the yom kippur war pitted israel against syria in the north and egypt in the south in october

1973 caught by surprise and surrounded by enemies israel relied on the flexibility and creative thinking of its senior field commanders after israeli forces halted the egyptian troops on the sinai peninsula major general ariel sharon seized the opportunity to counterattack he split the egyptian army and cut off its supply lines in a maneuver known as operation stouthearted men sharon s audacious controversial decision defied his superiors and produced a major victory which many believe helped win the war for israel at the decisive point in the sinai is a firsthand account of the yom kippur war s most intense engagement by key leaders in sharon s division jacob even deputy division commander of the 143rd division and simcha maoz a staff officer recount the initial stages of the suz crossing examine the israel defense forces idf response to egypt s surprise attack and explain sharon s role in the transition from defense to offense they detail sharon s struggle to convince his superiors of his plan and argue that an effective division commander is revealed not only by his leadership of subordinates but also by his ability to influence his senior officers the strategic failure of the israeli high command during the yom kippur war has been widely studied but at the decisive point in the sinai is one of the few works to examine the experiences of field level commanders even and maoz challenge students of military leadership by offering a case study on effective generalship

The Miscellany of the Spalding Club (ed. by John Stuart) 1852

an excellent history of the often overlooked wwii campaign in which hitler secured a vital resource lifeline for the third reich library journal after hitler conquered poland and was still fine tuning his plans against france the british began to exert control over the coastline of neutral norway an action that threatened to cut off germany s iron ore conduit to sweden and outflank from the start its hegemony on the continent the germans responded with a dizzying series of assaults using every tool of modern warfare developed in the previous generation airlifted infantry mountain troops and paratroopers were dispatched to the north seizing norwegian strongpoints while forestalling larger but more cumbersome allied units the german navy also set sail taking a brutal beating at the hands of britannia but ensuring with its sacrifice that key harbors would be held open for resupply as dive bombers soared overhead small but elite german units traversed forbidding terrain to ambush allied units trying to forge inland at narvik some six thousand german troops battled twenty thousand french and british until the allies were finally forced to withdraw by the great disaster in france which had then gotten underway henrik lunde a native norwegian and former us special operations colonel has written the most objective account to date of a campaign in which twentieth century military innovation found its first fertile playing field
