How to Cure a Fanatic

2015-02-28

a hero of mine a moral as well as literary giant simon schama amos oz the internationally acclaimed author of a tale of love and darkness and judas grew up in war torn jerusalem where as a boy he witnessed first hand the poisonous consequences of fanaticism in how to cure a fanatic amos oz analyses the historical roots of violence and confronts truths about the extremism nurtured throughout society by bringing us face to face with fanaticism he suggests ways in which we can all respond from the author of a tale of love and darkness and man booker international prize shortlisted judas he was the conscience of israel roger cohen new york times

Dear Zealots

2018-04-19

his parting shot at opposing the storm of fanaticism breaking over our times financial times dear zealots is an essential collection of three essays written out of a sense of urgency concern and a belief that a better future is still possible it touches on the universal nature of fanaticism and its possible cures the jewish roots of humanism and the need for a secular pride in israel and the geopolitical standing of israel in the wider middle east and internationally amos oz boldly puts forward his case for a two state solution in what he calls a question of life and death for the state of israel wise provocative moving and inspiring these essays illuminate the argument over israeli jewish and human existence shedding a clear and surprising light on vital political and historical issues and daring to offer new ways out of a reality that appears to be closed down concise evocative a brilliant book of thoughts and ideas david grossman

Help Us to Divorce

2004

in how to cure a fanatic amos oz analyses the historical roots of violence and confronts truths about the extremism nurtured throughout society by bringing us face to face with fanaticism he suggests ways in which we can all respond in help us to divorce he convinces irrefutably that the israel palestinian conflict is primarily a dispute over whose house this is in his characteristically lucid intelligent and inspiring prose amos os is unafraid to advocate solutions to the dispute and to espouse his belief that there will one day be a resolution to the conflict i m no longer a european in any sense except through the pain of my parents and my ancestors who left forever in my genes a sense of unrequited love for europe but if i were a european i d be careful not to point the finger at anyone instead of calling the israelis this name or the palestinians that name i would do anything i could to help both sides because both of them are on the verge of making the most painful decision of their history you no longer have to choose between being pro israel or pro palestine you have to be pro peace

Cum să lecuiești un fanatic

2016

revelatory talks about art and life with internationally acclaimed israeli novelist amos oz in the last years of his life the writer amos oz talked regularly with shira hadad who worked closely with him as the editor of his final novel judas these candid uninhibited dialogues show a side of oz that few ever saw what makes an apple presents the most revealing of these conversations in english for the first time painting an illuminating and disarmingly intimate chapter 23 evolution of

2023-03-08 2/12 chapter 23 evolution of populations

portrait of a towering literary figure in frank and open exchanges that are by turns buoyant introspective and argumentative oz explains what impels him to begin a story and shares his routines habits and challenges as a writer he discusses the tectonic changes he experienced in his lifetime in relationships between women and men and describes how his erotic coming of age shaped him not only as a man but also as an author oz reflects on his parents his formative years on a kibbutz and how he dealt with and learned from his critics his students and his fame he talks about why there is more humor in his later books and gives his exceptional take on fear of death resonating with oz s clear honest and humorous voice what makes an apple offers unique insights about oz s artistic and personal evolution and enables readers to explore his work in new ways

What Makes an Apple?

the veteran contributors to this volume take as their central drama and their essential task for analysis the enduring literary and political legacy of israel prize laureate amos oz 1939 2019 born a decade prior to the establishment of the state of israel in what was then palestine under british rule oz s life spanned the country s entire history and both his fiction and nonfiction restlessly probe and illuminate its fraught conflicts contradictions and ambivalences throughout his career oz grappled frankly with the often painful realities of israeli life while also celebrating the ebullience of the israeli spirit and his sophisticated understanding of the sociopolitical turmoil of his society was always accompanied by intensely lyrical language and deep penetrations into the vulnerabilities of the human psyche the volume s twenty contributors bring an exciting diversity of concerns and perspectives to oz s most celebrated novels including his powerfully resonant final novel judas as well as to overlooked facets of his oeuvre illuminating the breathtaking scope of his literary legacy together they offer gripping analyses of his urgent and profoundly universal works about political and romantic dreamers whose heartfelt struggles with both their own human frailties and those of the state ultimately resonate far beyond israel itself

The Hill of Evil Counsel

1985

set in the summer of 1947 this is a rites of passage novel about a lonely boy growing up in jerusalem in the last years of british rule from underground resistance he is drawn into friendship with the enemy in the form of a british soldier to whom he teaches hebrew in return for english lessons

Amos Oz

the hebrew novelist and political essayist amoz oz 1939 2018 arguably israel s leading intellectual was fond of describing himself as using two different pens the first used to write works of prose and fiction and the other to criticize the government and advocate for a political change this volume revisits the two pens parable it brings together scholars from various disciplines who assess amos oz s dual role in israeli culture and society as an immensely popular novelist and a leading public intellectual next to offering an intellectual portrait the chapters in this book highlight some of oz s seminal works examine their reception evaluate key political and literary debates he was involved in as well as trace some of the connections between the two realms of his activity this book is a fascinating read for students researchers and academics of israeli politics history literature and culture the chapters in this book were originally published as a special issue of the journal of israeli history and

are accompanied by a new afterword by the israeli novelist lilah nethanel

Where the Jackals Howl, and Other Stories

1981

an intimate portrait illuminating the life and work of amos oz the award winning israeli writer and activist amos oz 1939 2018 was one of israel s most prolific and prominent writers as well as a regular contender for the nobel prize for literature he was the author of dozens of novels essay collections and novellas written between 1965 and shortly before his death in this first published biography of oz the celebrated translator literary critic and biblical scholar robert alter explores oz s relationship with his family beginning with the suicide of his mother fania klausner when he was twelve years old and goes on to review his time in kibbutz hulda which he entered at fourteen following his separation from his father arieh klausner his family s right wing zionism his writing career his activism in support of a pluralistic israel and his work as an international lecturer in examining oz s life and work alter brings together testimony from oz and his circle as well as close readings of his central works to present the inner world and public persona of amos oz

