memorandum (Read Only)

the first book to comprehensively describe the history theory and application of prosecutorial discretion in immigration law when beatles star john lennon faced deportation from the u s in the 1970s his lawyer leon wildes made a groundbreaking argument he argued that lennon should be granted nonpriority status pursuant to ins s now dhs s policy of prosecutorial discretion in u s immigration law the agency exercises prosecutorial discretion favorably when it refrains from enforcing the full scope of immigration law a prosecutorial discretion grant is important to an agency seeking to focus its priorities on the truly dangerous in order to conserve resources and to bring compassion into immigration enforcement the lennon case marked the first moment that the immigration agency s prosecutorial discretion policy became public knowledge today the concept of prosecutorial discretion is more widely known in light of the obama administration s deferred action for childhood arrivals or daca program a record number of deportations and

a stalemate in congress to move immigration reform beyond deportation is the first book to comprehensively describe the history theory and application of prosecutorial discretion in immigration law it provides a rich history of the role of prosecutorial discretion in the immigration system and unveils the powerful role it plays in protecting individuals from deportation and saving the government resources shoba sivaprasad wadhia draws on her years of experience as an immigration attorney policy leader and law professor to advocate for a bolder standard on prosecutorial discretion greater mechanisms for accountability when such standards are ignored improved transparency about the cases involving prosecutorial discretion and recognition of deferred action in the law as a formal benefit this book is the first comprehensive study on the work and functioning of the extraordinary chambers in the courts of cambodia eccc the eccc were established in 2006 to bring to trial senior leaders and those most responsible for serious crimes committed under the notorious khmer rouge regime established by domestic law following an agreement in 2003 between the kingdom of cambodia and the un the eccc s hybrid features provide a unique approach of accountability for mass atrocities the book entails an analysis of the work and jurisprudence of the eccc providing a detailed assessment of their legacies and contribution to international criminal law the collection containing 20 chapters from leading scholars and practitioners with inside knowledge of the eccc discuss the most

pressing topics and its implications for international criminal law these include the establishment of the eccc subject matter crimes joint criminal enterprise and procedural aspects including questions regarding the trying of frail accused persons and the admission of torture statements into evidence simon m meisenberg is an attorney at law in germany formerly he was a legal advisor to the eccc and a senior legal officer at the special court for sierra leone ignaz stegmiller is coordinator for the international programs of the faculty of law at the franz von liszt institute for international and comparative law giessen germany the lgbt casebook provides a general overview and roadmap for clinicians new to treating lgbt individuals and it deepens and updates knowledge for those already seeing these patients in their practices this book traces the evolution of the speechwriting process for presidents in the white house from the administration of franklin roosevelt to the present while institutionalization of the speechwriting process has often been blamed for bland presidential rhetoric this book draws out the many varied consequences of institutionalization on the speechwriting process ultimately it concludes that the institutionalization of the process has actually served the presidency well by helping presidents avoid the adverse effects of poorly chosen words collective bargaining in professional sports provides a timely and practical overview of the impact and importance of the collective bargaining process in the business of professional sports in the united states

focusing on the contemporary history of collective bargaining in the national basketball association nba and the national football league nfl but drawing out important lessons for all professional sports the book sheds light on some of the key issues within modern sport business and sport governance it offers an inside look into topics such as revenue sharing competitive balance circumvention of league rules player free agency player social activism player discipline and the ethical and legal issues around the use of wearable biometric tracking systems to collect player data an essential read for sports business industry practitioners and students alike this is fascinating reading for anybody with an interest in sport business sport law or labor relations it is also a valuable resource for anyone who wants to increase their understanding of the business and financial operations of professional sports leagues and teams player contracts and salaries and the role and authority of professional sports league commissioners this book conducts a detailed examination of the current form of the hong kong residential property regulatory system the 2013 residential properties firsthand sales ordinance cap 621 the author sheds light on how the new legislation promotes a number of values including information symmetry consumer protection the free market and business efficacy it provides a detailed account of how the regulatory mechanism has evolved over the past three decades to catch unconscionable sales tactics such as selective information and or misrepresentation of location size

