this book examines the constitutional history
of transylvania a region of central europe
that has experienced a compelling series of
historical events and been governed by a
variety of ancient medieval and modern
entities as well as its own peoples who from
time to time have jointly or separately
exercised their right to self governance the
book s main goal is to provide for the first
time in english a comprehensive source for
those interested in the variety of states
constitutional and public legal orders which
have succeeded one another during transylvania
s tumultuous history it serves to underline
the region s uniqueness as a space where for
better or worse several nationalities multiple
religions and varied cultures have had to find
a way to get along under the pressures of
external state and constitutional orders it
seeks to show both the positive and the
negative solutions found which advanced or
