The Dead March

2017-08-28

winner of the bolton johnson prize winner of the utley prize winner of the distinguished book award society for military history the dead march incorporates the work of mexican historians in a story that involves far more than military strategy diplomatic maneuvering and american political intrigue studded with arresting insights and convincing observations james oakes new york review of books superb a remarkable achievement by far the best general account of the war now available it is critical insightful and rooted in a wealth of archival sources it brings far more of the mexican experience than any other work and it clearly demonstrates the social and cultural dynamics that shaped mexican and american politics and military force journal of american history it has long been held that the united states emerged victorious from the mexican american war because its democratic system was more stable and its citizens more loyal but this award winning history shows that americans dramatically underestimated the strength of mexican patriotism and failed to see how bitterly mexicans resented their claims to national and racial superiority their fierce resistance surprised us leaders who had expected a quick victory with few casualties by focusing on how ordinary soldiers and civilians in both countries understood and experienced the conflict the dead march offers a clearer picture of the brief bloody war that redrew the map of north america

Echoes of the Mexican-American War

2004

a discussion of the events from both sides of the conflict with eyewitness accounts documents photographs illustrations and notes that augment the

material covering soldier s stories and political and military strategies

A Timeline History of the Mexican-American War

2015-11-01

by the early and mid nineteenth century many us citizens were moving westward some of them settled in the territories of texas and california which belonged to mexico at that time in 1835 the tension between the two countries turned violent us settlers started fighting for independence in the texas revolution that conflict went on to ignite the mexican american war in 1846 the war lasted close to two years and claimed thousands of lives in the end mexico lost a huge amount of land to its northern neighbor in exchange for money the war left bitter resentments between the two governments which now had to manage a shared border unrest among their citizens and their own civil wars see how land conflicts erupted into violence between these two neighboring countries track the events and turning points that led to the mexican american war and learn how the aftermath shaped the western expansion of the united states

describes the causes that led to the mexican american war and highlights some of the more important battles of the war

The Mexican War 1846-1848

2014-06-06

the war with mexico was the one of the most decisive conflicts in american history after smashing mexico s armies the young republic bestrode the north american continent like a colossus with one leg anchored on the atlantic seaboard and the other on the pacific it was a bitter hard fought war

that raged across Mexico through the northern deserts, the fever-ridden Gulf cities, and the balmy haciendas of California. This book covers the full course of the war, ending with General Winfield Scott's march from the captured port of Vera Cruz to Mexico City, fighting all the way.

The Occupation of Mexico, May 1846-July 1848

2016

CMH Pub 733: The Occupation of Mexico is the third in a series of pamphlets on the Mexican War, which was the U.S. Army's first experience waging an extended conflict in a foreign land. This brief war is often overlooked by casual students of history since it occurred so close to the American Civil War and is overshadowed by the latter's sheer size and scope. Yet the Mexican War was instrumental in shaping the geographical boundaries of the United States. At the conclusion of this conflict, the U.S. had added some one million square miles of territory. The Mexican War still has much to teach us about projecting force, conducting operations in hostile territory with a small force that is dwarfed by the local population, urban combat, the difficulties of occupation, and the courage and perseverance of individual soldiers. This is one of eight pamphlets by Stephen A. Carney, planned to provide an accessible and readable account of the U.S. Army's role and achievements in the conflict. The Mexican-American War

2016-06-17

includes pictures includes accounts of the war written by generals includes footnotes online resources and a bibliography for further reading includes a table of contents generally the officers of the army were indifferent whether the annexation was consummated or not but not so all of them for myself i was bitterly opposed to the measure and to this day regard the war which resulted as one of the most unjust ever waged by a stronger against a weaker nation it was an instance of a republic following the bad example of european monarchies in not considering justice in their desire to acquire additional territory ulysses s grant the policy of manifest destiny increased tensions with mexico in the 1840s mexico s northern half formed the western border of the territory bought in the louisiana purchase naturally notions of the united states expanding to the pacific ocean alarmed mexico which held what is today the west coast of the united states however mexico first came to regard american expansion as a serious problem with the immigration of americans into its northeastern territory these americans declared independence from mexico and created a nation in the mexican province of texas after winning independence in 1836 texas became an independent republic texas formally asked to be annexed by the united states in 1845 this annexation angered the mexican government which still considered texas to be part of its territory mexico had previously warned that the annexation of texas would cause mexico to declare war on the united states when the annexation bill was passed by congress it included an additional provocation to mexico it claimed that the southern border of texas was the rio grande the actual territory controlled by the republic of texas did not extend nearly to the rio grande and this border would represent a further loss of territory to the united states when a mexican patrol attacked american cavalry in the disputed area north of the rio grande president polk went to congress for a declaration of war the declaration passed on may 13 1846 the war against mexico was unpopular with the opposition whig party especially in the north opponents of the war denounced it as a war of aggression and denied that there had been a valid reason for war small american military units were quickly able to occupy key points in california including san

