emma smith said we are going to do something extraordinary she was right the history of relief society is filled with examples of ordinary women who have accomplished extraordinary things as they have exercised faith in heavenly father and jesus christ relief society was established to help prepare daughters of god for the blessings of eternal life the purposes of relief society are to increase faith and personal righteousness strengthen families and homes and provide relief by seeking out and helping those in need women fulfill these purposes as they seek receive and act on personal revelation in their callings and in their personal lives this book is not a chronological history nor is it an attempt to provide a comprehensive view of all that the relief society has accomplished instead it provides a historical view of the grand scope of the work of the relief society through historical accounts personal experiences scriptures and words of latter day prophets and relief society leaders this book teaches about the responsibilities and opportunities latter day saint women are given in heavenly father s plan of happiness preparing for relief society each week has never been easier with this invaluable book youll find a lesson summary quotes from general authorities hymns that match the topic and a beautiful handout you can copy for each sister with all the prep work skinhead girl is based on the true story of a white supremacist skinhead girl who is involved in a murder this book examines the actual hate crime while illustrating the secret interworkings of several authentic white supremacist groups including the ku klux klan the national alliance and volksfront while the crime story evolves so does the narrative of the institutional racism that permeates society in the united states in both past and present eras and alarmingly through insitutions such as planned parenthood this deeply documented book includes academic footnotes for readers that would like to follow the reality of american racism today this work contains an in depth look at the life of a young skinhead girl from various perspectives inluding her beliefs on religion politics and race skinhead girl tells the story of a devoutly religious white supremacist family which is using newfound tactics and technology to reign terror on those that they consider members of inferior races j w gregory provides a realistic version of racism and argues that although americans may assume that because the u s has an african american in the white house that racism is no longer a problem while in reality the number of white supremacist groups grow in number year after year white supremacist groups continue to use their system of the secretive cellular divide while permeating into the very fabric of america skinhead girl believes that every individual action makes a difference in what she sees as americas white power race war the current events in egypt clearly reflect how individuals can utilize the power of the internet to make change happen think about it never doubt that a small group of thoughtful committed citizens can change the world indeed it is the only thing indexed not illustrated 1911 edition excerpt granted in another for it has always been her lot to mother a large family her husband s motherless children and others mrs grant has been active in church and club work for a long time she has acted as secretary in some organization ever since she was fourteen years of age she was then made secretary of the first y l m i association in her home town she has since served the thirteenth ward relief society the salt lake stake relief society and the free kindergarten in the same capacity she was the first president of the state kindergarten society of utah and has been a member of a number of home clubs she has traveled quite extensively in her own country and spent fifteen months in japan with her husband when that mission was first opened mrs grant is the embodiment of peace and beautiful repose when asked how one might acquire this charming and restful quality of character and habit she laughingly replied i have always had all i wanted because i never wanted more than i had i always like to do what i have to do and i never want very badly what i can t have therefore i am always quite contented and happy i don t believe in telling my troubles to others nor in thinking i have any for then i really don t have them but there is one thing she added which is atrial tome public speaking mrs grant is notwithstanding a pleasing speaker and never bores one by talking of things about which she knows little she is an indefatigable worker on committees and never fails in her duty she loves peace and would not willingly oppose or enter into long arguments but if it comes to the point where her decision must be given for or against she gives it frankly without fear or this volume recounts the lives of women of faith and dedication in the church of jesus christ of latter day saints who were born between 1821 and 1845 including women s rights advocate emmeline b wells relief society general president zina d h young a convert of african descent who walked from new york to nauvoo a london seamstress who survived the events that befell the ill fated martin handcart company a norwegian native determined to support her family amidst famine and an australian saint shipwrecked en route to zion this book of essays about mormon women all written and edited by scholars who are themselves mormon women is a brave and important work readers will fully appreciate just how brave and important it really is however if they can see how this work of historical theology fits into the history of historical writing about mormon women as well as how it fits into mormon history itself the women who contributed to this book are among the best of the mormon literati they hold that there is hope within the church for change for reform for expansion of the place of women women s review of books historians of women in america have a great deal to learn from the history of mormon women this fine set of essays provides an excellent introduction to a subject about which we should all know more anne firor scott author of making the invisible woman visible joseph smith founding prophet and martyr of the church of jesus christ of latter day saints personally wrote dictated or commissioned thousands of documents among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced this book offers case studies of the sources most often used by historians of the early mormon experience each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences the documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created this book will help historians working in the founding era of mormonism gain a more solid grounding in the period s documentary record by supplying important information on major primary sources covering its historic development important individuals and central ideas and issues this encyclopedia offers broad historical coverage of the church of jesus christ of latter day saints mormonism a historical encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political leaders
