was a hardworking kid who loved to play all kinds of ball games when jackie was growing up black and white sports players in the united states were not treated the same way jackie used his amazing baseball talent to help bring all players together and work toward ending the unfair treatment of black players explore how jackie went from being a thoughtful young boy growing up in california to an american role model and activist the story of jackie robinson includes core curriculum learn the who what where when why and how of jackie s life and take a quick quiz to test your knowledge his legacy explore how jackie robinson made the world a better place for future generations including you simple definitions find easy to understand definitions for some of the more advanced words and ideas in the book how will jackie s hard work and dedication inspire you autobiography of an african american who broke the color barrier in major league baseball and devoted his life to achieving justice the story of legendary jackie robinson the first african american to play major league baseball is recounted in this title baseball basketball football no matter the game jackie robinson excelled his talents would have easily landed another man a career in pro sports but in america in the 1930s and 40s such opportunities were closed to athletes like jackie for one reason his skin was the wrong color settling for playing baseball in the negro leagues jackie chafed at the inability to prove himself where it mattered most the major leagues then in 1946 branch rickey manager of the brooklyn dodgers decided he was going to break the rules of segregation he recruited jackie robinson fiercely determined jackie faced cruel and sometimes violent hatred and discrimination but he proved himself again and again exhibiting courage restraint and a phenomenal ability to play the game in this compelling biography award winning author doreen rappaport chronicles the extraordinary life of jackie robinson and how his achievements won over and changed a segregated nation wait tell next year is the inside story of one of the most dramatic personalities of our time and a re creation of many of the most exciting moments in modern baseball if nothing else had counted but hits runs and errors jackie robinson wouldn t have had many problems during his years as a major figure in the sports world but his great ability as a player was often over shadowed by the fact that he was the first negro in major league baseball he was and still is a man of burning pride and above all courage he is a man who plays to win on and off the baseball diamond jackie robinson was born in a share croppers cabin in georgia he first won national fame as a college and basketball star at u c l a and later played in the negro baseball leagues then at twenty six backed by branch ricky s tough support he joined the brooklyn dodgers organization during his controversial record breaking years with the dodgers and the important years since his retirement from baseball in 1956 he has fought constantly for negro equality and an end to racial antagonism and discrimination wait till next year then is much more than a narrative of jackie robinson s brilliant sports career the whole story is here including the problems that confronted his mother and his wife and children and the dramatic scenes when robinson refused to submit to prejudice in the army in housing for his family in baseball training camps robinson himself describes for the reader some of these crisis in life and his wife speaks of the events which especially affected her carl rowan one of the country s finest reporters has written this biography of a great athlete with warmth sympathy and full awareness of its value as a spirited american document biography of jackie robinson who became the first african american major league baseball player a chronicle of the 1947 baseball season during which jackie robinson broke the race barrier is a sixtieth anniversary tribute based on interviews with robinson s wife daughter and teammates winner of the casey award for best baseball book of the year true is a probing richly detailed unique biography of jackie robinson one of baseball s and america s most significant figures for players fans managers and executives jackie robinson remains baseball s singular figure the person who most profoundly extended and continues to extend the reach of the game beyond ruth beyond clemente beyond aaron beyond the heroes of today now a half century since robinson s death letters come to his widow rachel by the score but robinson s impact extended far beyond baseball he opened the door for black americans to participate in other sports and was a national figure who spoke and wrote eloquently about inequality true the four seasons of jackie robinson by kostya kennedy is an unconventional biography focusing on four transformative years in robinson s athletic and public life 1946 his first year playing in the essentially all white minor leagues for the montreal royals 1949 when he won the most valuable player award in his third season as a brooklyn dodger 1956 his final season in major league baseball when he played valiantly despite his increasing health struggles and 1972 the year of his untimely death through it all robinson remained true to the effort and the mission true to his convictions and contradictions kennedy examines each of these years through details not reported in previous biographies bringing

them to life in vivid prose and through interviews with fans and players who witnessed his impact as well as with robinson's surviving family these four crucial years offer a unique vision of robinson as a player a father and husband and a civil rights hero a new window on a complex man tied to the 50th anniversary of his passing and the 75th anniversary of his professional baseball debut the story of the first black man to play baseball in the major leagues recounts the life of jackie robinson the black baseball player who broke major league baseball's color barrier jackie robinson is one of the most revered public figures of the twentieth century he is remembered for both his athletic prowess and his strong personal character the world knows him as the man who crossed baseball's color line but there is much more to his legacy at the conclusion of his baseball career robinson continued in his pursuit of social progress through his work as a writer beyond home plate an anthology of jackie robinson's columns in the new york post and the new york amsterdam news offers fresh insight into the hall of famer's life and work following his historic years on the baseball diamond robinson's syndicated newspaper columns afforded him the opportunity to provide rich social commentary while simultaneously exploring his own life and experiences he was free to write about any subject of his choosing and he took full advantage of this license speaking his mind about everything from playing santa to confronting racism in the red sox nation from loving his wife rachel to despising barry goldwater from complaining about cassius clay's verbosity to teaching little leaguers how to lose well robinson wrote to prod and provoke inflame and infuriate and sway and persuade with their pointed opinions his columns reveal that the mature robinson was a truly american prophet a civil rights leader in his own right furious with racial injustice and committed to securing first class citizenship for all these fascinating columns also depict robinson as an indebted son a devoted husband a tenderhearted father and a hardworking community leader robinson believed that his life after his baseball career was far more important than all of his baseball exploits beyond home plate shows why he believed this so fervently readers will delight in the high interest educational topics addressed in this book which is aligned to the 3rd grade common core state standards for english language arts age appropriate language vivid imagery and a relatable narrative will grab students attention keeping them engaged while also equipping them with the skills they need to become thoughtful readers this book provides additional learning opportunities through a graphic organizer glossary and index rosen common core readers can be paired with the infomax common core readers to provide another perspective to parallel topics readers will follow major events in the life