completion date and past transactions and monitor sales practices in order to protect the interests of stakeholders in this ever changing first hand residential property market this book breaks down this complicated subject matter by focusing a number of chapters each on a specific attribute of the residential property on sale it then examines the various channels through which the information is communicated to the prospective buyer and discusses misrepresentation of the key information in sales of residential properties as criminal liability the tension between consumer s rights on one hand and the pursuit of free market principles on the other is but one example of the conflicting values thoroughly discussed in the book others include superstition vs modernization and clarity vs flexibility aimed at those with an interest in consumer protection and transparency orientated legislation in commercialized real estate transactions this book seeks to provide an in depth discussion of the latest trends and directions of travel drawing special attention to legal aid sentencing and punishment of offenders bill hl bill 109 isbn 9780108401701 this book offers an overview of the interface between european integration transatlantic relations and the rise of the rest in the early 21st century the collapse of the soviet bloc opened up an era in which the drivers and perceived benefits of the us alliance among european countries have become more variegated and shifting the proposition that the us remains at once an indispensable and intolerable nation in europe is a key

concept in the alliance as the us remains inextricably tied to the continent through economic military and cultural links this work examines this complex subject area from many angles including an analysis of the historical and cultural contexts of america s relations with europe as well as a discussion of the politics of transatlantic affairs which utilises evidence gleaned from a series of case studies in the concluding chapters the author assesses the likelihood that the west can entrench its global dominance in the realms of soft and hard power and by effecting a controlled reform that will see multilateral structures open up to emerging powers this book will be of great interest to students of european politics eu integration transatlantic relations us foreign policy diplomacy international security and ir in general the united nations whose specialized agencies were the subject of an appendix to the 1958 edition of oppenheim s international law peace has expanded beyond all recognition since its founding in 1945 this volume represents a study that is entirely new but prepared in the way that has become so familiar over succeeding editions of oppenheim an authoritative and comprehensive study of the united nations legal practice this volume covers the formal structures of the un as it has expanded over the years and all that this complex organization does all substantive issues are addressed in separate sections including among others the responsibilities of the un financing immunities human rights preventing armed conflicts and peacekeeping and judicial matters in examining

the evolving structures and ever expanding work of the united nations this volume follows the long held tradition of oppenheim by presenting facts uncoloured by personal opinion in a succinct text that also offers in the footnotes a wealth of information and ideas to be explored it is book that while making all necessary reference to the charter the statute of the international court of justice and other legal instruments tells of the realities of the legal issues as they arise in the day to day practice of the united nations missions to the un ministries of foreign affairs practitioners of international law academics and students will all find this book to be vital in their understanding of the workings of the legal practice of the un research for this publication was made possible by the balzan prize which was awarded to rosalyne higgins in 2007 by the international balzan foundation democracy denied by americans for prosperity vice president phil kerpen is a guide to understanding and defeating the radical agenda that president barack obama is implementing by unilateral regulatory action through his agencies and czars democracy denied exposes the obama administration s agenda that disregards the american people congress and the u s constitution and offers a plan of action to stop it the changes set out in this statement shall take effect on 28 november 2011 supplied with explanatory memorandum 4 p 30 cm the african charter on human and peoples rights achpr is the principle regional human rights treaty for the african continent adopted in 1981 there is now a significant body of

jurisprudence and interpretation by its african commission on human and peoples rights and the recently established african court this volume provides a comprehensive article by article legal analysis of the provisions of the charter as it draws upon the documents adopted by the african commission including resolutions case law and concluding observations where relevant case law adopted by the african court on human and peoples rights and that of other sub regional courts and tribunals and domestic courts in africa are also incorporated the book examines not only the substantive rights in the african charter but also the work of the african commission on human and peoples rights and provides a full examination of its mandate a critical analysis of each of the provisions of the achpr is led principally by the jurisprudence and documentation of the african commission and african court the text also identifies the overall development of the achpr within the broader regional and international human rights legal arena this book looks at the impact multinational companies have in post conflict environments the role they have and how they are governed drawing on detailed fieldwork in azerbaijan bosnia and rwanda mountbatten cold war and empire 1945 79 focuses upon admiral lord mountbatten as a commanding if controversial figure in the history of britain and its empire from churchill s wartime coalition through to the labour governments of the 1960s and forms a sequel to mountbatten apprentice war lord written in three parts focusing on

