what if the wrong guy turns out to be the right guy for you caesar serrano thought he screwed up when he landed in the bed of lapd officer nathan reilly but when caesar breaks into the wrong house and stumbles upon a heinous crime implicating a high ranking lapd officer nate is the only person he knows to turn to the resulting investigation throws the blue brigade into panic now he s running for his life and nate is his only hope for survival can two men on opposite sides of the law come together to bring a monster to justice james buchanan 1919 2013 economist and philosopher was awarded the nobel prize in economics in 1986 for his original theory of political democracy as market exchange buchanan believed economics should be concerned with liberty individualism and equity this book offers conclusions that are very different from most of the traditional historical interpretations of the buchanan presidency historians have either condemned buchanan for weakness and vacillation or portrayed him as a president dedicated to peace who did everything constitutionally possible to avoid war under the scrutiny of elbert b smith buchanan emerges as a strong figure who made vital contributions not to peace but to the accelerating animosities that produced the war historians who have considered the civil war a necessary and justifiable price for the destruction of slavery should feel a debt to james buchanan smith writes those who think the war could and should have been avoided owe him nothing most of the accounts of the era have concentrated on the dred scott case bleeding kansas and the lecompton constitution the lincoln douglas debates john brown the rise of the republicans and the disintegration of the democrats the election of 1860 and the bitter quarrels over slavery extension occasioned by these events buchanan has often appeared on a stage occupied by more important actors whether or not the war was already inevitable by march 1857 cannot be proved that a subsequent series of emotion packed events filled

both north and south with rage and fear triggering secession and the war is undebatable it is smith s theory that buchanan in leading the united states through these fateful years added much to the war spirit that developed in both sections driven by affection and sympathy for the southerners he tried to satisfy their demands for slavery rights in the territories this aroused bitter anti south feelings throughout the north which foiled his efforts and further convinced the southerners that they could no longer have their way inside the union the one event that finally triggered the southern secession was the election of a republican president and buchanan s agreement with the southern demands and his personal hatred for stephen a douglas did much to accomplish this covering the most controversial period in american history smith presents important new evaluations for the consideration of students of both the civil war and the presidency reprint of the original first published in 1883 reproduction of the original life of james buchanan by george ticknor curtis a survey of the political economy of james buchanan seeking to explain his theories in detail and evaluate them in depth covering topics such as the constitution and its failure democracy operational rules for the constitution and economics who is black widow master spy avenger s h i e l d agent natasha romanoff is all this and much more with a past cloaked in mystery and disinformation it s hard to tell truth from deception that s why black widow secrets of a super spy is an invaluable guide to this most secretive of heroes expertly written lavishly illustrated and boasting a stunning new cover artwork by jen bartel the book traces natasha s extraordinary journey from soviet assassin to super hero fearless formidable and steeped in the world of espionage black widow is one of marvel comics most unique and enduring super heroes no black widow or marvel fan will want to miss this 2020 marvel a political economist whose numerous and influential writings explore the no man s land that separates the social science disciplines the founder of the constitutional economics paradigm buchanan was awarded the 1986 nobel prize in economic science for his contributions to a theory of constitutional political economy as well as his leadership of the public choice movement in this volume david reisman seeks to explain and analyze the important insights of this difficult but stimulating multidisciplinary figure buchanan s recommendation of constitutional precommitment will appeal to all economists who share his conviction that politicians and

