latest science news discoveries and analysis

nature

Apr 18 2024

scientists know there is a link between obesity and some cancers a study in mice and people suggests why that might be news 16 may 2024 us halts funding to controversial virus hunting group

science aaas

Mar 17 2024

science is a leading outlet for scientific news commentary and cutting edge research through its print and online incarnations science reaches an estimated worldwide readership of more than one million science s authorship is global too and its articles consistently rank among the world s most cited research

science aaas

Feb 16 2024

how to get published the strength of science and its online journal sites rests with the strengths of its community of authors who provide cutting edge research incisive scientific commentary and insights on what s important to the scientific world

science news the latest news from all areas of science

Jan 15 2024

science news features news articles videos and more about the latest scientific advances independent accurate nonprofit news since 1921

science of science science aaas

Dec 14 2023

the science of science scisci places the practice of science itself under the microscope leading to a quantitative understanding of the genesis of scientific discovery creativity and practice and developing tools and policies aimed at accelerating scientific progress

home plos

Nov 13 2023

opening science plos is a nonprofit open access publisher empowering researchers to accelerate progress in science and medicine by leading a transformation in research communication about plos every country every career stage every area of science hundreds of thousands of researchers choose plos to share and discuss their work

scientific papers learn science at scitable

nature

Oct 12 2023

learn how to write and read scientific papers the critical documents of modern science find out the structure components and tips for effective communication of research work

of science

Sep 11 2023

of science is the world s leading platform for scientific research and citation data it covers all disciplines and sources from journals and books to patents and proceedings with of science you can access the most authoritative and influential publications metrics and insights in your field and beyond

sciencedirect com science health and medical journals

Aug 10 2023

sciencedirect com science health and medical journals full text articles and books confidence in research climate change the lancet 200 explore scientific technical and medical research on sciencedirect physical sciences and engineering life sciences health sciences social sciences and humanities chemical engineering chemistry

of science

Jul 09 2023

of science is the world s leading platform for scientific research and discovery you can find the most relevant and impactful publications and citations in any field of study and access the full text and citation data of any document with of science you can explore the global and multidisciplinary knowledge base of science

of science

Jun 08 2023

of science is a comprehensive database of scientific publications and citations across all disciplines use the advanced search option to refine your query by topic author source year and more

google scholar

May 07 2023

google scholar provides a simple way to broadly search for scholarly literature search across a wide variety of disciplines and sources articles theses books abstracts and court opinions

a new theory of quantum gravity could explain

live science

Apr 06 2023

a new theory of quantum gravity which attempts to unite quantum physics with einstein s relativity could help solve the puzzle of the universe s expansion a theoretical paper suggests

research science aaas

Mar 05 2023

science vol 384 no 6697 16 may 2024 757 762 research article
enantioselective remote methylene c h hetero arylation of cycloalkane
carboxylic acids

of science master journal list was mjl by clarivate

Feb 04 2023

browse search and explore journals indexed in the of science the master journal list is an invaluable tool to help you to find the right journal for your needs across multiple indices hosted on the of science platform spanning all disciplines and regions of science core collection is at the heart of the of science platform

scientific papers news and latest updates phys org

Jan 03 2023

apr 24 2024 79 quantum crystal of frozen electrons the wigner crystal is visualized for the first time electrons the infinitesimally small particles that are known to zip around atoms continue

home the science of nature springer

Dec 02 2022

the science of nature naturwissenschaften is springer s flagship multidisciplinary science journal the journal is dedicated to the fast publication and global dissemination of high quality research and invites papers which are of interest to the broader community in the biological sciences

stoten science of the total environment journal

Nov 01 2022

science of the total environment is an international multi disciplinary natural science journal for publication of novel hypothesis driven and high impact research on the total environment which interfaces the atmosphere lithosphere hydrosphere biosphere and anthroposphere