the premierships of churchill and attlee eden macmillan douglas home and wilson this book examines the debates over mountbatten s record in southern asia in 1943 6 and 1947 8 additional chapters focus on mountbatten s position at the heart of the british state and his pivotal role at key moments in the immediate post war era most notably the partition of india the suuez crisis and the renewal of an ostensibly independent nuclear deterrent this book also considers mountbatten s relationship with anthony eden both during and following the suuez crisis as well as detailing mountbatten s achievements as first sea lord and chief of the defence staff under harold macmillan and his immediate successors smith acknowledges mountbatten s centrality to the history of britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century smith s scrupulous examination of primary sources including those available in the broadlands archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about mountbatten s personal life smith creates the first comprehensive overview of admiral lord mountbatten s career from 1943 to the mid sixties the united states and china are arguably the most globally consequential actors of the early twenty first century and look set to remain so into the foreseeable future this volume seeks to highlight that american images of china are responsible for constructing certain truths and realities about that country and its people it also

introduces the understanding that these images have always been inextricable from the enactment and justification of us china policies in washington and that those policies themselves are active in the production and reproduction of imagery and in the protection of american identity when seemingly threatened by that of china demonstrating how past american images of china are vital to understanding the nature and significance of those which circulate today turner addresses three key questions what have been the dominant american images of china and the chinese across the full lifespan of sino us relations how have historical and contemporary american images of china and the chinese enabled and justified us china policy what role does us china policy play in the production and reproduction of american images of china exploring and evaluating a wide ranging variety of sources including films and television programmes newspaper and magazine articles the records and journals of politicians and diplomats and governmental documents including speeches and legal declarations this work will be of great interest to students and scholars of us foreign policy american politics china studies and international relations this book is a multi faceted interdisciplinary examination of the music and figure of lady gaga combining approaches from scholars in cultural studies art fashion and music it represents one of the first scholarly volumes devoted to lady gaga who has become over a few short years central to both popular and indeed populist as well as more scholarly thought

in these areas and who the contributors argue is helping to shape directly and indirectly thought and culture both in the fields of the scholarly and the everyday lady gaga s output is firmly embedded in a self consciously intellectual pop culture tradition and her music videos are intertextually linked to icons of pop culture intelligentsia like alfred hitchcock and open to multiple interpretations in examining her music and figure this volume contributes both to debates on the status of intertextuality held in tension with originality and to debates on the figuring of the sexualized female body and representations of disability there is interest in these issues from a wide range of disciplines popular musicology film studies queer studies women s studies gender studies disability studies popular culture studies and the burgeoning sub discipline of aesthetics and philosophy of fashion introductory technical guidance for professional engineers and architects interested in design of safe havens in buildings here is what is discussed 1 introduction 2 design process 3 other design guidance 4 example problem a very high portion of the seafood we eat comes from abroad mainly from china and southeast asia and most of the active ingredients in medicines we take originate in other countries many low and middle income countries have lower labor costs and fewer and less stringent environmental regulations than the united states making them attractive places to produce food and chemical ingredients for export safe foods and medical products through stronger regulatory systems

abroad explains that the diversity and scale of imports makes it impractical for u s food and drug administration fda border inspections to be sufficient to ensure product purity and safety and incidents such as american deaths due to adulterated heparin imported from china propelled the problem into public awareness the institute of medicine committee on strengthening core elements of regulatory systems in developing countries took up the vital task of helping the fda to cope with the reality that so much of the food drugs biologics and medical products consumed in the united states originate in countries with less robust regulatory systems ensuring safe foods and medical products through stronger regulatory systems abroad describes the ways the united states can help strengthen regulatory systems in low and middle income countries and promote cross border partnerships including government industry and academia to foster regulatory science and build a core of regulatory professionals this report also emphasizes an array of practical approaches to ensure sound regulatory practices in today s interconnected world the oxford handbook of modern greek politics is a major new contribution to the study of contemporary european and greek politics this edited volume contains 43 chapters written by greek and foreign academics foremost in their field after an introductory section offering a frame of analysis the volume includes sections on political institutions traditions and party families political and social interest groups policy making and policy sectors

