you

This Is a Classic *2023-01-26*

based on comprehensive and new archival research at over a dozen schools across ireland britain and france catholics of consequence traces the lives and education of over two thousand irish children in the nineteenth century examining how this affected irish life and the history of education

The No-Nonsense Guide to Menopause *2008-07-01*

from the moment he set foot on it karl rove has rocked america s political stage he ran the national college republicans at twenty two and turned a texas dominated by democrats into a bastion for republicans he launched george w bush to national renown by unseating a popular democratic governor and then orchestrated a gop white house win at a time when voters had little reason to throw out the incumbent party for engineering victory after unlikely victory rove became known as the architect because of his success rove has been attacked his entire career accused of everything from campaign chicanery to ideological divisiveness in this frank memoir rove responds to critics passionately articulates his political philosophy and defends the choices he made on the campaign trail and in the white house he addresses controversies head on from his role in the contest between bush and senator john mccain in south carolina to the charges that bush misled the nation on iraq in the course of putting the record straight rove takes on democratic leaders who acted cynically or deviously behind closed doors and even republicans who lacked backbone at crucial moments courage and consequence is also the first intimate account from the highest level at the white house of one of the most headline making presidencies of the modern age rove takes readers behind the scenes of the bitterly contested 2000 presidential contest of tense moments aboard air force one on 9 11 of the decision to go to war in afghanistan and iraq of the hard won 2004 reelection fight and even of his painful three years fending off an indictment by special prosecutor patrick fitzgerald in the process he spells out what it takes to win elections and how to govern successfully once a candidate has won rove is candid about his mistakes in the west wing and in his campaigns and talks frankly about the heartbreak of his early family years but courage and consequence is ultimately about the joy of a life committed to the conservative cause a life spent in political combat and service to country no matter the costs

Catholics of Consequence 2014

conscience consequence tells the story of the author s six month incarceration in alderson federal prison the oldest and largest federal prison for women it provides a rare insight into the day to day realities of prison and the impact of the punitive and debilitating experience on the lives of women and their families conscience consequence also chronicles the peaceful protest that resulted in the author s stay in federal prison

Courage and Consequence 2010-04-03

originally published in 1963 this classic book is a rethinking of the history of western political philosophy charles n r mccoys contrasts classical medieval principles against the hypotheses at the root of modern liberalism and modern conservatism in part i the classical christian tradition from plato to aquinas the author lays the foundation for a philosophical structure capable of producing constitutional liberty part ii the modern theory of politics from machiavelli to marx attempts to show beginning with machiavelli the reversal and destruction of the pre modern structure postulated in part i mccoys stresses the great contributions of aristotle to political thought found in his more familiar ethics and politics but also includes key insights drawn from metaphysics and physics these contributions are developed and perfected mccoys argues by augustine and aquinas two other important features include mccoys epistemological insights into plato s work that will be new to many readers and the author s juxtaposition of traditional natural law with the modernized theory of natural law the modern account of autonomous natural law in mccoys view helps explain the totalitarian direction of key aspects of modern political thought this classic volume on the origins of modern philosophical thought remains a standard in the field

Conscience & Consequence 2005

this book considers the problem of law s physical control of persons and it illuminates competing visions of the law as both a tool of regulation and as an instrument of coercion or punishment

Grants and Fellowships Awarded *1995*

this book consists of 23 essays about prominent people and events in the history of respiratory physiology it provides a first hand chronicle of the advancements made in respiratory physiology starting with galen and the beginnings of western physiology the volume covers every aspect of the evolution of this important area of knowledge pulmonary circulation boyle s law pulmonary capillaries and alveoli morphology gas exchange and blood flow mechanics control of ventilation and comparative physiology the book emphasizes societal and philosophical aspects of the history of science although it concentrates on physiology it also describes how cultural movements such as the enlightenment shaped the researchers discussed this book is published on behalf of the american physiological society by springer access to aps books published with springer is free to aps members

Comparison and Transfer *2017-07-05*

this edited book brings a new analytical angle to the study of comparative regionalism by focussing on the unintended consequences of interregional relations the book satisfies the need to go beyond the consideration of the success or failure of international policies it sheds light on complex interactions involving multiple actors individual and institutional driven by various representations interests and strategies and which often result in unintended consequences that powerfully affect the socio political context in which they unfold by providing a new conceptual framework to understand how interregionalism brings about social change the book examines the effects on the individual and institutional actors of interregional relations and the effects on the social structures that constitute interregionalism it also examines interregionalism s transformational character for structures of regional and international governance as well as societies this book will be of key interest to scholars and students in the fields of comparative regionalism interregionalism eu studies international and regional organisations global governance and more broadly to international relations international politics and comparative area studies

