originally published in 2002 canada s army quickly became the definitive history of the canadian military in the twenty intervening years we have seen major changes to how canadians think about their military and in the ways canadians fight train and serve their nation in peace and in war written by j l granatstein one of the

country's leading political and military historians Canada's Army traces the full three hundred year history of the Canadian military this thoroughly revised third edition brings Granatstein's work up to date with fresh material and new scholarship on the evolving role of the military in Canadian society along with updated sources maps and illustrations it explores the military from its origins in New France to the conquest the Revolutionary War and the War of 1812 from South Africa and the two world wars to the Korean War and contemporary peacekeeping efforts the third edition includes new coverage of the war in Afghanistan NATO deployments to Poland Latvia and Iraq aid to the civil power deployments and the role of the Army Reserve Granatstein points to the inevitable continuation of armed conflict around the world and makes a compelling case for Canada to maintain properly equipped and professional armed forces masterfully written and passionately argued Canada's Army offers a rich analysis of the political context for the battles and events that shape our understanding of the Canadian military