external relations and greece s most important political leaders of the period between the 1974 transition to democracy and today it will be an invaluable reference for scholars new and established as well as for the informed reader around the world this work offers the most comprehensive approach to the subject to this day drawing on data and analysis previously available only in national sources greek books articles and other primary and secondary sources in combination with international data it allows international scholars of politics international relations society and economy to integrate the case of greece in their own projects and facilitates the search of any informed reader who seeks a reliable updated source on modern greece special edition of the federal register containing a codification of documents of general applicability and future effect with ancillaries winner 2020 best book award law category given by the american book fest examines immigration enforcement and discretion during the first eighteen months of the trump administration within days of taking office president donald j trump published or announced changes to immigration law and policy these changes have profoundly shaken the lives and well being of immigrants and their families many of whom have been here for decades and affected the work of the attorneys and advocates who represent or are themselves part of the immigrant community banned examines the tool of discretion or the choice a government has to protect detain or deport immigrants and describes how the trump

administration has wielded this tool in creating and executing its immigration policy banned combines personal interviews immigration law policy analysis and case studies to answer the following questions 1 what does immigration enforcement and discretion look like in the time of trump 2 who is affected by changes to immigration enforcement and discretion 3 how have individuals and families affected by immigration enforcement under president trump changed their own perceptions about the future and 4 how do those informed about immigration enforcement and discretion describe the current state of affairs and perceive the future shoba sivaprasad wadhia pairs the contents of these interviews with a robust analysis of immigration enforcement and discretion during the first eighteen months of the trump administration and offers recommendations for moving forward the story of immigration and the role immigrants play in the united states is significant the government has the tools to treat those seeking admission refuge or opportunity in the united states humanely banned offers a passionate reminder of the responsibility we all have to protect america s identity as a nation of immigrants the new zealand yearbook of international law provides legal materials and critical commentary on issues of international law addressing trends state practice and policies in the development of international law in new zealand the south pacific antarctica and globally this yearbook covers the period 1 january 2019 to 31 december 2019 the purpose of this book is to consider the legality of the

changing practice of the international committee of the red cross icrc it provides extensive legal analysis of the icrc as an organisation legal person and humanitarian actor it draws on the law of organisations international humanitarian law international human rights law and other relevant branches of international law in order to critically assess the mandate and practice of the icrc on the ground the book also draws on more abstract human centric concepts including sovereignty as responsibility and human security in order to assess the development of the concept of humanity for the mandate and practice of the icrc critically this book uses semi structured interviews with icrc delegates to test the theoretical and doctrinal conclusions the book provides a unique insight into the work of the icrc it also includes a case study of the work of the icrc in the democratic republic of congo ultimately the book concludes that the icrc is no longer restricted to the provision of humanitarian assistance on the battlefield it is increasingly drawn into long term and extremely complicated conflicts in which civilians soldiers and non state actors intermingle in order to remain useful for the people on the ground therefore the icrc is progressively developing its mandate this book questions whether on occasion this could threaten its promise to remain neutral impartial and independent finally however it should be said that this author finds that the work of the icrc is unparalleled on the international stage and its humanitarian mandate is a vital component for those embroiled in the

