A Nation Among Nations 2006 publisher description

Remaking the Nation 1996 review predictable postmodernist analysis of ecuador s national identity examines gender race ethnicity and religion case study of nation s development out of inchoate space handbook of latin american studies v 57

Dangerous Nation 2006 most americans believe the united states had been an isolationist power until the twentieth century this is wrong in a riveting and brilliantly revisionist work of history robert kagan bestselling author of of paradise and power shows how americans have in fact steadily been increasing their global power and influence from the beginning driven by commercial territorial and idealistic ambitions the united states has always perceived itself and been seen by other nations as an international force this is a book of great importance to our understanding of our nation s history and its role in the global community from the trade paperback edition

Latin America 2017-04-13 latin america is a concept firmly entrenched in its philosophical moral and historical meanings and yet mauricio tenorio trillo argues in this landmark book it is an obsolescent racial cultural idea that ought to have vanished long ago with the banishment of racial theory latin america the allure and power of an idea makes this case persuasively tenorio trillo builds the book on three interlocking steps first an intellectual history of the concept of latin america in its natural historical habitat mid nineteenth century redefinitions of empire and the cultural political and economic intellectualism second a serious and uncompromising critique of the current latin americanism which circulates in united states based humanities and social sciences and third accepting that we might actually be stuck with latin america tenorio trillo charts a path forward for the writing and teaching of latin american history accessible and forceful rich in historical research and specificity the book offers a distinctive conceptual history of latin america and its many connections and intersections of political and intellectual significance tenorio trillo s book is a masterpiece of interdisciplinary scholarship

The American Exception, Volume 1 2017-01-09 this book examines what makes the united states an exceptional society what impact it has had abroad and why these issues have mattered to americans with historical and comparative evidence frank j lechner describes the distinctive path of american institutions and tracks changes in the country s national identity in order to assess claims about america s exceptional qualities the book analyzes several focal points of exceptionalist thinking about america including the importance of us constitution and the american sense of mission and explores several aspects of america s distinctive global impact for example in economics and film in addition to discussing the distinctive global impact of the us this first volume delves into religion law and sports

America FAQ 2014-07-06 2008

Talking about Race in America: Conversations with conservatives, liberals, independents, immigrants and others 2022-07-15 this work is a meeting of the minds people of different political and ideological beliefs articulate their positions on the question of race in the united states that has bedeviled the nation since its founding conservatives liberals and independents as well as those who don t have any political affiliation or ideological positions exchange views debate offer suggestions and provide solutions to race problems facing the united states there are those who contend that the united states does not have a race problem it is individuals who have problems and they are the ones who complain about racism blaming society for their own failures in life their problems have nothing to do with race then there are those who say the united states has a race problem but it is not a major one as it once was others contend that racism is one of the biggest and most urgent problems facing the nation immigrants from all parts of the world also express their views and beliefs from different political and ideological perspectives on a subject that has divided the nation and continues to be one of the most contentious in the history of the country there are immigrants who don t see racism as a major problem in the united states even if they admit it exists there are those who agree with many americans that racism still exists and it is a major problem although immigrants they also offer solutions to a problem that from their own experience is a major one and should be addressed to achieve racial equality white nationalists also take part in the discussions on race exchanging views with conservatives liberals independents and immigrants they explain their position and offer solutions to the race question some of which don t differ much from the solutions proposed by some people who would be considered to be an integral part of the mainstream and not on the fringes of the american society there is no consensus on the final solution to the race problem or an answer to the race question in the united states but there is some agreement on some race issues that cuts across racial and ideological lines for example with some black immigrants from africa and the caribbean articulating positions that are in conformity with the positions of those who are in the conservative movement contrary to what most black americans believe other immigrants including black ones are squarely within the liberal tradition of the democratic party and there are those who don t embrace republican or democratic positions but take an independent position on race matters that is also different from the position

taken by independents in the american political mainstream the race question may be far from being resolved but the views proposals and solutions presented in this book may help to point in the right direction toward a final solution to the problem that the united states has faced since slavery