The Structure of Political Thought 2011-08-29

vider uncovers how lgbtq people reshaped domestic life in the postwar united states from the stonewall riots to the protests of act up histories of queer and trans politics have almost exclusively centered on public activism in the queerness of home stephen vider turns the focus inward showing that the intimacy of domestic space has been equally crucial to the history of postwar lgbtq life beginning in the 1940s lgbtq activists looked increasingly to the home as a site of connection care and cultural inclusion they struggled against the conventions of marriage challenged the gendered codes of everyday labor reimagined domestic architecture and contested the racial and class boundaries of kinship and belonging retelling lgbtq history from the inside out vider reveals the surprising ways that the home became and remains a charged space in battles for social and economic justice making it clear that lgbtq people not only realized new forms of community and culture for themselves they remade the possibilities of home life for everyone

Law as Punishment / Law as Regulation 2015-01-30

recent global events such as the devastating 1998 papua new guinea tsunami the 2004 sumatran tsunami and the 2006 se asia undersea network cable failure underscore the societal and economic effects of submarine mass movements these events call upon the scientific community to understand submarine mass movement processes and consequences to assist in hazard assessment mitigation and planning additionally submarine mass movements are beginning to be recognized as prevalent in continental margin geologic sections as such they represent a significant if not dominant role in margin sedimentary processes they also represent a potential hazard to hydrocarbon exploration and development but also represent exploration indicators and targets this volume consists of a collection of the latest scientific research by international experts in geological geophysical engineering and environment aspects of submarine mass failures focussed on understanding the full spectrum of challenges presented by submarine mass movements and their consequences

Essays on the History of Respiratory Physiology 1946

this first english language biography of bertolt brecht 1898 1956 in two decades paints a strikingly new picture of one of the twentieth century s most controversial cultural icons drawing on letters diaries and unpublished material including brecht s medical records parker offers a rich and enthralling account of brecht s life and

work viewed through the prism of the artist tracing his extraordinary life from his formative years in augsburg through the first world war his politicisation during the weimar republic and his years of exile up to the berliner ensemble s dazzling productions in paris and london parker shows how brecht achieved his transformative effect upon world theatre and poetry bertolt brecht a literary life is a powerful portrait of a great compulsively contradictory personality whose artistry left its lasting imprint on modern culture

The Viking and the Red Man 1947-01-01T00:00:00+01:00

The Queerness of Home *2009-10-27*

comment reconnaître une maltraitante récente ou plus ancienne tant chez le petit enfant que chez l'adolescent ou l'adulte comment aborder et traiter les conséquences du traumatisme associé à une maltraitante sexuelle récente ancienne quelles sont les interactions entre les parcours médicaux sociaux et judiciaires quels sont les modes de prévention envisageables pour réduire le risque de maltraitante sexuelle et sa répétition telles sont les questions auxquelles se sont attachés à répondre un panel d'experts puis un jury qui a établi la synthèse de leurs travaux en l'associant aux discussions publiques et aux données de la littérature cet ouvrage qui reprend les travaux de la conférence de consensus organisée par la fédération française de psychiatrie qui regroupe l'ensemble des sociétés nationales de psychiatrie en novembre 2003 s'adresse à un large public tant dans le domaine médical paramédical que social et juridique

Submarine Mass Movements and Their Consequences *2014-02-13*

a grave danger lurks behind the seemingly friendly term of social justice contemporary social justice endangers our country families and most importantly the gospel of jesus christ social justice is in many ways a euphemism for cultural marxism what has made its threat even more treacherous is that cultural marxism ideas have made their way into conservative evangelicalism and the southern baptist convention as long as christians are led to believe that social justice is the same as god's justice christians will be facilitators of godless marxism they will be instruments of corrupting the gospel of jesus christ this book biblically critiques social justice and prepares christians to stand for god's impartial justice truth love and the gospel

Bertolt Brecht: A Literary Life *1977*

since the election of pierre trudeau in 1968 canada has had nine prime ministers a series of minority governments as many as sixteen leaders of the opposition and a turnover of party leaders in provincial governments this rotation shows the vibrant nature of the canadian political system which combines a measure of continuity and stability with change and policy innovation the age of consequence provides an insider s account of canada s political environment over the last fifty years focusing on the key personalities leaders and political parties of the era charles mcmillan reveals the reality of policy change in a world in flux bound by institutional constraints and propelled by personalities that advance or derail policy initiatives choosing four policy themes economic competitiveness social justice national reconciliation and constructive internationalism the book traces canada s policy evolution as a federation canada s political system is shaped by policy initiatives leadership campaigns national elections the planning and machinery of governance and the strengths of its various leaders from john diefenbaker and lester b pearson to justin trudeau based on mcmillan s personal experience as senior policy advisor to prime minister brian mulroney as well as on interviews policy papers and memos the age of consequence sheds light on how public policy is made the conflicts facing senior members of the government and the unique burdens placed on prime ministers