undertaking of and recovery from conflict the government in consultation with the territories and other stakeholders has developed a strategy of re engagement strengthening links between the territories and the uk strengthening governance and enhancing support to the territories this white paper sets out priorities for action in terms of defending the territories supporting successful economic development preserving the territories rich environmental heritage and addressing the challenges of climate change making government work better community issues and strengthening links with international and regional organisations or other countries taking this forward will require a partnership between the uk government and territory governments the uk wants to strengthen political engagement between ministers in the uk and the territories particularly through the proposed joint ministerial council and is determined to live up to its responsibilities to the territories as a usability specialist or interaction designer working with the government or as a government or contractor professional involved in specifying procuring or managing system development you need this book editors elizabeth buie and dianne murray have brought together over 30 experts to outline practical advice to both usability specialists and government technology professionals and managers working with internal and external government systems is a unique and difficult task because of of the sheer magnitude of the audience for external systems the entire

population of a country and sometimes more and because of the need to achieve government transparency while protecting citizens privacy open government plain language accessibility biometrics service design internal vs external systems and cross cultural issues as well as working with the government are all covered in this book covers both public facing systems and internal systems run by governments details usability and user experience approaches specific to government websites intranets complex systems and applications provides practical material that allows you to take the information and immediately use it to make a difference in your projects monetary sovereignty is a crucial legal concept dictating that states have sovereignty over their own monetary financial and fiscal affairs however it does not feature as part of any key instruments of international law including the articles of agreement of the international monetary fund rather it has remained a somewhat separate notion developed under contemporary international law from an assertion of the former permanent court of international justice in 1929 as a consequence of globalization and increasing financial integration and a worldwide trend towards the creation of economic and monetary unions the principle of monetary sovereignty has undergone significant change this book examines this evolution in detail and provides a conceptual framework to demonstrate what this means for the legal and economic challenges faced by the international community the book examines the

historic origins and evolution of the concept of monetary sovereignty putting it into the context of broader concepts of sovereignty it argues that monetary sovereignty remains relevant as a dynamic legal concept with both positive and normative components it investigates the continuing hybridization of international monetary law resulting from changes to its formal and material sources it then examines the complex phenomenon of exchange rate misalignment under international monetary and trade law and the increasing regionalization of monetary sovereignty notably in light of the european sovereign debt crisis finally it assesses the role the concept of monetary sovereignty can play in the reorganization of international finance following the recent global financial crisis the federal emergency management agency s fema federal insurance and mitigation administration fima manages the national flood insurance program nfip which is a cornerstone in the u s strategy to assist communities to prepare for mitigate against and recover from flood disasters the nfip was established by congress with passage of the national flood insurance act in 1968 to help reduce future flood damages through nfip community floodplain regulation that would control development in flood hazard areas provide insurance for a premium to property owners and reduce federal expenditures for disaster assistance the flood insurance is available only to owners of insurable property located in communities that participate in the nfip currently the program has 5 555 915 million policies in 21 881

communities³ across the united states the nfip defines the one percent annual chance flood 100 year or base flood floodplain as a special flood hazard area sfha the sfha is delineated on fema s flood insurance rate maps firm s using topographic meteorologic hydrologic and hydraulic information property owners with a federally back mortgage within the sfhas are required to purchase and retain flood insurance called the mandatory flood insurance purchase requirement mpr levees and floodwalls hereafter referred to as levees have been part of flood management in the united states since the late 1700 s because they are relatively easy to build and a reasonable infrastructure investment a levee is a man made structure usually an earthen embankment designed and constructed in accordance with sound engineering practices to contain control or divert the flow of water so as to provide protection from temporary flooding a levee system is a flood protection system which consists of a levee or levees and associated structures such as closure and drainage devices which are constructed and operated in accordance with sound engineering practices recognizing the need for improving the nfip s treatment of levees fema officials approached the national research council s nrc water science and technology board wstb and requested this study the nrc responded by forming the ad hoc committee on levee and the national flood insurance program improving policies and practices charged to examine current fema treatment of levees within the nfip and provide advice on how those levee elated policies and

