i got a big kick out of the persona the author adopted for the narrator protagonist self deprecating and menacing at the same time and hilarious but in a very subtle way reviewer drawing inspiration from actual headlines twenty six miles traces the life of billy faulkner a vermont farmer s son who

struggles to find his place in the world running from one scam to another he sets out with his girlfriend molly richardson to start a new life on nantucket but the demons from his past won t leave him alone and the elusive prospect of starting over seems doomed but billy has a plan to get back on course if only molly will be willing to go along with it it s a risky idea but if things go right it might just be the perfect way to start over one more time in twenty six miles author andrew spencer weaves a tale that blends his own personal knowledge of the island s culture and history together with events based on a real life investigation the result is an intriguing story of mystery and revenge of fraud and double crossing a story in which nothing can be taken at face value andrew spencer the author of bear trap the fall of bear stearns and the panic of 2008 and tower of thieves inside aig s corporate culture of greed has been a summer resident of nantucket for forty one years including ten years spent living on the island year round today he lives with his wife niki in richmond virginia and still enjoys spending summers on nantucket