Nuclear Power Costs: Solar energy *2009-09-24*

young continental soldiers carried a heavy burden in the american revolution their experiences of coming of age during the upheavals of war provide a novel perspective on the revolutionary era eliciting questions of gender family life economic goals and politics going for a soldier forced young men to confront profound uncertainty and even coercion but also offered them novel opportunities although the war imposed obligations on youths military service promised young men in their teens and early twenties alternate paths forward in life continental soldiers own youthful expectations about respectable manhood and their goals of economic competence and marriage not only ordered their experience of military service they also shaped the fighting capacities of george washington s army and the course of the war becoming men of some consequence examines how young soldiers and officers joined the army their experiences in the ranks their relationships with civilians their choices about quitting long term military service and their attempts to rejoin the flow of civilian life after the war the book recovers young soldiers perspectives and stories from military records wartime letters and journals and postwar memoirs and pension applications revealing how revolutionary political ideology intertwined with rational calculations and youthful ambitions its focus on soldiers as young men offers a new understanding of the revolutionary war showing how these soldiers generational struggle for their own independence was a profound force within america s struggle for its independence

Cause – Condition – Concession – Contrast 1965

a study of hawaiian women s cultural valuation and social position in the first century of western contact

Decisions and Orders of the National Labor Relations Board 2017-11-08

L ouvrage les enjeux démographiques en france et en allemagne réalités et conséquences est le fruit d un colloque organisé à valenciennes en octobre 2009 réunissant des démographes européens et des germanistes français travaillant sur les mêmes questions L évolution démographique en europe est caractérisée ces dernières décennies d une part par une natalité en recul et un vieillissement démographique et de l autre par un afflux d immigrés sans précédent ces deux phénomènes placent le continent européen face à des défis majeurs L inversion de la pyramide des âges met la pérennité des systèmes de protection sociale actuels en question tandis qu un déclin démographique durable signifie pour les entreprises une pénurie de main d œuvre qualifiée laquelle nécessite ou bien une augmentation des taux d activité féminine ou une immigration délibérément sélective dans le premier cas les politiques familiales sont sollicitées pour que soient améliorées les possibilités de concilier vie professionnelle et vie familiale dans le second ce sont les politiques d immigration et d intégration L ouvrage regroupe dans une première partie les analyses comparées des mouvements naturels en allemagne et en france et des politiques familiales respectives la deuxième partie est consacrée aux conséquences du déclin démographique sur les rapports de genre et les relations entre les générations sur les systèmes de protection sociale et même sur l urbanisme et le vivre ensemble dans les etats providence la troisième partie porte sur l immigration et l intégration de populations étrangères immigration espagnole ou maghrébine ici turque judéo russe et d allemands de souche là sans oublier les politiques d asile et d immigration dans le cadre de l union européenne une synthèse des résultats clôture l ouvrage a partir des contributions de germanistes de sociologues d un géographe et d un politologue le présent ouvrage jette sur les phénomènes de la dénatalité et du vieillissement démographique d une part et sur l immigration et l intégration de l autre notamment des éclairages complémentaires lesquels tout en étant thématiquement centrés sur l allemagne s efforcent d intégrer la dimension comparatiste avec la france

confront the most pressing issues of twenty first century america in this fascinating book which brings together classical jewish sources contemporary policy debate and real life stories

Conséquences des maltraitances sexuelles *2022-04-07*

letter writing at the turn of the 19th century was an important activity for the people of france those who received letters from family and friends alike usually kept the hand written texts sent to them as precious gifts that is why this collection of letters by and to one of the greatest saints of modern times is so interesting to us today from back cover

A Corruption of Consequence 2014-12-15

details of consequence examines a trait that is taken for granted and rarely investigated in fin de siècle french music ornamental extravagance considering why such composers as claude debussy maurice ravel gabriel fauré igor stravinsky and erik satie turned their attention to the seemingly innocuous and allegedly superficial phenomenon of ornament at pivotal moments of their careers this book shows that the range of decorative languages and unusual ways in which ornament is manifest in their works doesn t only suggest a willingness to decorate or render music beautiful rather in keeping with the sorts of changes that decorative expression was undergoing in the work of eugène grasset pierre bonnard henri matisse and other painters composers also invested their creative energies in re imagining ornament relying on a variety of decorative techniques to emphasize what was new and unprecedented in their treatment of form meter rhythm melody and texture furthermore abundant displays of ornament in their music served to privilege associations that had been previously condemned in western philosophy such as femininity sensuality exoticism mystery and fantasy alongside specific visual examples author gurminder kaur bhogal offers analyses of piano pieces orchestral music chamber works and compositions written for the ballets russes to highlight the disorienting effect of musical experiments with ornament acknowledging the willingness of listeners to borrow vocabulary from the visual arts when describing decorative music bhogal probes the formation of art music metaphors and studies the cognitive impetus behind tendencies to posit stylistic parallels she further illustrates that the rising expressive status of ornament in music and art had broad social and cultural implications as evidenced by its widespread involvement in debates on french identity style aesthetics and progress drawing on a range of recent scholarship in the humanities at large including studies in feminist theory nationalism and orientalism details of consequence is an intensely interdisciplinary look at an important facet of fin de siècle french music
