Seeing God as a Perfect Father Bible Study Guide plus Streaming Video 2023-07-11 this valuable and penetrating little book deals with one of the baffling problems of our age namely the relation between nazi and german the thesis of the book is that the traditional german character is derived from a rigid authoritarian static family system which adapted itself readily to the nazi pattern and remained essentially unaltered when the nazi layer was stripped away the implication is that german and nazi are more nearly identical than is realized by naïve exponents of denazification a well written sensible book suggestive as to methodology and rich in wisdom the annals of the american academy of political and social science an interesting study of paternal authoritarianism in the german family with implications for the political behavior of the germans as a people foreign affairs of the many postwar books now available on germany and the various phases of its culture ideologies and social structure this book stands out the approach is scientifically oriented combining psychiatry with sociology and anthropology american journal of orthopsychiatry this is a book by a social scientist on a timely subject it is a pity that more books of this kind are not prepared by the people who have the required insights and the necessary data and rushed through the presses while there is still time to make use of their results the author is a psychiatrist who knows how to make his special skill applicable to the wider problems of our day political science quarterly f ascinating reading schaffner presents his views with admirable clarity the public opinion quarterly

A Study of Matthew: Learning About the Father by Studying the Son 2014-11-05 father and son a study of two temperaments by edmund gosse is a memoir initially published anonymously the book describes edmund s early years in an exceptionally devout plymouth brethren home the book focuses on the relationship between a stern religious father who rejects the new evolutionary theories of his scientific colleague charles darwin and the son s gradual coming of age and rejection of his father s fundamentalist religion while often comical the book is relatable to children and parents around the world who feel as though they and their loved ones seem to come from different worlds

Father Land: A Study of Authoritarianism in the German Family 2022-06-08 this book is a self study guide companion to the first book my father less story the questions inside will stir your fatherless heart and soul hopefully you will better understand yourself as fatherless boys and girls read on and fill in the answers

A Study Guide for Sherman Alexie's "Because My Father Always Said He Was the Only Indian Who Saw Jimi Hendrix Play "The Star-Spangled Banner" at Woodstock" 2016-02-26 told through the stories of a diverse group of fifteen real dads who have attended john badalamenti s pioneering workshops the modern dad s dilemma is filled with practical information road tested activities and key skills dads can put to use right away

Letter to His Father by Franz Kafka (Book Analysis) 2010-02-08 a study guide for andrew hudgins s elegy for my father who is not dead excerpted from gale s acclaimed poetry for students this concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more for any literature project trust poetry for students for all of your research needs

The Father's Plan 1967 an eye opening gripping and moving account of dealing with some of medicine s most complicated challenges as a trainee doctor fascinated by the ways the brain and nervous system signal problems with the body s wiring niall tubridy fell in love with neurology this was high stakes detective work where answers could be life changing the young doctor who relished the intellectual puzzle soon became even more intrigued by the human stories behind each set of symptoms and he found his own character tested how do you handle such high pressure work often with sad outcomes for patients and remain grounded and positive can you just one more question is the story of niall tubridy s life in neurology it includes gripping accounts of his patients encounters that are by turn moving dramatic and funny and using simple and illuminating language he explains well known conditions such as multiple sclerosis parkinson s disease and motor neurone disease in addition he reflects candidly on his life and the reasons he a doctor s son went into medicine and what he has learned about himself along the way with great honesty he scrutinizes his own actions and reactions so that just one more question

becomes a brave exploration of the big question how can i be a better doctor dr tubridy s book is an extraordinary and revealing insight into the human challenge of working in this most complex area of medicine

Spanish; Programmatic Course 2009-07-10 a study guide for peter lagerkvist s father and i excerpted from gale s acclaimed short stories for students this concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more for any literature project trust short stories for students for all of your research needs

The Modern Dad's Dilemma 2019-04-04 from a pampered son who showed little promise to his rise to the presidency george w bush has transformed himself through acts of will and faith stanley renshon examines the psychological transformation of bush and identifies those pivotal changes that allowed him to achieve success in his personal life and in the political arena and shows how bush s personal transformation has come to shape his political policies the man who battled and defeated his own inner demons has become a president determined to battle the demons of terrorism and extremism that prevent democracy from flourishing around the world this psychological portrait provides a much needed antidote to prevailing critiques that ridicule bush s values and policies as it celebrates his resolve and strong leadership