francisco and los angeles although california was sparsely populated some mexican inhabitants formed an effective resistance which was eventually put down in 1847 by american reinforcements subsequently a larger american army was sent to invade central mexico and managed to capture the mexican capital mexico city on september 13 1847 although a large mexican army was still fighting american forces in northeast mexico and texas news of the capital falling caused it to retreat to try to retake the capital after the defeat of the last mexican army major hostilities ended the treaty of guadalupe hidalgo ended the mexican american war in february 1848 mexico agreed to sell over half its territory for less than half of the money the united states had offered only two years earlier as the army occupied most of mexico s major cities mexico had no choice but to accept the american terms the new territory acquired in the treaty included all or part of the present day states of california nevada new mexico arizona texas colorado utah and wyoming the mexican american war the history of the controversial war that resulted in the annexation of the southwest and california looks at the controversial war along with pictures of important people places and events you will learn about the mexican american war like never before in no time at all

The Mexican-American War, 1846-1848

establishing new mexico as a u s territory was anything but bloodless the mexican american war brought ferocious battles brutal sieges guerrilla warfare and scorched earth tactics more than three hundred mexican and american forces were killed or wounded in a single battle near santa fe during the taos revolt governor charles bent was scalped and murdered in his home and american forces fired cannons into a church where pueblos

and mexicans sought refuge soldiers destroyed entire villages like los valles killing or forcing residents to flee author ray john de aragón recounts these and other dramatic stories behind the birth of the land of enchantment

The Mexican-American War 1846-48

1989-05-25

there never was so fine an american army wrote second lieutenant john sedgwick in describing the troops under major general zachary taylor in 1846 another then second lieutenant destined to see many more armies u s grant also thought highly of them the rank and file were probably inferior to the volunteers that participated in all the later battles of the war but they were brave men and then drill and discipline brought out all there was in them philip katcher writes the story of the regulars and volunteers who fought in the mexican american war detailing the infantry cavalry artillery and staff of both the american and mexican armies

The Mexican American War

2005

the mexican american war was the nation s first war of westward expansion the reporting of which was greatly affected by the emergence of the telegraph and military censorship of news from the war zone

The Encyclopedia of the Mexican-American War

2013

this user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the mexican american war the encyclopedia of the mexican american war a political social and military history provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by americans on foreign soil and served to establish critical u s military political and foreign policy precedents the entries analyze the mexican american war from both the american and mexican perspectives in equal measure in addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the mexican american war into its proper historical and historiographical contexts by covering the eras both before and after the war this information is particularly critical for students of american history because the conflict fomented sectional conflict in the united states which resulted in the u s civil war

Thornton's Luck

2017-04-01

in april 1846 tensions between the u s and mexico along the disputed border were high about half of the u s army then tiny was camped outside of matamoros mexico and rumors were flying that the much larger and better outfitted mexican army was about to undertake efforts to remove the troops from their territory captain seth brett thornton led his 2nd mounted dragoons on an expedition to try to confirm those rumors and gain intelligence about the military s plans he rode his command which included about thirty percent of the army s mounted troops straight into an ambush and lost his entire command his ill luck both exposed the position of the mexican army and escalated the events that would become known as the mexican american war

The U.S.-Mexican War

2014-01-06

the u s mexican war also known as the mexican american war and the mexican war took place from 1846 to 1848 and was mainly about control of texas mexico claimed this territory despite texas having declared itself a republic years earlier while the u s wished to annex texas and make it the 28th state the war was fought with no allies and was the first offensive war for the united states this chronology focuses on the military actions of the war as well as the many indian incursions before the war the various campaigns sieges and skirmishes in both the united states and mexico on both land and sea are covered some of the heroes of this war also served in the war of 1812 and many rose to high military office during the civil war the contributions of the individuals who later became generals during the civil war are also highlighted here
