## **Old Ramon 2015-03-26**

1889 un cavalier solitaire s'arrête l'espace d'une saison dans une ferme du Wyoming dont il va bouleverser le quotidien refusant de porter une arme alors qu'il sait parfaitement s'en servir peu bavard évitant l'affrontement physique bien que personne ne l'effraie cet homme semble tout à la fois une légende et un mystère il est l'homme des vallées perdues celui auquel une seule balle suffira pour rétablir sa vérité avant de disparaître l'une des plus belles figures inventée par la littérature de l'ouest américain et racontée par les yeux d'un enfant bouleversé par cet homme

## **Shane 2003**

this collection of essays offers a sustained theoretically rigorous rethinking of various issues at work in film and other media adaptations the essays in the volume as a whole explore the reciprocal intertextual quality of adaptations that borrow rework and adapt each other in complex ways in addition the authors explore the specific forces

## **South Dakota Review 2019-07-25**

in the american psyche the wild west is a mythic historical place where our nation's values and ideologies were formed in this violent and uncertain world the cowboy is the ultimate hero fighting the bad guys forging notions of manhood and delineating what constitutes honor as he works to build civilization out of wilderness tales from this mythical place are best known from that most american of media film in the greco roman societies that form the foundation of western civilization similar narratives were presented in what for them was the most characteristic and indeed most filmic genre epic like western film the epics of homer and virgil focus on the mythic historical past and its warriors who worked to establish the ideological framework of their respective civilizations through a close reading of films like high noon and shane this book examines the surprising connections between these seemingly disparate yet closely related genres shedding light on both in the process

## **Shane 1989-10-01**

what is art the arts establishment has a simple answer anything is art if a reputed artist or expert says it is though many people are skeptical about the alleged new art forms that have proliferated since the early twentieth century today's critics claim that all such work however incomprehensible is art a groundbreaking alternative to this view is provided by philosopher novelist ayn rand 1901-1982 best known as the author of the fountainhead and atlas shrugged rand also created an original and illuminating theory of art which confirms the widespread view that much of today's purported art is not really art at all in what art is torres and kamhi present a lucid introduction to rand's esthetic theory contrasting her ideas with those of other thinkers they conclude that in its basic principles her account is compelling and is corroborated by evidence from anthropology neurology cognitive science and psychology

the authors apply rand s theory to a debunking of the work of prominent modernists and postmodernists from mondrian jackson pollock and samuel beckett to john cage merce cunningham and other highly regarded postmodernist figures finally they explore the implications of rand s ideas for the issues of government and corporate support of the arts art law and art education this is one of the most interesting provocative and well written books on aesthetics that i know while fully accessible to the general reader what art is should be of great interest to specialists as well ayn rand s largely unknown writings on art especially as interpreted released from dogma and smoothed out by torres and kamhi are remarkably refined moreover her ideas are positively therapeutic after a century of artistic floundering and aesthetic quibbling anyone interested in aesthetics in the purpose of art or in the troubling issues posed by modernism and post modernism should read this book randall r dipert author of artifacts art works and agency torres and kamhi effectively situate rand s long neglected esthetic theory in the wider history of ideas they not only illuminate her significant contribution to an understanding of the nature of art they also apply her ideas to a trenchant critique of the twentieth century s advanced art their exposure of the invalidity of abstract art is itself worth the price of admission chris matthew sciabarra author of ayn rand the russian radical rand s aesthetic theory merits careful study and thoughtful criticism which torres and kamhi provide their scholarship is sound their presentation is clear and their judgment is refreshingly free from the biases that rand s supporters and detractors alike tend to bring to considerations of her work stephen cox university of california san diego

## **The Best Western Stories 1968**

the mandak league may be one of baseball s best kept secrets operating in manitoba and north dakota from 1950 to 1957 it was the outlet for former negro leaguers to continue playing and entertaining fans occupying fields with ex major leaguers minor league stars and some of the best manitoba north dakota and minnesota born players it featured such greats as willie wells leon day ray dandridge and satchel paige who pitched briefly for the minot mallards in 1950 in part i chapters on each of the mandak s eight seasons provide detailed information on the stadiums franchise and league personnel pennant races and standout performances in part ii a comprehensive listing of profiles presents basic information on the league s players their baseball backgrounds and their accomplishments in the mandak and other leagues emphasis is given to former negro leaguers many of whom finished their careers in the mandak league appendices provide batting and pitching records rosters and rules of conduct
