Lou 2012

from acclaimed journalist Melissa Chan and esteemed activist artist Badiucao comes a near future graphic novel dystopia that explores technology, authoritarian government, and the lengths that one will go to in the fight for freedom. Three idealistic youths, forever transformed by the real world protests in Hong Kong in 2019, develop diverging beliefs about how to best fight against techno-authoritarian China as conflict escalates and a nuclear disaster looms. Is working with an increasingly fascist and non-democratic United States the answer? And Maggie and Olivia travel different paths toward transformative change, each confronting to what extent they will fight for freedom and who they will become in doing so. A powerful and important book about global totalitarian futures and the costs of resistance.