bureaucrats where not preconstained by rules that they cannot alter at will tend rapidly to become not servants but the masters of the electorate his determination to define and defend the middle ground neither anarchy nor leviathan will have a wider appeal still kentucky is richly blessed with rivers this book tells the stories of three of the most beautiful and historic the rolling fork the nolin and the rough each is an unpredictable force of nature flowing through a land that varies from wide sunny meadows to dark rock bound hollows chapters describe the people who lived in the river valleys including pioneers frontier preachers a future president cave explorers confederate and union soldiers desperate killers hardscrabble farmers and inspired visionaries sometimes they were wasteful and violent and vain at other times they were inventive and graceful and kind their descendants realized that survival had come to mean something new living in harmony with the land and the rivers government is analysed as the product of exchange among individuals who differ in their bargaining power this approach shows why individuals agree to political institutions that give their governments extensive power and why even the most powerful government benefits from constitutional rules constraining the government s power this foundation is used to examine a wide range of government activities including its protection of rights its military activities and democratic political institutions theatre in london has celebrated a rich and influential history and in 1976 the first volume of j p wearing s reference series provided researchers with an indispensable resource of these productions in the decades since the original calendars were produced several research aids have become available notably various reference works and the digitization of important newspapers and relevant periodicals the second edition of the london stage 1950 1959 a calendar of productions performers and personnel provides a chronological calendar of london shows from the first of january 1950 through the 31st of december 1959 the volume chronicles more than 3 100 productions at 52 major central london theatres during this period for each production the following information is provided title author theatre performers personnel opening and closing dates number of performances other details include genre of the production number of acts and a list of reviews a comment section includes other interesting information such as plot description first night reception by the audience noteworthy performances staging

elements and details of performances in new york either prior to or after the london production among the plays staged in london during this decade were look back in anger one way pendulum the birthday party a taste of honey chicken soup with barley five finger exercise the hostage and waiting for godot as well as numerous musical comedies british and american foreign works operas ballets and revivals of english classics a definitive resource this edition revises corrects and expands the original calendar in addition approximately 20 percent of the material in particular information of adaptations and translations plot sources and comment information is new arranged chronologically the shows are fully indexed by title genre and theatre a general index includes numerous subject entries on such topics as acting audiences censorship costumes managers performers prompters staging and ticket prices the london stage 1950 1959 will be of value to scholars theatrical personnel librarians writers journalists and historians dark history of the american presidents covers every dirty deed committed behind the white house fence from financial profiteering and insider trading to illicit bugging of the opposition including the terms of presidents george w bush and barack obama

**The Good Thief** 2008 what if the wrong guy turns out to be the right guy for you caesar serrano thought he screwed up when he landed in the bed of lapd officer nathan reilly but when caesar breaks into the wrong house and stumbles upon a heinous crime implicating a high ranking lapd officer nate is the only person he knows to turn to the resulting investigation throws the blue brigade into panic now he s running for his life and nate is his only hope for survival can two men on opposite sides of the law come together to bring a monster to justice

**James Buchanan** 2015-04-08 james buchanan 1919 2013 economist and philosopher was awarded the nobel prize in economics in 1986 for his original theory of political democracy as market exchange buchanan believed economics should be concerned with liberty individualism and equity

*The Presidency of James Buchanan* 1975 this book offers conclusions that are very different from most of the traditional historical interpretations of the buchanan presidency historians have either condemned buchanan for weakness and vacillation or portrayed him as a president dedicated to peace who did everything constitutionally possible to avoid war under the scrutiny of elbert b smith buchanan emerges as a strong figure who made vital contributions not to peace but to the accelerating animosities that produced the war historians who have considered the civil war a necessary and justifiable price for the destruction of slavery should feel a debt to james buchanan smith writes those who think the war could and should have been avoided owe him nothing most of the accounts of the era have concentrated on the dred scott case bleeding kansas and the lecompton constitution the lincoln douglas debates john brown the rise of the republicans and the disintegration of the democrats the election of 1860 and the bitter quarrels over slavery extension occasioned by these events buchanan has often appeared on a stage occupied by more important actors whether or not the war was already inevitable by march 1857 cannot be proved that a subsequent series of emotion packed events filled both north and south with rage and fear triggering secession and the war is undebatable it is smith s theory that buchanan in leading the united states through these fateful years added much to the war spirit that developed in both sections driven by affection and sympathy for the southerners he tried to satisfy their demands for slavery rights in the territories this aroused bitter anti south feelings throughout the north which foiled his

efforts and further convinced the southerners that they could no longer have their way inside the union the one event that finally triggered the southern secession was the election of a republican president and buchanan s agreement with the southern demands and his personal hatred for stephen a douglas did much to accomplish this covering the most controversial period in american history smith presents important new evaluations for the consideration of students of both the civil war and the presidency