when looking at how trauma is represented in literature and the arts we tend to focus on the weight of the past in this book amir eshel suggests that this retrospective gaze has trapped us in a search for reason in the madness of the twentieth century s catastrophes at the expense of literature s prospective vision considering several key literary works eshel argues in futurity that by grappling with watershed events of modernity these works display a future centric engagement with the past that opens up the present to new political cultural and ethical possibilities what he calls futurity bringing together postwar german israeli and anglo american literature eshel traces a shared trajectory of futurity in world literature he begins by examining german works of fiction and the debates they spurred over the future character of germany s public sphere turning to literary works by jewish israeli writers as they revisit israel s political birth he shows how these stories inspired a powerful reconsideration of israel s identity eshel then discusses post 1989 literature from ian mcewan s black dogs to j m coetzee s diary of a bad year revealing how these books turn to events like world war ii and the irag war not simply to make sense of the past but to contemplate the political and intellectual horizon that emerged after 1989 bringing to light how reflections on the past create tools for the future futurity reminds us of the numerous possibilities literature holds for grappling with the challenges of both today and tomorrow

this edited work is spurred by the 30 year anniversary of the groundbreaking work by paul ricoeur lectures on ideology and utopia 1986 and the 40 year anniversary of the original lectures 1975 ricoeur took these concepts that continue to be enormously important in social and political analysis and connected them in a uniquely intricate dance the ensuing interplay of these concepts provides a framework for a more deft and subtle evaluation than is chapter 23 evolution of

populations

common little has been done to engage ricoeur s skill in interpreting ideology and utopia or their creative tension perhaps due to his significant contributions in other areas when one combines ricoeur s intricate analyses of ideology and utopia however with his contributions in other areas of philosophy such as hermeneutics anthropology embodiment and philosophy of religion one has fertile grounds for reflection in many directions the essays in this book draw on these resources not only to engage the strengths and weaknesses of ricoeur s original work but they also expand his understanding in creative new directions such as the social imaginary embodiment gender theory immigration and extremist political rhetoric the text will bring to the fore how this aspect of ricoeur s work has significance for the wider twenty first century political landscape just as his original work this book provides much needed resources for critique of each term along with their relationship to one another while recognizing the positive dimension of their function

in somber lust yair mazor examines the work of the celebrated israeli writer amos oz in addition to providing a panoramic comprehensive study of oz s work including his novels novellas short stories and numerous essays on literary social and political subjects mazor also meticulously documents the evolution of oz s aesthetic and ideological vision the book concludes with an extensive interview with oz himself in which he offers insights into his own work as well as the creative process in general

1997

robert wuthnow has been praised as one of the country s best social scientists by columnist david brooks who hails his writing as tremendously valuable the new york times calls him temperate balanced compassionate adding one can t but admire mr wuthnow s views a leading authority on religion he now addresses one of the most profound subjects the end of the world in be very afraid wuthnow examines the human response to existential threats once a matter for theology but now looming before us in multiple forms nuclear weapons pandemics global warming each threatens to destroy the planet or at least to annihilate our species freud he notes famously taught that the standard psychological response to an overwhelming danger is denial in fact wuthnow writes the opposite is true we seek ways of positively meeting the threat of doing something anything even if it s wasteful and time consuming the atomic era that began with the bombing of hiroshima sparked a flurry of activity ranging from duck and cover drills basement bomb shelters and marches for a nuclear freeze all were arguably ineffectual yet each sprang from an innate desire to take action it would be one thing if our responses were merely pointless wuthnow observes but they can actually be harmful both the public and policymakers tend to model reactions to grave threats on how we met previous ones the response to the terrorist attacks of 9 11 for example echoed the cold war citizens went out to buy duct tape mimicking 1950s era civil defense measures and the administration launched two costly conflicts overseas offering insight into our responses to everything from an inconvenient truth to the bird and swine flu epidemics robert wuthnow

provides a profound new understanding of the human reaction to existential vulnerability

Ideology and Utopia in the Twenty-First Century

2018-11-23

ricardo rubinstein explores the contemporary culture and its discontents including subjectivity fanaticism panic attacks technology and pandemics through a psychoanalytic lens each chapter considers an aspect of modern society and attempts to unpick these complex facets of the world we live in psychoanalytic understandings of the triggers and socio environmental factors of panic attacks the inner worlds of people attracted to fanatical beliefs and risky behaviors and our dependence on technology for our most vital activities are explored in an accessible way rubinstein also considers the restrictions put in place on the lives of millions of people as a result of the covid 19 pandemic and examines human adaptation to restrictive conditions psychoanalysis culture and contemporary discontents is illustrated throughout with clinical vignettes from the author s practice this psychoanalytic exploration of a diverse range of topical issues will be of interest to psychoanalysts and psychoanalytic psychotherapists in practice and in training it will also be relevant for academics and students of sociology and cultural studies and to readers interested in understanding cultural concerns in more depth

The Subprime Solution

2012-09-24

the hill of evil counsel is a fusion of history and imaginative narrative re creating the twilight world of jerusalem during the fading days of the british mandate in these three closely linked stories oz vividly evokes the stifling atmosphere of impending crisis as real personalities rub shoulders with fictional characters whose hopes and fears are hauntingly portrayed
