'And I quote...' 2018-09-13 upon encountering historian laurel thatcher ulrich's quote well behaved women seldom make history malebo sephodi knew that she was tired of everyone else having a say on who and what she should be appropriating this quote malebo boldly renounces societal expectations placed on her as a black woman and shares her journey towards misbehavior according to malebo it is the norm for a black woman to live in a society that prescribes what it means to be a well behaved woman acting like this prescribed woman equals good behavior but what happens when a black woman decides to live her own life and becomes her own form of who she wants to be she is often seen as misbehaving miss behave challenges society's deep seated beliefs about what it means to be an obedient woman in this book malebo tracks her journey on a path towards achieving total autonomy and self-determinism miss behave will challenge rattle and occasionally cause you to scream yasssss yasssss yasssss at various intervals