A Study Guide for Andrew Hudgins's "Elegy for My Father, Who Is Not Dead" 1868 naming the father is a collection of essays on the subject of fatherhood its enduring power its secret ruses its unsettling provocations despite the considerable critical attention devoted to motherhood in literature and despite the late twentieth century focus on patriarchy there is surprisingly no comparable collection on fatherhood this volume was born of the conclusion that critics of modern and contemporary literature may comprehend the father too little for presuming to have comprehended patriarchy so much naming the father begins with a series of nonfiction essays that attempts to locate the missing father in the individual experiences of three scholars at various stages of their careers the following thematically grouped sections recover and discuss fatherhood in fields ranging from caribbean fiction to african american drama and in the work of authors as diverse as rebecca west anzia yeziarska william burroughs and stephen wright as well as henry james and james joyce a variety of critical approaches from biographical to deconstructive activate and engage with the cultural national and global implications of fatherhood for the family and for the future of literary studies scholars and students of contemporary literature cultural studies and gender studies will find this book a fascinating and invaluable collection

Just One More Question 1868 leaving a religion is not merely a matter of losing or rejecting faith for many it involves dramatic changes of everyday routines and personal habits davidman bases her analysis on in depth conversations with forty ex hasidic individuals from these conversations emerge accounts of the great fear angst and sense of danger that come of leaving a highly bounded enclave community many of those interviewed spoke of feeling marginal in their own communities of strain in their homes due to death divorce or their parents profound religious differences experienced sexual physical or verbal abuse or expressed an acute awareness of gender inequality the dissimilar lives of their secular relatives and forbidden television shows movies websites and books becoming unorthodox draws much needed attention to the vital role of the body and bodily behavior in religious practices it is through physical rituals and routines that the members of a religion particularly a highly conservative one constantly create perform and reinforce the culture of the religion because of the many observances and daily rituals required by their faith hasidic defectors are an exemplary case study for exploring the centrality of the body in shaping maintaining and shedding religions this book provides both a moving narrative of the struggles of hasidic defectors and a compelling call for greater collective understanding of the complex significance of the body in society

A Study Guide for Peter Lagerkvist's "Father and I" 2007-04-09 bible study notes and commentary on the new testament gospel of john emphasizes understanding the text with practical applications intended to be helpful to all christians including teachers and preachers while avoiding an emphasis on technical issues written from the conservative viewpoint of faith in the bible as the absolute inerrant verbally inspired word of god comments include discussion of these topics evidence for faith in the deity of jesus testimony of miracles and fulfilled prophecy jesus public ministry and teaching work of john the baptist and of jesus apostles jesus death burial and resurrection

A Study Guide for Judith Ortiz Cofer's "My Father in the Navy" 1893 millions of families strive to give their children the best possible upbringing after being split apart by divorce separated mothers and fathers and in many cases their second spouses struggle to find the right way to piece together parent child relationships in its wake in this revolutionary work psychologist sanford I braver who undertook the largest ever federally funded study on issues confronting divorced fathers shows how millions of well intentioned mothers fathers judges lawyers educators and other caregivers have been repeatedly and tragically misled by the prevailing data about divorce and parenthood for years our society has accepted the image of the dead beat dad who shirks childcare payments and other responsibilities yet braver proves that this villainous figure like many other myths of the divorced parent simply does not exist in significant numbers moreover braver overturns one of the most important pieces of data on divorce in the past quarter century the belief that divorced women suffer a steep decline in their standard of living this widely embraced notion was the result of misread data but was transformed into fact by the media and the courts and accepted by divorced families and their advocates no other book has revealed the deep flaws in today s research on divorce one sided studies of divorced men and women misused census data and poor research have skewed many of the assumptions around which parents and courts have shaped divorce settlements parenting responsibilities and child rearing decisions every divorced parent and anyone who loves a divorced parent urgently needs this book to understand the newrealities behind divorce and parenting notes index

