booklet is included in and comprises of one section of my book predestination is to glory not to faith anti calvinism reformed theology pro certainty of sanctification glorification in romans 8 romans 9 john 6 most other anti calvinist books deal heavily with the moral and philosophical travesties of calvinism for example i highly recommend what love is this by dave hunt but this book tries to provide better expositions of the passages that lead good godly men to accept calvinism in the first place like john 6 by paying attention to the small under appreciated detail that the bible says predestination is to sanctification and glory not to faith if i felt this task was already accomplished i wouldn't have written this book but would have promoted the books that already did it white calvinist there is no meaningful non reformed exegesis of john 6 37 45 available as numerous as the attempts of arminian exegetes to find some way around the testimony of these verses has been not even a plausible solution has been offered that does not require the complete dismantling of the text redefinition of words or the insertion of utterly foreign concepts this book is the result of 1 a paper i wrote for a soteriology class at veritas international university 2 my coming into contact with an increasing number of reformed church plants 3 my deep appreciation of d martin lloyd jones teaching about the certainty of the hope of our future glorification and 4 my gratitude for the simple gospel message i first heard when i was fourteen years old after having been raised a roman catholic jn 3 36 he that believes on the son has everlasting life not he that is good or he that goes to church or he that is predestined to believe but he that believes on the son the gospel is a genuine offer for every person in the way we usually think of an offer and not something predetermined my hope is that this book won't only be a defense against calvinism and its harms and rescue some born again calvinists from calvinism but also that this consideration of the topic of predestination will give all readers a better understanding of the justification sanctification and glorification that comprise our gracious salvation and this knowledge will also make us more fruitful jn 15 7 8 if my words abide in you herein is my father glorified that you bear much fruit

rather than expositing it out of the text friesen in order to arrive at the conclusion of the traditional approach to decision making it is necessary to water down the biblical examples and spice up the biblical teaching examples like in acts are watered down to be less miraculous than they really are so we can think we re doing them too biblical teaching like in the epistles must be spiced up to be more specific than it really is for example a promise to israel to guide you continually is 58 11 doesn't actually say anything about christians being guided by inward impressions paul made most of his decisions by the word and wisdom not by inward impressions and only rarely by direct revelation even though he was the apostle on the cutting edge of jesus mission to bring the gospel to the gentiles most of paul's decisions in acts can be explained 17 principles he followed

from popular pacific theatre expert jeffrey r cox comes this insightful new history of the critical Guadalcanal and Solomons campaign at the height of world war ii cox s previous book Morning Star Rising Sun had found the us navy at its absolute nadir and the fate of the Enterprise the last operational us aircraft carrier at this point in the war unknown this second volume completes the history of this crucial campaign combining detailed research with a novelist s flair for the dramatic to reveal exactly how despite missteps and misfortunes the tide of war finally turned by the end of february 1944 thanks to hard fought and costly american victories in the first and second naval battles of Guadalcanal the battle of Empress Augusta Bay and the battle of Cape St George the Japanese would no longer hold the materiel or skilled manpower advantage from this point on although the war was still a long way from being won the American Star was unquestionably on the ascendant slowly but surely edging Japanese imperialism towards its sunset jeffrey cox s analysis and attention to detail of even the smallest events are second to none but what truly sets this book apart is how he combines this microscopic attention to detail often unearthing new facts along the way with an engaging style that transports the reader to the heart of the story bringing the events on the deep blue of the Pacific vividly to life
