who can foretell india s future mr joshi is a fortune teller in a slum in south delhi who uses a soothsaying green parrot to make predictions when adam roberts visited him in 2012 joshi s parrot declared that india was destined to become the most powerful nation under prime minister narendra modi the parrot also foretold that india would win the soccer world cup parrots may not be the preeminent political authority but many indians were just as confident so adam roberts spent five years traveling the length and breadth of the country from kerala to the himalayas bengal to gujarat as he encountered the power brokers gate keepers and elaborate social dynamics of the world s largest democracy he asked if and how india can become a truly great economic power more influential abroad and stable at home he met prime ministers multimillionaires traveling salesmen pilgrims eco warriors farmers and tech innovators each wrestling with the trials posed by the world s most conspicuously nearly great power he experienced an immense country that despite daunting challenges is entering the most optimistic period in its modern history through vivid storytelling and insight superfast primetime ultimate nation examines the problems and promises of fast growing india to reveal how it might reach its full potential and become as mr joshi s parrot predicted a truly powerful nation

Land Of The Headless

2010-09-09

the land of the headless is set in a far future where mankind has taken his religious dogma and the divisions that result from it out into space on a planet where society is shaped by a strict adherence to the word of god as laid out in the old testament and quran a poet is accused of the rape of a woman found guilty he must face the punishment laid down in the good book beheading beheaded he is fitted with a neck valve ordinator and basic sensory equipment and sent out into the world but he bears a terrible and very visible stigma the only way he can make a living is to join the army and serve in the war against the neighbouring planet and plan his revenge against the man he believes is really guilty land of the headless is a searing satire of religious fundamentalism a novel of love and war and a study of self delusion it is an elegantly written thought provoking and unique sf novel

eduardo wassim abouttaif critically analyzes civil military relations and the way armies are constructed in divided societies to achieve that the book looks at four case studies with deep

divisions and whose armed forces have been reconstructed after civil wars lebanon and bosnia herzegovina represent two examples of consociational power sharing arrangements with functioning armed forces that enjoy wide popular support and neutral in internal affairs iraq and burundi however have semi consociational provisions that have politicized the army and made it a partisan military that has either led to disintegration as in the case of iraq or politicization and loss of legitimacy as in burundi

i m working on a novel intended to express the feel of england in edward iii s time the fourteenth century of my novel will be mainly evoked in terms of smell and visceral feelings and it will carry an undertone of general disgust rather than hey nonny nostalgia anthony burgess 1973 the black prince is a brutal historical tale of chivalry religious belief obsession siege and bloody warfare from disorientating depictions of medieval battles to court intrigues and betrayals the campaigns of edward the black prince are brought to vivid life this rambunctious book based on a completed screenplay by anthony burgess showcases adam roberts in complete control of the novel as a way of making us look at history with fresh eyes all while staying true to the linguistic pyrotechnics and narrative verve of burgess s best work

judicial review by israel s supreme court over actions of israeli authorities in the territories occupied by israel in 1967 is an important element in israel s legal and political control of these territories the occupation of justice presents a comprehensive discussion of the court s decisions in exercising this review this revised and expanded edition includes updated material and analysis as well as new chapters inter alia it addresses the court s approach to its jurisdiction to consider petitions from residents of the occupied territories justiciability of sensitive political issues application and interpretation of the international law of belligerent occupation in general and the fourth geneva convention in particular the relevance of international human rights law and israeli constitutional law the rights of gaza residents after the withdrawal of israeli forces and settlements from the area israeli settlements and settlers construction of the separation barrier in the west

bank security measures including internment interrogation practices and punitive house demolitions and judicial review of hostilities the study examines the inherent tension involved in judicial review over the actions of authorities in a territory in which the inhabitants are not part of the political community the court belongs to it argues that this tension is aggravated in the context of the west bank by the glaring disparity between the norms of belligerent occupation and the israeli government s policies the study shows that while the court s review has enabled many individuals to receive a remedy it has largely served to legitimise government policies and practices in the occupied territories

this book presents the current history of united states military strategy in afghanistan as an example of dysfunctional policy discourse among the nation's elites the legitimacy of a country's military strategy can become a subject of intense public debate and doubt especially in prolonged conflicts arguments typically hinge on disagreements about the values at stake the consequences of action or inaction and the authority of those responsible for the plan as the us entered its second decade at war in afghanistan political and military leaders struggled to explain the ends and means of their strategy through internal policy debates the promotion of counterinsurgency doctrine and day to day accounts of the war's progress military strategy as public discourse considers recent us strategy in afghanistan as a form of valid and equitable public discussion among those with the ability to affect outcomes the work examines the dominant forms of discourse used by the various groups of elites who make and execute strategy and considers how representations of these forms of discourse in news media shapes elite understanding of the purpose of us efforts in wars of choice the book proposes how policy makers should address the problems of public discourse on war which tends to exclude or marginalize relevant elites and focus on narrow questions of validity this book will be of much interest to students of strategic studies us foreign policy and security studies in general