activities could be improved the study addressed four broad areas risk analysis flood insurance risk reduction and risk communication regarding how levees are considered in the nfip specific issues within these areas include current risk analysis and mapping procedures behind accredited and non accredited levees flood insurance pricing and the mandatory flood insurance purchase requirement mitigation options to reduce risk for communities with levees flood risk communication efforts and the concept of shared responsibility the principal conclusions and recommendations are highlighted in this report over 26 000 total pages background the fast and furious operation was responsible for allowing approximately 2 000 firearms to illegally flow into the hands of criminals including mexican drug cartel associates on december 14 2010 customs and border patrol agent brian terry a united states marine was killed while on patrol just miles from the mexican border the firearms found at the scene were semi automatic rifles that were allowed to walk as part of operation fast and furious congressional republicans have investigated fast and furious since january 2011 over the course of the investigation the justice department has provided false information stonewalled document requests produced scores of blacked out pages and duplicate documents and refused to comply with two congressional subpoenas in august 2012 the u s house of representatives office of general counsel filed suit against the justice department on january 19 2016 united states district judge amy berman jackson

the african charter on human and peoples rights achpr is the principle regional human rights treaty for the african continent adopted in 1981 there is now a significant body of jurisprudence and interpretation by its african commission on human and peoples rights and the recently established african court this volume provides a comprehensive article by article legal analysis of the provisions of the charter as it draws upon the documents adopted by the african commission including resolutions case law and concluding observations where relevant case law adopted by the african court on human and peoples rights and that of other sub regional courts and tribunals and domestic courts in africa are also incorporated the book examines not only the substantive rights in the african charter but also the

work of the african commission on human and peoples rights and provides a full examination of its mandate a critical analysis of each of the provisions of the achpr is led principally by the jurisprudence and documentation of the african commission and african court the text also identifies the overall development of the achpr within the broader regional and international human rights legal arena

Transatlantic Relations in the 21st Century 2012-05-16

this book looks at the impact multinational companies have in post conflict environments the role they have and how they are governed drawing on detailed fieldwork in azerbaijan bosnia and rwanda

Oppenheim's International Law: United Nations 2018-12-13

mountbatten cold war and empire 1945 79 focuses upon admiral lord mountbatten as a commanding if controversial figure in the history of britain and its empire from churchill s wartime coalition through to the labour governments of the 1960s and forms a sequel to mountbatten apprentice war lord written in three parts focusing on the premierships of churchill and attlee eden macmillan douglas home and wilson this book examines the debates over mountbatten s record in southern asia in 1943 6 and 1947 8

additional chapters focus on mountbatten s position at the heart of the british state and his pivotal role at key moments in the immediate post war era most notably the partition of india the suuez crisis and the renewal of an ostensibly independent nuclear deterrent this book also considers mountbatten s relationship with anthony eden both during and following the suuez crisis as well as detailing mountbatten s achievements as first sea lord and chief of the defence staff under harold macmillan and his immediate successors smith acknowledges mountbatten s centrality to the history of britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century smith s scrupulous examination of primary sources including those available in the broadlands archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about mountbatten s personal life smith creates the first comprehensive overview of admiral lord mountbatten s career from 1943 to the mid sixties

Federal Register 2012-03

the united states and china are arguably the most globally consequential actors of the early twenty first century and look set to remain so into the foreseeable future this volume seeks to highlight that american images of china are responsible for constructing certain truths and realities about that country and its people it also introduces the understanding that these

images have always been inextricable from the enactment and justification of us china policies in washington and that those policies themselves are active in the production and reproduction of imagery and in the protection of american identity when seemingly threatened by that of china demonstrating how past american images of china are vital to understanding the nature and significance of those which circulate today turner addresses three key questions what have been the dominant american images of china and the chinese across the full lifespan of sino us relations how have historical and contemporary american images of china and the chinese enabled and justified us china policy what role does us china policy play in the production and reproduction of american images of china exploring and evaluating a wide ranging variety of sources including films and television programmes newspaper and magazine articles the records and journals of politicians and diplomats and governmental documents including speeches and legal declarations this work will be of great interest to students and scholars of us foreign policy american politics china studies and international relations