Father Fernie, the Botanist: a Tale and a Study; Including His Life, Wayside, Lessons, and Poems 2015-03-10 khaled anatolios a noted expert on the development of nicene theology offers a historically informed theological study of the development of the doctrine of the trinity showing its relevance to christian life and thought today according to anatolios the development of trinitarian doctrine involved a global interpretation of christian faith as a whole consequently the meaning of trinitarian doctrine is to be found in a reappropriation of the process of this development such that the entirety of christian existence is interpreted in a trinitarian manner the book provides essential resources for this reappropriation by identifying the network of theological issues that comprise the systematic scope of nicene theology focusing especially on the trinitarian perspectives of three major theologians athanasius gregory of nyssa and augustine it includes a foreword by brian e daley

Father Fernie, the Botanist: a tale and a study; including his life, wayside lessons, and poems 2000 in the late 1850s and early 1860s the attention of the catholic and protestant religious communities around the world focused on a few small settlements of french canadian immigrants in northeastern illinois soon after arriving in their new home a large number of these immigrants led by father charles chiniquy the charismatic catholic priest who had brought them there converted to protestantism in this anthropological history caroline b brettell explores how father chiniquy took on both the sacred and the secular authority of the catholic church to engineer the religious schism and how the legacy of this rift affected the lives of the immigrants and their descendants for generations this intriguing study of a nineteenth century migration of french canadians to the american midwest offers an innovative perspective on the immigrant experience in america brettell chronicles how chiniquy came to lead approximately one thousand french canadian families to st anne illinois in the early 1850s and how his conflict with the catholic hierarchy over the ownership and administration of church property delivery of the mass in french instead of latin and access to the bible by laymen led to his excommunication drawing on the concept of social drama a situation of intensely lived conflict that emerges within social groups brettell explains the religious schism in terms of larger ethnic and religious disagreements that were happening elsewhere in the united states and in canada brettell also explores legal disputes analyzes the reemergence of catholicism in st anne in the first decade of the twentieth century addresses the legacy of chiniquy in both the united states and quebec and closely examines the french canadian immigrant communities focusing on the differences between the people who converted to protestantism and those who remained catholic occurring when nativism was pervasive and the anti immigrant know nothing party was at its height chiniquy s religious schism offers an opportunity to examine a range of important historical and anthropological issues including immigration ethnicity and religion changes in household and family structure the ways social identities are constructed and

reconstructed through time and the significance of charismatic leadership in processes of social and religious change through its multidisciplinary approach brettell's enlightening study provides a pioneering assessment of larger national tensions and social processes some of which are still evident in modern immigration to the united states

The Father of Man 2014-10-31 this classic psychological case study focuses on one talkative child's emerging ability to use language her capacity for understanding for imagining and for making inferences and solving problems in wide ranging essays scholars offer multifaceted linguistic and psychological analyses of two year old emily's bedtime conversations with her parents and pre sleep monologues taped over a fifteen month period in a foreword written for this new edition emily now an adult reflects on the experience of having been a research subject without knowing it

The Temperance Mirror ... 2018-12-25 men talk draws on rich conversational material from a wide range of contexts to illuminate our understanding of men and masculinities at the turn of the millennium draws on rich conversational material to illuminate our understanding of men and masculinities at the turn of the millennium collects data from a wide range of conversations including garage mechanics on a break carpenters at the pub after work and university academics chatting after hours focuses on stories which occur within all male conversations makes a distinctive contribution to our understanding of the intersection of language and masculinity

In His Father's Shadow 1998 the book brings together experts working in public health and multi disciplinary areas to present recent issues in statistical methodological development and their applications this timely book will impact model development and data analyses of public health research across a wide spectrum of analysis data and software used in the studies are available for the reader to replicate the models and outcomes the fifteen chapters range in focus from techniques for dealing with missing data with bayesian estimation health surveillance and population definition and implications in applied latent class analysis to multiple comparison and meta analysis in public health data researchers in biomedical and public health research will find this book to be a useful reference and it can be used in graduate level classes
