 can get awfully complicated and life becomes anything but serene in this award winning true life tale  
 for gardeners nature lovers and dreamers of all ages little farm in the foothills follows a midlife  
 couple s pursuit of the new great american dream living closer to the land as they start growing their  
 own organic food living more simply and transforming an old clearcut into a little homestead what susan  
 and her husband john thought was a modest plan becomes an adventure that is more life changing than they  
 envisioned and they face more adversity and more joys than they ever could have imagined little farm in  
 the foothills is not a memoir about farming it s a warmhearted story of making a dream come true as  
 susan writes of their foothills home it s not a farm it s not even a farmette but it s the dream of a  
 farm the browne s foray into slower living is an enjoyable read their delightful yet very real