Democracy Denied 2011-10-11

this book is a multi faceted interdisciplinary examination of the music and figure of lady gaga combining approaches from scholars in cultural studies art fashion and music it represents one of the

first scholarly volumes devoted to lady gaga who has become over a few short years central to both popular and indeed populist as well as more scholarly thought in these areas and who the contributors argue is helping to shape directly and indirectly thought and culture both in the fields of the scholarly and the everyday lady gaga s output is firmly embedded in a self consciously intellectual pop culture tradition and her music videos are intertextually linked to icons of pop culture intelligentsia like alfred hitchcock and open to multiple interpretations in examining her music and figure this volume contributes both to debates on the status of intertextuality held in tension with originality and to debates on the figuring of the sexualized female body and representations of disability there is interest in these issues from a wide range of disciplines popular musicology film studies queer studies women s studies gender studies disability studies popular culture studies and the burgeoning sub discipline of aesthetics and philosophy of fashion

The African Charter on Human and Peoples' Rights 2019-02-14

a very high portion of the seafood we eat comes from abroad mainly from china and southeast asia and most of the active ingredients in medicines we take originate in other countries many low and middle income countries have lower labor costs and fewer and less stringent environmental regulations than the united states making them attractive places to produce food and chemical ingredients for export safe foods and medical products through stronger regulatory systems abroad explains that the diversity and scale of imports makes it impractical for u s food and drug administration fda border inspections to be sufficient to ensure product purity and safety and incidents such as american deaths due to adulterated heparin imported from china propelled the problem into public awareness the institute of medicine committee on strengthening core elements of regulatory systems in developing countries took up the vital task of helping the fda to cope with the reality that so much of the food drugs biologics and medical products consumed in the united states originate in countries with less robust regulatory systems ensuring safe foods and medical products through stronger regulatory systems abroad describes the ways the united states can help strengthen regulatory systems in low and middle income countries and promote cross border partnerships

including government industry and academia to foster regulatory science and build a core of regulatory professionals this report also emphasizes an array of practical approaches to ensure sound regulatory practices in today s interconnected world

Corporations, Global Governance, and Post-conflict Reconstruction 2013

the new zealand yearbook of international law provides legal materials and critical commentary on issues of international law addressing trends state practice and policies in the development of

international law in new zealand the south pacific antarctica and globally this yearbook covers the period 1 january 2019 to 31 december 2019

An Introduction to Design of Safe Havens in Buildings for Professional Engineers

2023-04-16

the purpose of this book is to consider the legality of the changing practice of the international committee of the red cross icrc it provides extensive legal analysis of the icrc as an organisation legal person and humanitarian actor it draws on the law of organisations international humanitarian law international human rights law and other relevant branches of international law in order to critically assess the mandate and practice of the icrc on the ground the book also draws on more abstract human centric concepts including sovereignty as responsibility and human security in order to assess the development of the concept of humanity for the mandate and practice of the icrc critically this book uses semi structured interviews with icrc delegates to test the theoretical and doctrinal conclusions the book provides a unique insight into the work of the icrc it also includes a case study of the work of the icrc in the democratic republic of congo ultimately the book concludes that the icrc is no longer restricted to the

provision of humanitarian assistance on the battlefield it is increasingly drawn into long term and extremely complicated conflicts in which civilians soldiers and non state actors intermingle in order to remain useful for the people on the ground therefore the icrc is progressively developing its mandate this book questions whether on occasion this could threaten its promise to remain neutral impartial and independent finally however it should be said that this author finds that the work of the icrc is unparalleled on the international stage and its humanitarian mandate is a vital component for those embroiled in the undertaking of and recovery from conflict

Parliamentary Debates 2012

the government in consultation with the territories and other stakeholders has developed a strategy of re engagement strengthening links between the territories and the uk strengthening governance and enhancing support to the territories this white paper sets out priorities for action in terms of defending the territories supporting successful economic development preserving the territories rich environmental heritage and addressing the challenges of climate change making government work better community issues and strengthening links with international and regional organisations or other countries taking this forward will require a partnership between the uk government and territory governments the uk wants to strengthen political

engagement between ministers in the uk and the territories particularly through the proposed joint ministerial council and is determined to live up to its responsibilities to the territories

