*Word Unheard* 1969 at first glance a guide to english literature may seem to be no more than a short bibliography of english literature with perhaps rather more extensive and certainly more outspoken comments on the principal editions commentaries biographies and critical works than bibliographies usually provide but it is something more this guide contains long inter chapters that provide reinterpretations of the principal periods of english literature in the light of modern research as well as two final sections summarizing in unusual detail the literary criticism that exists in english and recent scholarship in the field the purpose of this book then is to provide the reader with convenient access to a disciplined study of the texts themselves this guide proposes itself as a new kind of literary history the conventional history of literature has often tended to become a substitute for the reading of the literature it describes the better the history the greater the temptation to substitute it the present combination of reading lists and inter chapters cannot be a substitute for anything else meaningless as literature in themselves they nevertheless provide the necessary preliminary information to meaningful reading since oddities of arrangement derive from these assumptions the authors are not arranged alphabetically instead there are chronological compartments with the divisions circa 1500 1650 and 1800 in which authors succeed each other in the order of their births this pioneering handbook is primarily a bibliographical laborsaving device it is meant mostly for students and the general reader in that it stops where original research by the reader is expected to begin however the last chapter on literary scholarship is devoted specifically to the research specialist and provides indispensable equipment for the reader there is also a general section on literary criticism which will be of use to all f w bateson 1901 1978 was university lecturer in english literature at oxford and a fellow and tutor of corpus christi college founder and editor of the periodical essays in criticism he is also editor of the four volume cambridge bibliography of english literature and the author of a number of critical studies of english poetry and drama