Ensuring Safe Foods and Medical Products Through Stronger Regulatory Systems Abroad 2012-09-03

as a usability specialist or interaction designer working with the government or as a government or contractor professional involved in specifying procuring or managing system development you need this book editors elizabeth buie and dianne murray have brought together over 30 experts to outline practical advice to both usability specialists and government technology professionals and managers working with internal and external government systems is a unique and difficult task because of of the sheer magnitude of the audience for external systems the entire population of a country and sometimes more and because of the need to achieve government transparency while protecting citizens privacy open government plain language accessibility biometrics service design internal vs external systems and cross cultural issues as well as working with the government are all covered in this book covers both public facing systems and internal systems run by

governments details usability and user experience approaches specific to government websites intranets complex systems and applications provides practical material that allows you to take the information and immediately use it to make a difference in your projects

Scientific cooperation 2012*

monetary sovereignty is a crucial legal concept dictating that states have sovereignty over their own monetary financial and fiscal affairs however it does not feature as part of any key instruments of international law including the articles of agreement of the international monetary fund rather it has remained a somewhat separate notion developed under contemporary international law from an assertion of the former permanent court of international justice in 1929 as a consequence of globalization and increasing financial integration and a worldwide trend towards the creation of economic and monetary unions the principle of monetary sovereignty has undergone significant change this book examines this evolution in detail and provides a conceptual framework to demonstrate what this means for the legal and economic challenges faced by the international community the book examines the historic origins and evolution of the concept of monetary sovereignty putting it into the context of broader concepts of sovereignty it argues that monetary sovereignty remains relevant as a dynamic

legal concept with both positive and normative components it investigates the continuing hybridization of international monetary law resulting from changes to its formal and material sources it then examines the complex phenomenon of exchange rate misalignment under international monetary and trade law and the increasing regionalization of monetary sovereignty notably in light of the european sovereign debt crisis finally it assesses the role the concept of monetary sovereignty can play in the reorganization of international finance following the recent global financial crisis

Lok Sabha Debates 2012-03-30

the federal emergency management agency s fema federal insurance and mitigation administration fima manages the national flood insurance program nfip which is a cornerstone in the u s strategy to assist communities to prepare for mitigate against and recover from flood disasters the nfip was established by congress with passage of the national flood insurance act in 1968 to help reduce future flood damages through nfip community floodplain regulation that would control development in flood hazard areas provide insurance for a premium to property owners and reduce federal expenditures for disaster assistance the flood insurance is available only to owners of insurable property located in communities that participate in the nfip currently the program has 5 555 915 million policies in 21 881

communities³ across the united states the nfip defines the one percent annual chance flood 100 year or base flood floodplain as a special flood hazard area sfha the sfha is delineated on fema s flood insurance rate maps firm s using topographic meteorologic hydrologic and hydraulic information property owners with a federally back mortgage within the sfhas are required to purchase and retain flood insurance called the mandatory flood insurance purchase requirement mpr levees and floodwalls hereafter referred to as levees have been part of flood management in the united states since the late 1700 s because they are relatively easy to build and a reasonable infrastructure investment a levee is a man made structure usually an earthen embankment designed and constructed in accordance with sound engineering practices to contain control or divert the flow of water so as to provide protection from temporary flooding a levee system is a flood protection system which consists of a levee or levees and associated structures such as closure and drainage devices which are constructed and operated in accordance with sound engineering practices recognizing the need for improving the nfip s treatment of levees fema officials approached the national research council s nrc water science and technology board wstb and requested this study the nrc responded by forming the ad hoc committee on levee and the national flood insurance program improving policies and practices charged to examine current fema treatment of levees within the nfip and provide advice on how those levee elated policies and

activities could be improved the study addressed four broad areas risk analysis flood insurance risk reduction and risk communication regarding how levees are considered in the nfip specific issues within these areas include current risk analysis and mapping procedures behind accredited and non accredited levees flood insurance pricing and the mandatory flood insurance purchase requirement mitigation options to reduce risk for communities with levees flood risk communication efforts and the concept of shared responsibility the principal conclusions and recommendations are highlighted in this report
